RETRO 1978

With a Little Help From Our Friends . . .

Lending a helping hand to a friend gives one a real feeling of satisfaction. We got a helping hand from the community through the passing of the school levy. For the first time in nine years our levy passed and everyone heaved a sigh of relief.

If the levy had not passed, the schools would have been closed for a month or more over the winter months. All this time would have had to have been made up in the summer when it seems everyone is tired of school.

It would be hard to change the tradition of school vacation in the summer.

We made it through the year with only a few interruptions—mainly snow. The blizzard of '78 will long be remembered. The snow seemed endless; spring came late, but people came to realize the meaning of friendship when they needed it most.

We will always need a little help from our friends with whatever we endeavor.

Friends Share Good Times Together

With a little help from our friends we can do anything! Sharing good times with a friend makes those times all that much better.

Student Life is a part of high school never overlooked. Dances, assemblies, plays—all are important qualities of high school memories not forgotten.

Homecoming activities gave the Student Life season its start. Miss Susan Kreitzer was crowned queen during pre-game activities of the match between Wapak and Celina.

A new part of Student Life included Hobby Day. The teachers and people from the community taught their favorite hobby to the students.

The chorus had such suc-

cess with one Redskin Revue that a second Redskin Revue was presented. The chorus finished its music season with the musical "Bye, Bye Birdie."

The Thespians presented two plays. The fall play featured "Blithe Spirit" and another play held in the spring featured the comedy "Tear Along the Dotted Line."

Among other activities featured through the year were prom, Sadie Hawkins, and spirit week. Each were traditional events sponsored by various organizations for everyone's enjoyment.

Graduation officially ends the school year and provides a beginning for the seniors of '78.

'Skins Defeat Dogs 20-7

Friday night's activities began with the introduction of the Homecoming court. The introduction proceeded differently from other years. The girls walked across the field with only the sound of cheering fans since there was no band playing the traditional march of "Scipio-Aida-Pomp." Some felt the lack of the traditional march also made the ceremony lack something. Others felt it was better without the march. All that was soon forgotten when the fighting Redskins ran onto the field ready for a Homecoming victory.

To promote spirit and raise

money for student senate, helium balloons were sold before half-time. When the band finished its tribute to Elvis, including such hits as "Hound Dog," "Don't Be Cruel," "Blue Suede Shoes" and the feature, "Jailhouse Rock," the fight song was played and the balloons were sent flying off into the sky.

The 'Skins played an exciting game, the band did a splendid job, the dance was a success and Queen Susan Kreitzer and her court enjoyed a wonderful Homecoming long to be remembered.

Moonlight Dancing Sets the Scene

A romantic setting of "Dancing in the Moonlight" reigned over Saturday evening's dance. Also reigning over the Homecoming festivities was Queen Susan Kreitzer and court. For one evening out of the year an ordinary gymnasium was transformed into a fantasy land of moonlight dancing.

The entrance set the scene for a walk among the flowers and trees of a city park. The gymnasium itself centered on moonlight beams of nylon netting flowing to all sides from the center of the ceiling and a revolving mirror ball represented the moon. As the ball revolved it reflected "stars" around the gymnasium. The floor centerpiece consisted of a park bridge surrounded by greenery and lampposts.

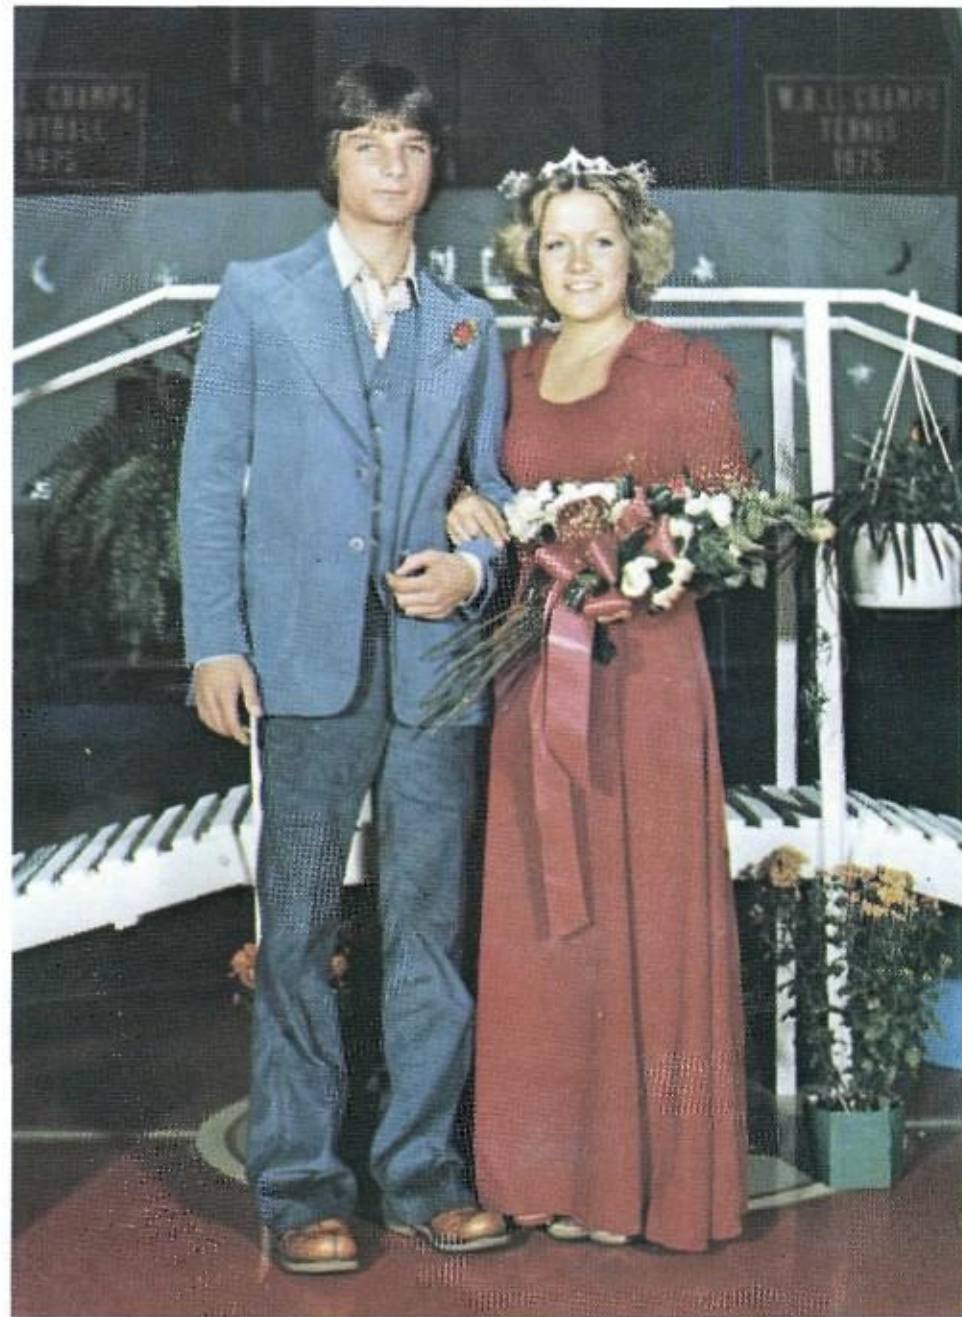

Approximately 250 people attended the dance. They boogied to the music of the Primo Band. The band featured such songs as

"Feelings" and Bread's, "I'd Like to Make it With You" to Elvis' "Don't Be Cruel" and "Blue Suede Shoes."

Homecoming Queen Susan Kreitzer, escorted by Jeff Haman, said, "I was honored to be the queen of such a fine Homecoming; everyone got involved. The football team and band did a great job!" Other members of the court consisted of senior attendants Connie Lowther, escorted by Tony Huelskamp, and Sherry Naylor, escorted by Todd Quellhorst. Dave Bault escorted junior attendant Lisa Fahncke. Ty Schilling escorted sophomore attendant, Kim Naylor.

After the dance, some went home to relax from a long evening of dining and dancing while others, not so tired, found private parties and post-Homecoming activities to fill the remainder of the evening.

Five Days of Activities Mark Spirit Week

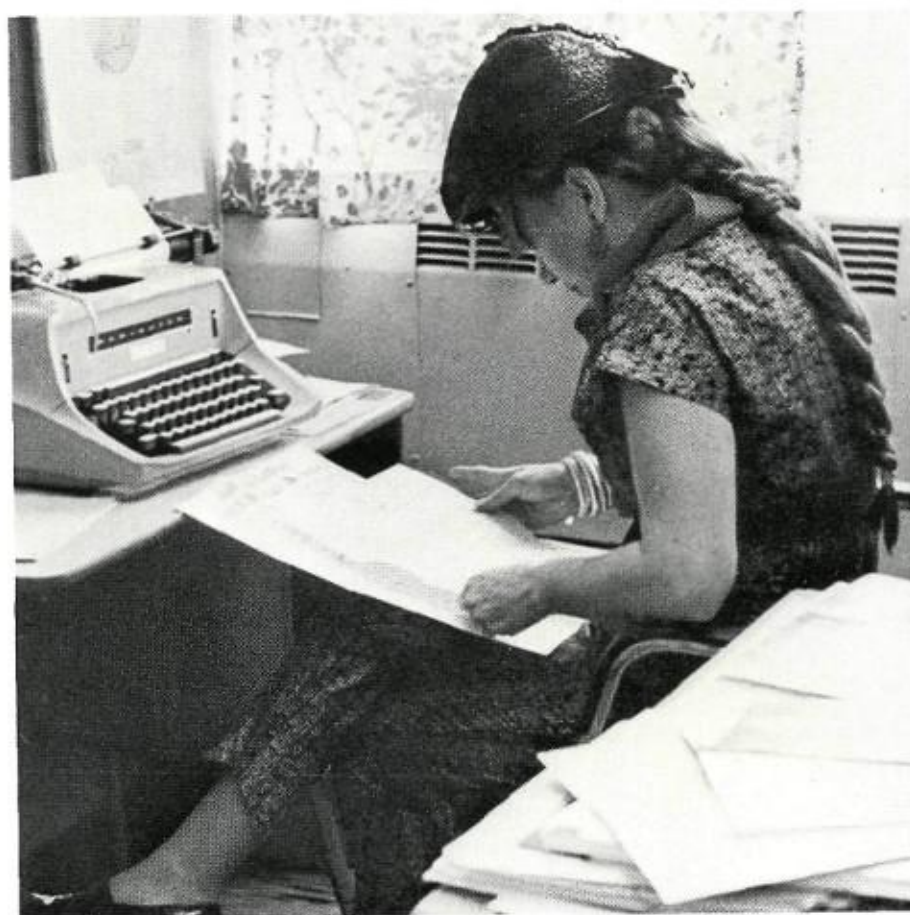

During the week of October 24 through 28, students displayed their spirit for the annual rivalry with St. Marys. Student senate set up guidelines for this week of spirit.

Monday was the day students wore unusual hats. The hats ranged from a basic baseball cap to elaborate lampshades with red and white streamers. On Tuesday teachers came dressed in a variety of costumes. Mr. Byron Ruck impressed everyone with his disguise of an elderly man with a hunch back. Ophelia, alias Mrs. Pat Johnson, was walking the halls reminding the seniors of

the play *Hamlet*. Wednesday most students could be seen wearing dress clothes. The halls were much quieter Thursday. The girls were not allowed to talk to the boys. If they did, the girls had to hand over their football-shaped tags. These tags were worn where everyone could see them. The halls were alive with school colors on Friday. This day was set aside for the students to wear red and white.

At the pep rally on Friday, the seniors were awarded the spirit stick for being the class with the most spirit.

Classes Battle for Spirit Stick at Redskin Rallies

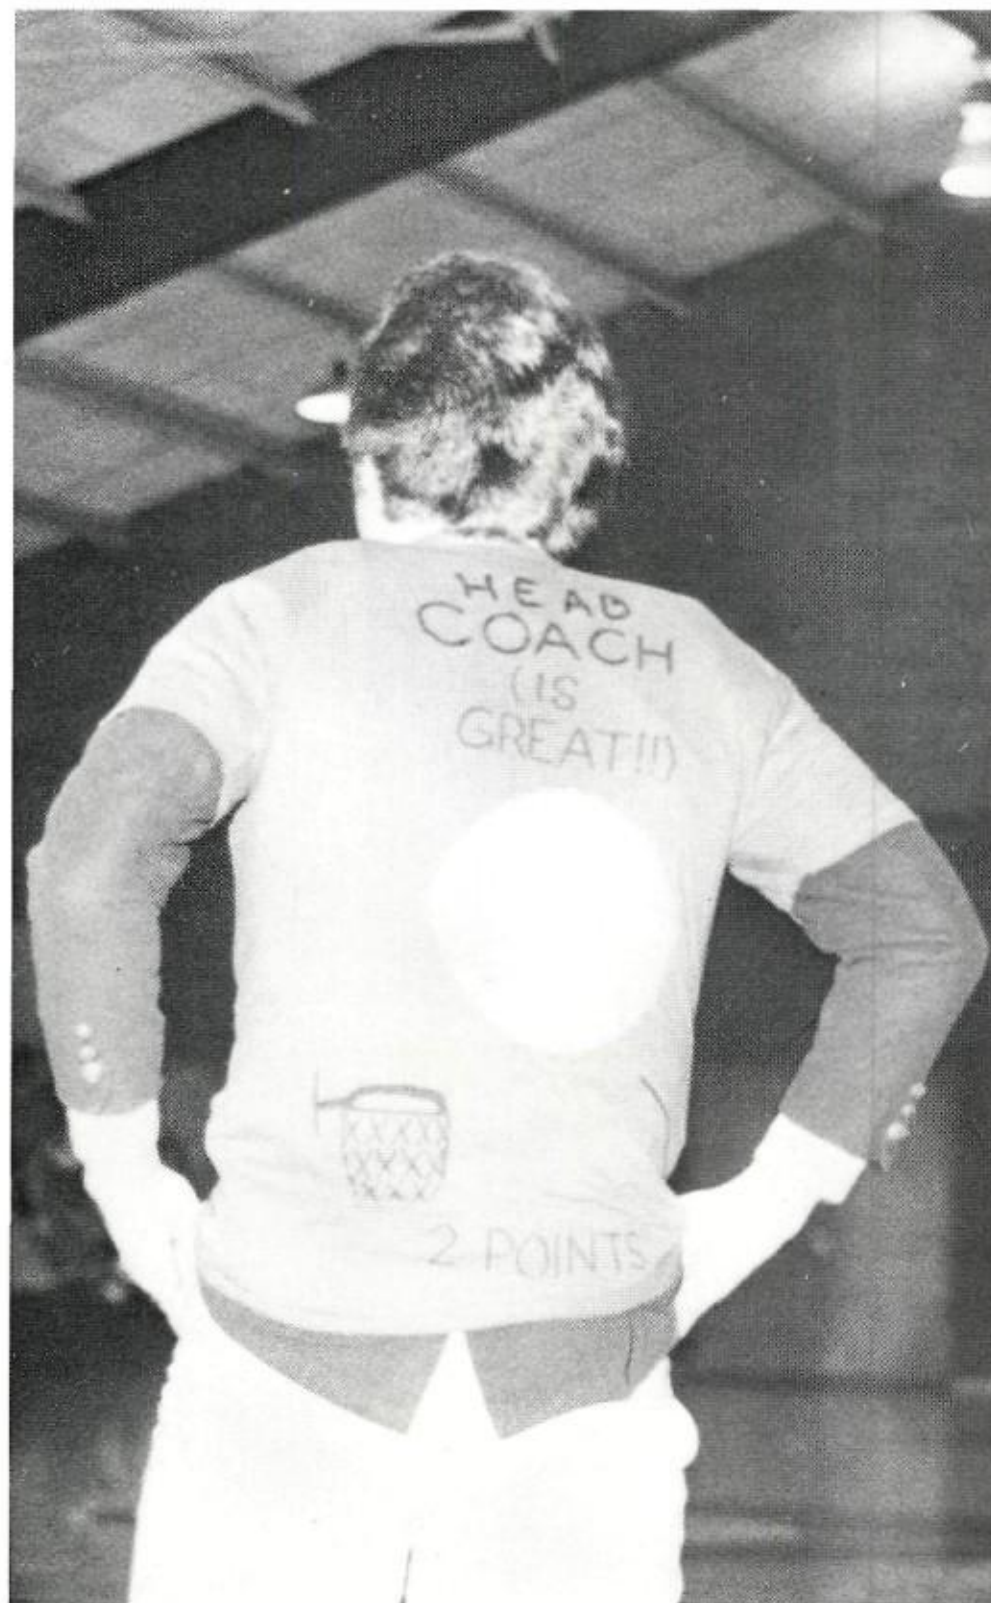

"Let Yourself Go!" seemed to be the theme of the Redskin pep rallies. Classes provided skits to show their spirit. The class showing the most spirit was presented with the spirit stick.

The Redskinettes sang their renditions of popular songs, substituting words such as "Don't Stop Thinkin' About the Red-

skins" to the Fleetwood Mac tune; "Don't Stop Thinkin' About Tomorrow."

At the end of the fall sports and the winter sports seasons the senior secret spirit angels revealed their identity to the sports participants and coaches with a present and a kiss.

Blithe Spirit Kicks Off New Thespian Club Year

The Thespian Club presented *Blithe Spirit* for its fall production. *Blithe Spirit* is an English play and was written by Noel Coward.

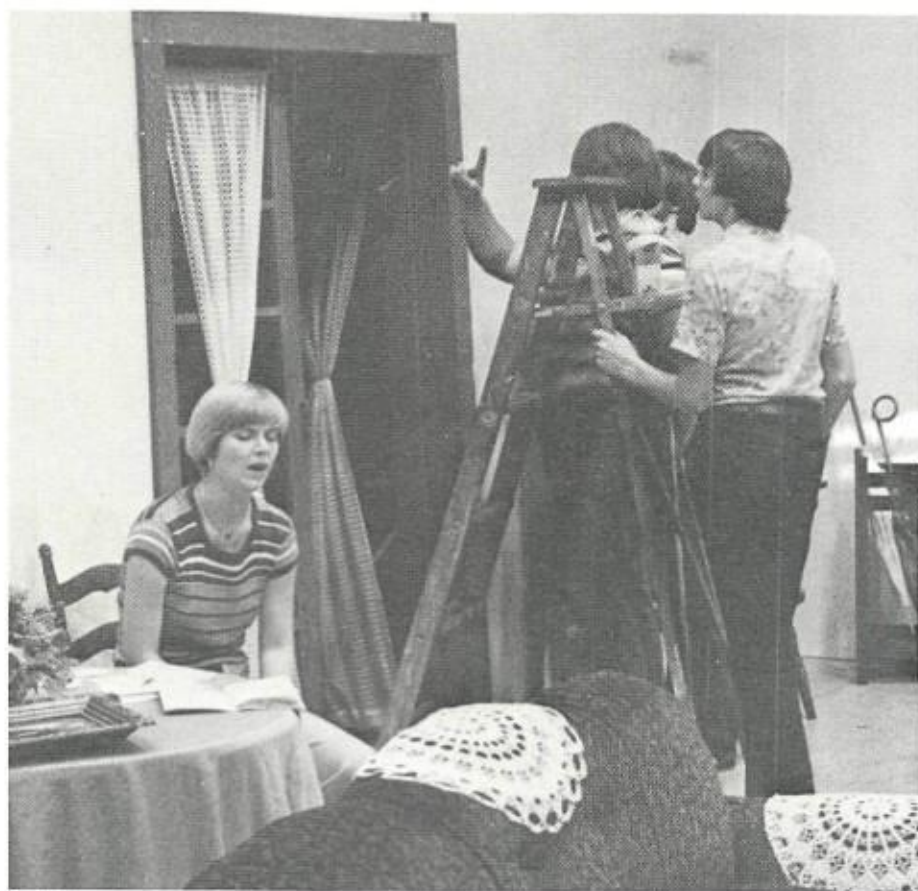

Set in Kent, England, Charles and Ruth Condomine (Brad Woolf and Sue Graeser) have a seance to get ideas for Charles' book. Along with the medium, Madame Arcati (Jean Ann Winget), the Condomines invite Dr. and Mrs. Bradman (Bill Short and Michelle Shaul) to the ghost-raising procedure.

Ruth became concerned

when she learned Charles' first wife, Elvira, (Jane Kerst) was trying to contact him. Ruth devised a plan to kill him but it backfired as Ruth herself was killed. Now Charles had two "ghost" wives bickering over him.

Working with the Bradmans and Madame Arcati, Charles found out the ghost raising was the fault of the maid (Tami Chamness). The ghosts then left and Charles was peacefully left alone.

Hobby Day Premier Pronounced a Success

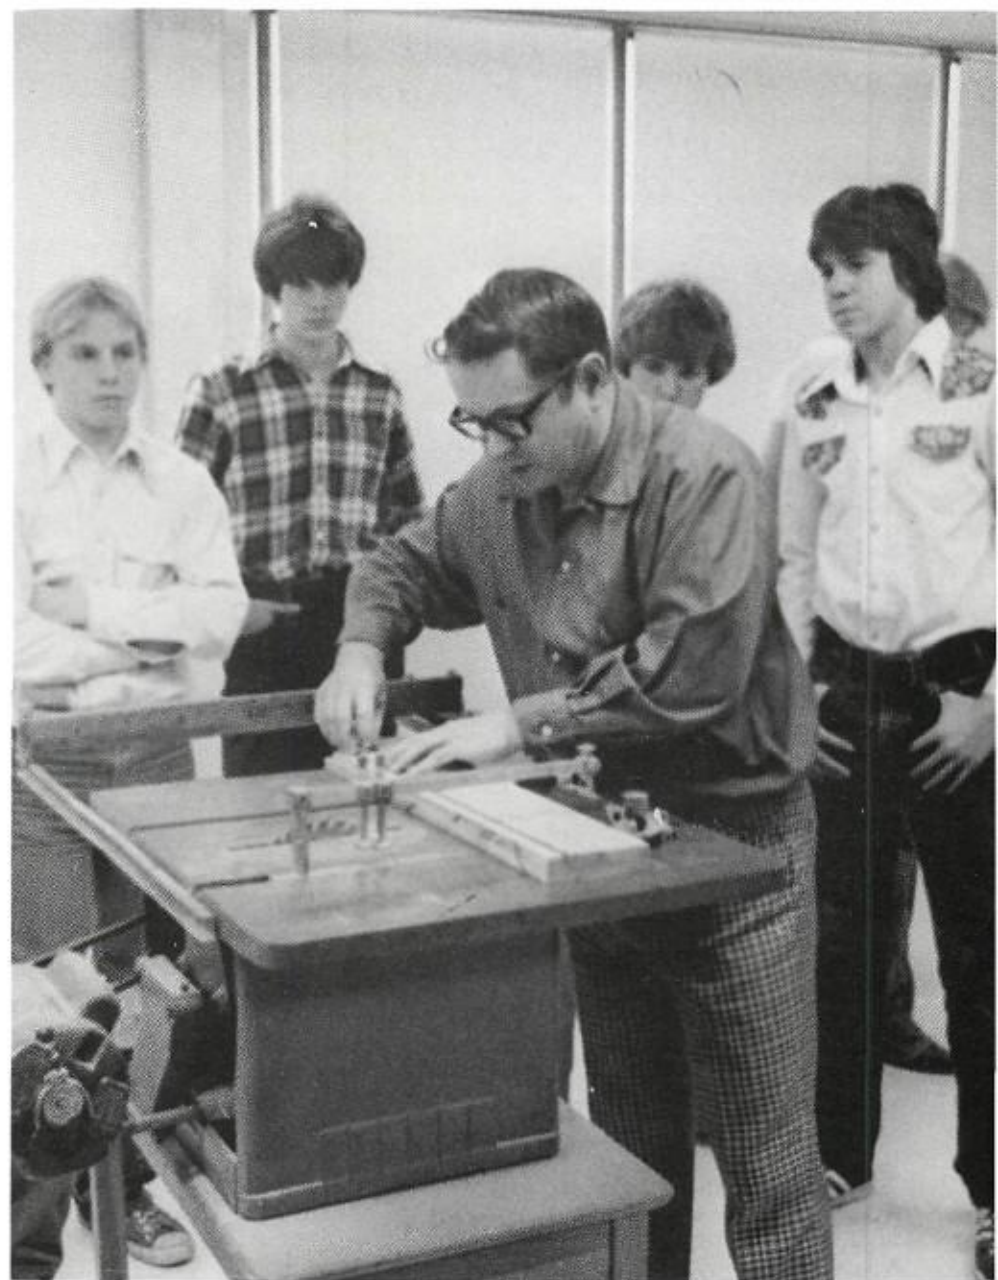

The Student Senate experimented with a new idea on November 23. Instead of attending regular classes, the students went to hobby sessions where teachers and community guests explained their various hobbies. The day was perfect for this as students were excited about the upcoming Thanksgiving vacation.

Many students were surprised at their teachers' pastimes. Hobby sessions varied

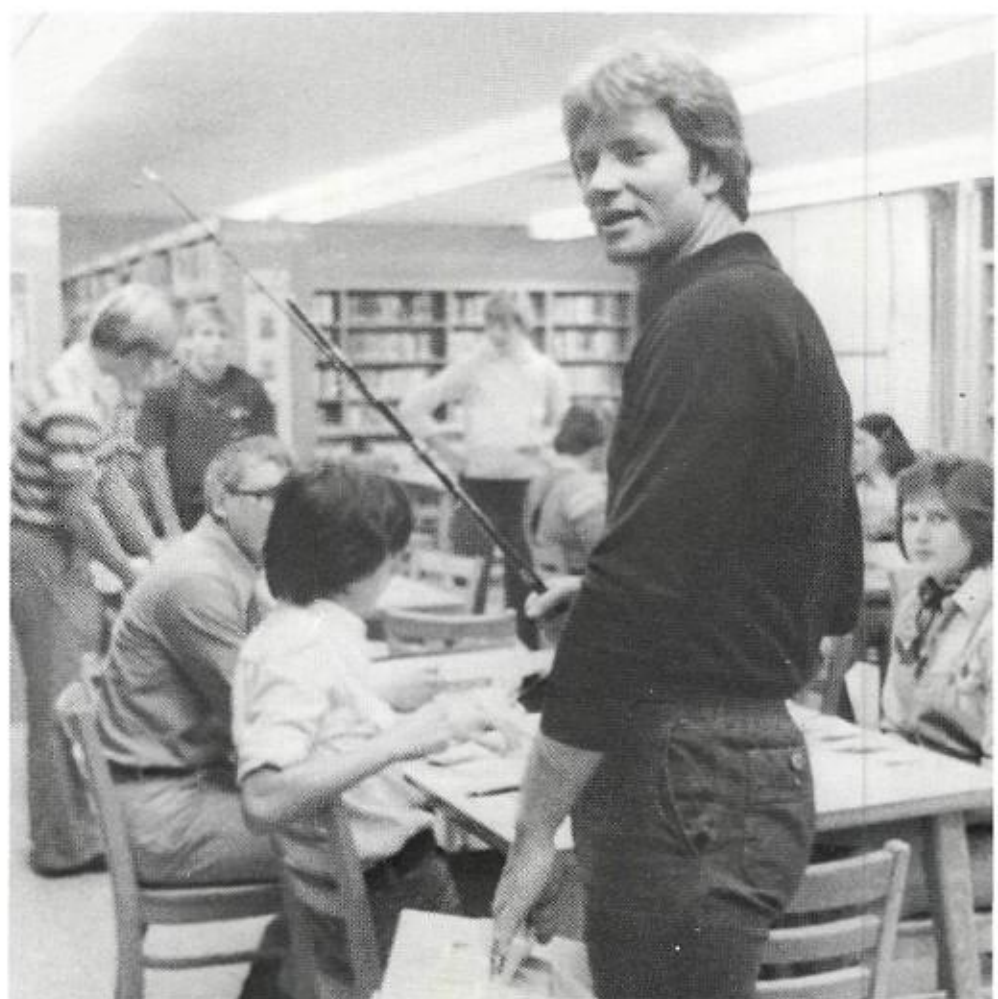

from music of the 50's to fresh flower arranging and from candy molding to physical fitness. A few teachers had guest speakers in to speak or demonstrate. One guest gave lectures on embalming procedures.

One problem with hobby day was the poor attendance as many of the students felt it was the perfect day to skip school. Many students who did attend felt it was a great experience.

Assemblies Provide a Variety of Entertainment

Music, dancing, drama and a taste of the martial art of karate provided the student body with entertainment. Each was enjoyable, but the real crowd pleaser was the mountain music performed by Bud and Karen Bell. Many students clapped to the music and even some dared to dance.

Students from Ohio Northern University performed a condensed version of Shakespeare's

The Taming of the Shrew. The group included six cast members and their teacher/director. The group traveled from school to school performing and earning class credit for each production.

The bands, sophomore and eleventh/twelfth grades, played several Christmas songs for their seasonal concert. The assemblies were sponsored by Student Senate, the English Department, and the band.

A First—Two Redskin Revues!

For the first time in Wapak chorus history, a second Redskin Revue was held. The first Redskin Revue was held November 18 and 19, 1977, and because of the great response the second Revue was presented on March 3 and 4, 1978.

Redskin Revue Part I consisted of twenty acts ranging from piano solos to comedy routines. The chorus presented two numbers—"Twentiana" under the direction of Mrs. Marilyn Chadwick and "Smiles" under the direction of student teacher, Mr. Brad Kuchan.

Redskin Revue Part II con-

tained dances, solos and a magician. The chorus performed "Sentimental Journey Through the 40's" directed by Mrs. Marilyn Chadwick. The Revue ended with an altered version of Lawrence Welk's "Good Night, Sleep Tight . . ." which was well liked by the audience. On Saturday night the auditorium was filled completely for Redskin Revue Part II. It was so full that some ticket money had to be refunded.

The remarks and views expressed were ones of enjoyment for both Revues.

Sno Ball and Pep Bands Raise Spirit of Students

In the fall it's Sno Ball Band that marches through the halls, and plays at pep assemblies; in the winter it's pep band that plays at the assemblies and at the basketball games.

The pep band plays a variety

of pop songs such as "Fly Robin Fly," "NBC Sports Theme," and "Rock Around the Clock." The Sno Ball Band plays the songs that they will march to that night at the football game.

Bands Perform Five Concerts

Concert and stage bands, under the direction of Mr. William Trunk and Mr. Ronald Fahncke, held five concerts. Three of these concerts were performed by the concert bands, consisting of a sophomore band and an eleventh-twelfth grade band.

Two concerts were given by the stage band which is known

as the jazz band. One concert was for the local O. E. A. banquet and the other for the Bill Chrismer Memorial fund.

The climax of the band season was the banquet provided by the band parents. The seniors and outstanding band members were honored.

Shotgun Pa and Marryin' Sam Convene at Local Dance

The annual Sadie Hawkins Dance, sponsored by the Y-Teens, was held March 17. The gals and guys were entertained by the music of "Penjendrum" at the Northridge Elementary gym from 8 to 11 p. m.

The Sadie Hawkins Dance is when the tables are turned—the girls ask the guys to be their dancing partners. Many girls came dragging the guys in by their suspenders. The Y-Teens sponsor the Sadie Hawkins Dance as a tradition, and also to make

money. There are many preparations to take care of before the dance. The decorations have to be made, the date has to be set, and the gym secured. Policemen have to be hired and chaperones found.

There were slow dances, fast dances, and even a square dance. Working the Hitchin' Post was Mr. Richard Chadwick. Each couple received a Hitchin' License and a ring. Mr. Jim Neumeier was the "Shotgun Pa."

My name is Franziska Hemken from Kiel, Germany. I am having a great time in Wapakoneta not only because I found a wonderful family to stay with, Mr. and Mrs. Robert Dicus, but also because of the time I spend in the Wapak Senior High School.

In Germany my family is not as large as here. There are

my mother, a housewife, my father, a pilot on the Kiel-Canal, my brother and my sister-in-law. I really do not like to leave this summer after all these nice months I have spent and I would love to come back some day because I regard the U. S., Ohio, as my second home.

FRANZISKA

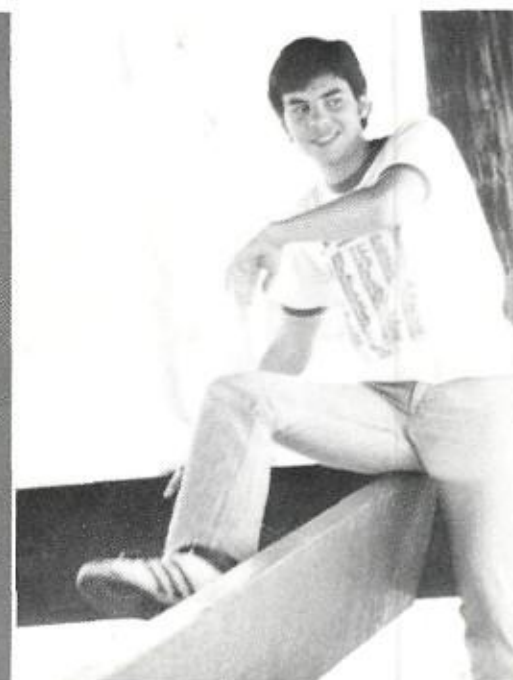

Exchange Students Represent Three Continents

My name is Greg Krey and I am an exchange student from Greece. My hometown's name is Karala and about 60,000 people live there. My father is a commercial representative and my mother works for the Olympic Airways. I came to the U. S. in mid-August and I'm spending the year with the Nevergall family. I'm going back home in July. In January 1979 I'm, hopefully, coming back to the states to attend the School of Ozarks in Missouri where I'm planning to study sociology.

GREG

MARKKU

My name is Markku Viljaranta. I come from the southern-east part of Finland. Forssa, which is about 70 miles from Helsinki, is my hometown where I have lived my whole life. I have one brother who is 23 years old and is a cook. He has a small hamburger place of his own. My mom has a leather shop where she works almost every day, and my dad is a sales representative.

Now after living here in Wapak for about a year I've learned to like it almost as much as I like Forssa. I have really

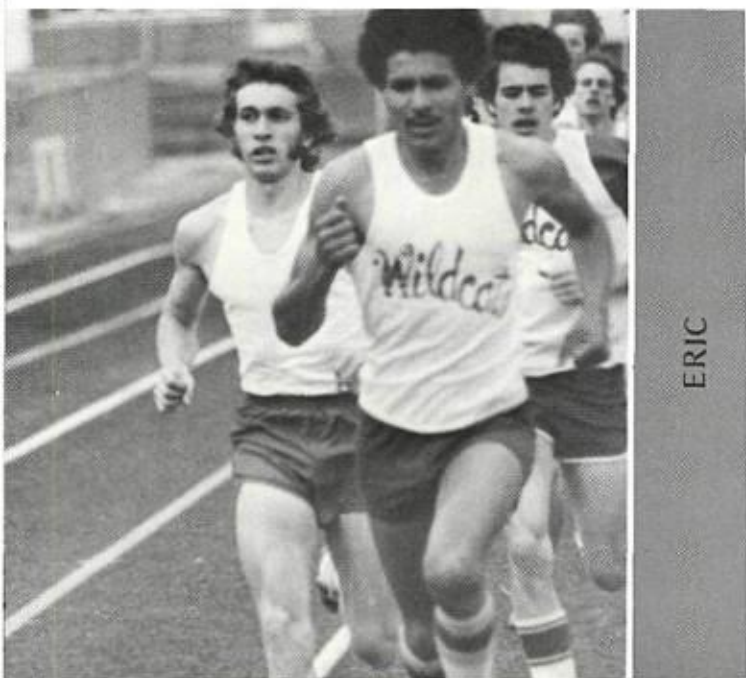

enjoyed my YFU (Youth For Understanding) year and thanks for that belongs to all of you, but especially to my super-good family the David Smith family. The feeling I have there is so home-like that I haven't even missed my own home in Finland. I want to thank them and all of you for being so nice to me. You are the ones who made this year unforgettable. I hope to come back soon and visit you all.

CARLOS

My name is Carlos Falcao. I'm from Brazil. I come from a big city and a different kind of people and customs. I didn't have any idea of what I was going to see or experience. I stayed with the Blossers. I have three American sisters and my mom and dad, and I love them very much. I have learned very much from them and I'm sure that I'll never forget them. I have had a real good home.

An exchange student's experience is also made by the host city and the people who live in it. I'd say I was lucky to come to Wapak. You gave me a very nice stay. I hope to be back some day to see all of you. Thank you for all the memories.

ERIC

My name is Eric Van Vaerenbergh. I am an exchange student from the Dutch part of Belgium. I have one Belgian brother who is older than I am, and here in Wapak I have two sisters. I lived with the Numbers. Being here in the U. S. was quite an experience, especially because there are so many differences in the Belgian and American way of

life. But although it was different, it doesn't mean that it was bad, rather the opposite.

I am really glad I had the experience. It will always remain in my mind. It makes one feel happy when one knows he has always a place to go in a country so far away. I thank you all for the marvelous time I had here.

My name is Margaret Bonsma. I am a Rotary Exchange Student from the Republic of South Africa. I live in Pretoria which is the capital city. It is in the province of the Transvaal and is 36 miles north of the well-known city of Johannesburg. It has a total population of 565 thousand people. It has a very hot, dry climate and it never snows!

At home I have one brother and one sister. My sister Gretchen is 14 and Rocco is 16. Dad is a building contractor and my mom is a nurse. Gretchen attends the same school as I did, Pretoria Girls High School, a public all-girls school. Rocco attends our brother school, Pretoria Boys High School.

As a Rotary Exchange Student I have to live with more than one family during my year in America. I arrived on January 16 and my first family was the Leffels—Ken, Carolyn, Shelli and Kendra. I'm presently staying with the Bells and my last family will be the Pembertons.

I love America and the American people. They are a friendly, warm-hearted people. I want to thank them for showing me the love and kindness they have since I arrived. I have made many friends that will always be very dear to me. I hope that many people will go on a venture such as Rotary, American Field Service or Youth for Understanding because it is a truly wonderful experience.

My name is Linney Arroyo and I'm an exchange student from Columbia. I have been here in Wapakoneta since the 21st of January and I will go back to Columbia July 19.

There are seven people in my family—my parents, four sisters, and one brother. My dad is a cattleman and my mom is a housewife.

I'm living here with Mr. and Mrs. Dale Stiles. There are five people in my American family, two sisters and one brother. My American father is a farmer and he also works at the Ford Motor Company and my mother is a housewife. I'm very happy living with them.

I'm enjoying my stay in the United States and I hope to come back again, someday. I would like to thank all of my friends who made my stay in the United States so memorable. Thank you.

Tear Along the Dotted Line Becomes Thespian's Biggest Hit

The Thespian Club presented *Tear Along the Dotted Line* for its annual spring play. Written by Jules Tasca, the play was centered around the communication gap. Stephanie and Judy, played by Jane Kerst and Jeannie Geren, moved to a shabby apartment for the purpose of attending college. The landlady, played by Jean Ann Winget, and her son, Rudolph the "Paper and Pencil Man," portrayed by Mike Neumeier, created the typical unsophisticated landlord family.

Stephanie's overprotective mother, Mrs. Newcombe, played by Sue Smith, added to the spider-webbed confusion by her

discovery of baby treatments and magazines left by Stephanie's pregnant neighbor, played by Cathy Bell. Mrs. Newcombe's secret and frequent attempts at cleaning her daughter's apartment created tension for the teenaged girls.

Mrs. Newcombe inaccurately accused Stephanie's boy friend Kurt, played by Brad Woolf, of being the reason for her daughter's pregnancy. The play ended with Stephanie and Judy leading their own lives, and the Christmas spirit prevailed when the two girls spent the holiday with their families.

Rock Star Captures Hearts of Teenage Girls

The lights were doused as silence fell over the audience. Then from the speakers burst the rollicking overture of *Bye, Bye Birdie* as candid photos were flashed on the screen in front of the stage.

This all occurred in the WHS auditorium the weekend of May 19, 20, and 21. The annual chorus musical was *Bye, Bye Birdie*, about a rock star who was drafted into the army.

The show started with music and slide pictures of the cast. There were individual shots, group shots and various poses of Conrad Birdie. The pictures showed excitement, agony, love and devotion.

Conrad Birdie (Peter Frame) was the rock star who traveled to Sweetapple, Ohio, to bestow one last kiss on Kim MacAfee

(Angie Neuemeier), as arranged by his manager Albert Peterson (Roger Herriott), who was also a mamma's boy. Albert's mother, Mae Peterson (Michelle Werner) was a domineering woman who disapproved of her son's relationship with his secretary, Rose Alvarez (Sherry Naylor).

While in Sweetapple, Kim has just been pinned to Hugo Peabody (Greg Cowger) and in the telephone hour the teenagers of Sweetapple discuss the pinning of the two. Hugo becomes very jealous of Conrad and during the Ed Sullivan show Hugo hits Conrad and ruins the show. The ending is a happy one with Albert telling off his mother and marrying Rose. Conrad goes into the Army and Kim and Hugo resume a happy relationship.

Below: One aspect of *Bye, Bye Birdie* concerns the growing up of teenager Kim MacAfee. In this scene Kim tells her mother (Cathy Carter) that it's modern to call a mother by her first name.

Summer Breeze Provides Cover for Unpredictable Weather

Summer Breeze provided a beautiful background for a rainy prom night. The weather outside was unpredictable with rain off and on, but all that was forgotten once the couples entered the Apollo Joint Vocational School cafeteria. The cafeteria was transformed into a summer setting with flowers, a rainbow, a bridge and table favors of vases with artificial flowers.

The music was provided by Lust. They performed anything from hard rock to mellow rock.

Following the formal dance, there were various parties and post prom held at the Sidney

Y. M. C. A. At the Y. M. C. A. there was dancing for those who did not attend the formal dance and also for those who did not get enough dancing at prom. The music was provided by a disc jockey. Other activities included a gambling casino, swimming, racquetball, and basketball.

Some had had enough for one evening after post prom and went home for some sleep; others went out for breakfast or to a party.

Prom is a long night but a lot of fun—worth the lack of sleep.

Students Honored

The annual awards assembly was held Monday, June 5. Seniors, who had participated in graduation ceremonies on Saturday, returned for the two-hour long program. Mr. Harold Taylor, science teacher, was recognized in his last year of teaching for his many years of dedicated instruction. Many departments honored outstanding students and the new Retro staff was announced. The chess team, winners in its league, presented the league's traveling trophy to Mr.

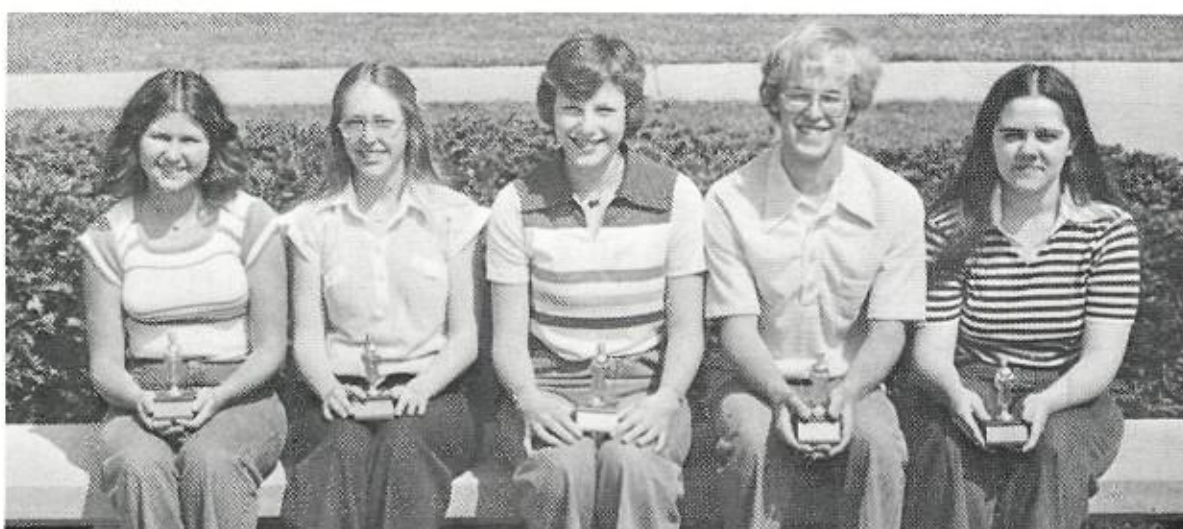

Marshall, representing the school. Two journalism books were presented by Quill & Scroll president Tim Hole, to Mrs. Poppe, librarian. Mr. Greg Myers, representing the Bill Chrismer Memorial Association presented the honor to Pete Frame, while Mr. and Mrs. Harold Chrismer looked on with pride. The ceremonies were concluded with student senate president Lori Bashour handing over the gavel to Deb Swartz and Julie VanSkiver.

Class of 1978 One of Largest To Graduate

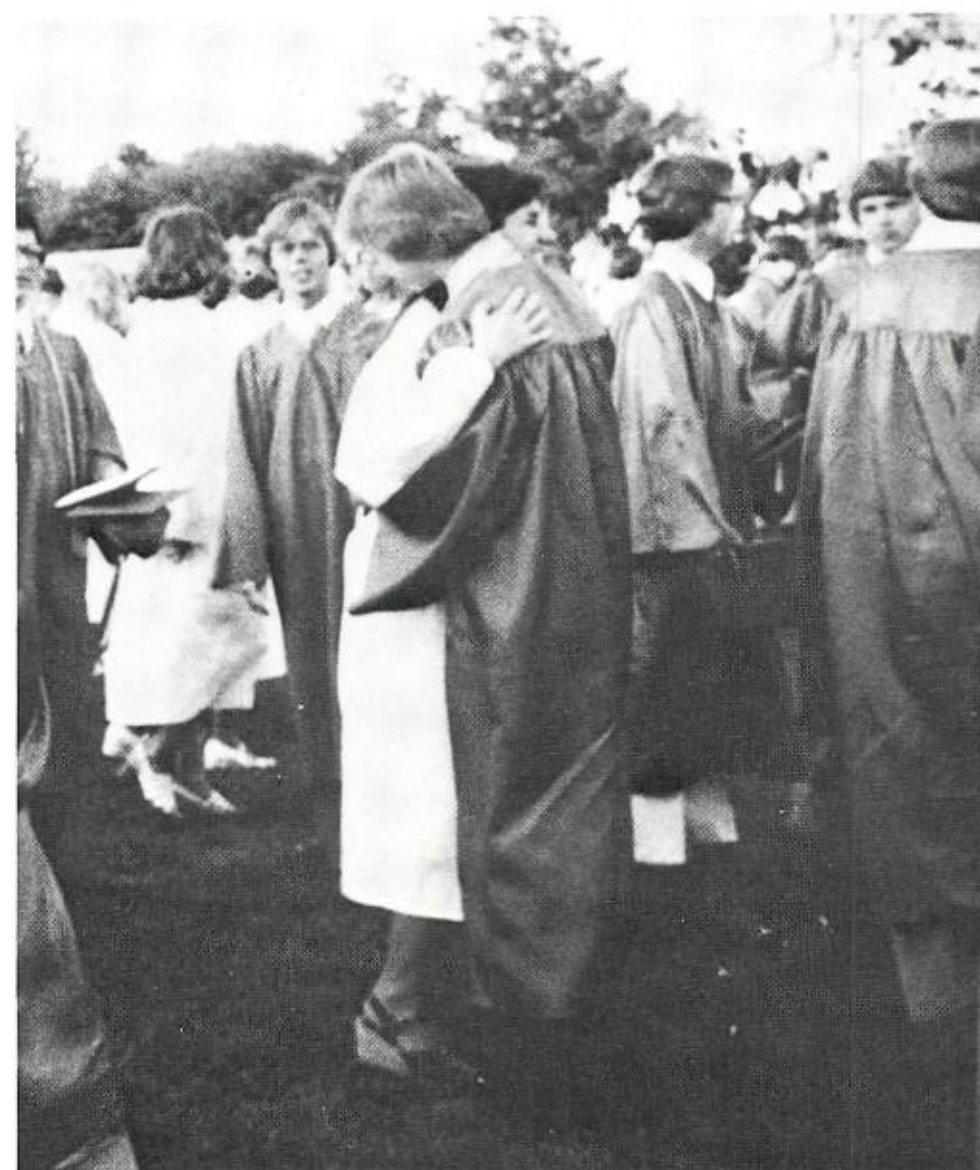

Commencement exercises took place June 3, 1978 at 7:00 p. m. in the high school football stadium. The graduating class of 1978, numbering 335, was led to the stadium in the processional by junior class president Dave Amos, and vice president Beth Huelskamp. The processional, "Pomp and Circumstance" composed by Elgar, was played by Mrs. Richard Frazier. The invocation was delivered by Reverend John E. Dodds of the Cridersville Church of the Nazarene. The senior chorus members presented "With a Voice of Singing" by Martin Shaw and "I Believe" composed by Drake, Graham, Shirl and Stillman.

Assistant principal, Mr. Douglas Graham, then presented the six honor students to speak. The six students, Cynthia Derringer, Lora Niese, Diane Stiles, Timothy Presar, Holly Recob, and Rachel Barber, spoke on the topic of optimism.

Senior class president Kevin Frymyer presented the class memorial, new stage curtains, to principal Mr. Walter L. Marshall. Mr. Walter L. Marshall presented the candidates for graduation to Mr. Harvey Bell, president of the board of education. Diplomas were presented by Mr. Harvey Bell and Mr. Leo Peterson, vice president of the Wapakoneta Board of Education. The seniors' names were called by Mr. Walter L. Marshall and Mr. Douglas Graham. Remarks followed by Mr. Harold K. Dahill, superintendent. Senior chorus members and the new graduates of 1978 sang the alma mater. The benediction was rendered by Reverend Louis E. Bell of The First United Methodist Church.

A shout went up followed by 335 red and white caps. The joy was epidemic. The class of 1978 left the football field amid relatives and friends—as graduates!

Clubs Promote Sharing

of Mutual Interests

There are a variety of clubs and organizations available for students to join. There are language clubs, business clubs and creative organizations such as art, band, and chorus. Each organization promotes the sharing of one's interests with others.

Many times it is hard for sophomores to become involved in school, but through various organizations, they begin to break the ice and involve themselves in the school.

Many organizations have seen changes over the

years. For example, women rarely joined the Future Farmers of America; but now, girls join also because they play an important part in farming and its various aspects.

Clubs also help the community. Student senate sponsored a carnival to raise money for muscular dystrophy. The money goes to help find a cure for this disease.

For many joining a club has been an important part of their high school life.

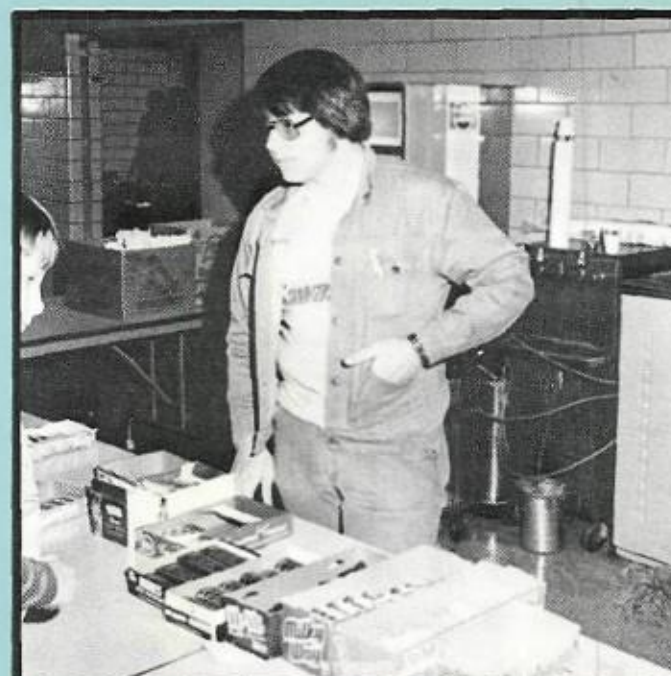

Right: To raise money, the Quill & Scroll Chapter sold Easter bunny pictures to friends and families of first graders at Northridge Elementary.

Members Prepare DECA Awareness Pamphlet

DECA members began a traditionally activity-filled year by maintaining a booth at the Auglaize County Fair. Member Jill Naylor attended the All-Vocational Youth Camp during the summer months and several members attended the DECA youth camp. Prior to the opening of school, members also took care of the state DECA fair booth at the state fair.

The school year was begun with members continuing the Pepsi Learn and Earn Project in the school and new chapter officers were installed at a ceremony held at the Chalet Inn. Initiation of junior members was also conducted. In the fall all members attended the fall delegates conference at Ohio Northern University. Donna Wright picked up a first-place honor for parliamentarian and Connie Lowther competed for Miss Ohio DECA. Officers attended the DECA state leadership conference in Columbus.

Members sold the traditional Homecoming mums and conducted a downtown parking survey for the Chamber of Commerce. DECA members also helped conduct the American Legion poppy drive. Money-making projects included the selling of candy bars, prom pictures, and pictures of graduates receiving their diplomas. Members prepared a pamphlet for community awareness of

DECA which received a fourth-place rating in state competition. The DECA advisory board raffled off a stereo which was won by senior Roberta Propst. The year culminated in a spring trip to Washington, D. C. for the national convention. Accompanying Mr. and Mrs. Robert Carmean were Joyce Kentner, Donna Wright, Ed Moran, Jill Naylor, and Tami Poppe.

Job placement is an integral part of DECA. Senior members receive credit and grades for their on-the-job duties. Members and their places of employment are as follows: Paul Cotterman, Miller's Dry Cleaners; Mark Dodds, Wapakoneta City Schools; Penny Gregg, McDonald's; Vicki Hampton, Bottom Half; Joy Haunhorst, McDonald's; Keith Hunsaker, Wapakoneta City Schools; Joyce Kentner, Coast-to-Coast Hardware; Roy Long, Fisher Cheese Co.; Doyt Lowry, First National Bank; Connie Lowther, Lazarus; Jill Naylor, McDonald's; Chris Marker, The Koffee House; Mary Randall, Cotner's Hardware; Marlene Schulze, Wapak Theater; Joni Shaffer, Chalet Inn; Carla Wuebbenhorst, McDonald's; Dave Wheeler, The Cheese Wedge; Don Wright, Brown's Vending; Donna Wright, Bi-Rite; Dennis Wycuff, Auglaize Lumber; Ron Lee, Val's Discount Department Store.

Junior I. O. E. Attends State Convention

The members of junior I. O. E. have accomplished many things. With the support of their adviser, Mrs. Miriam Lynch, Deb Craft was nominated for region treasurer at officer screening in September. Her fellow classmates helped her campaign at the region convention. This was an all-day event held in October. Even though Deb wasn't elected, she was a big winner.

In November many members attended the state convention in Columbus. It was truly a wonderful experience, although none of the girls ran for a state office.

Through the year, the juniors raised money in many different ways. The first was by selling their peanut crunch. They also set up a bake sale and a spaghetti supper; all of these were successful. Among the other things sold were candy bars, Christmas ornaments, candles, key chains, and Redskin buttons. During the basketball season they joined with the senior I. O. E. members and took over the coat check.

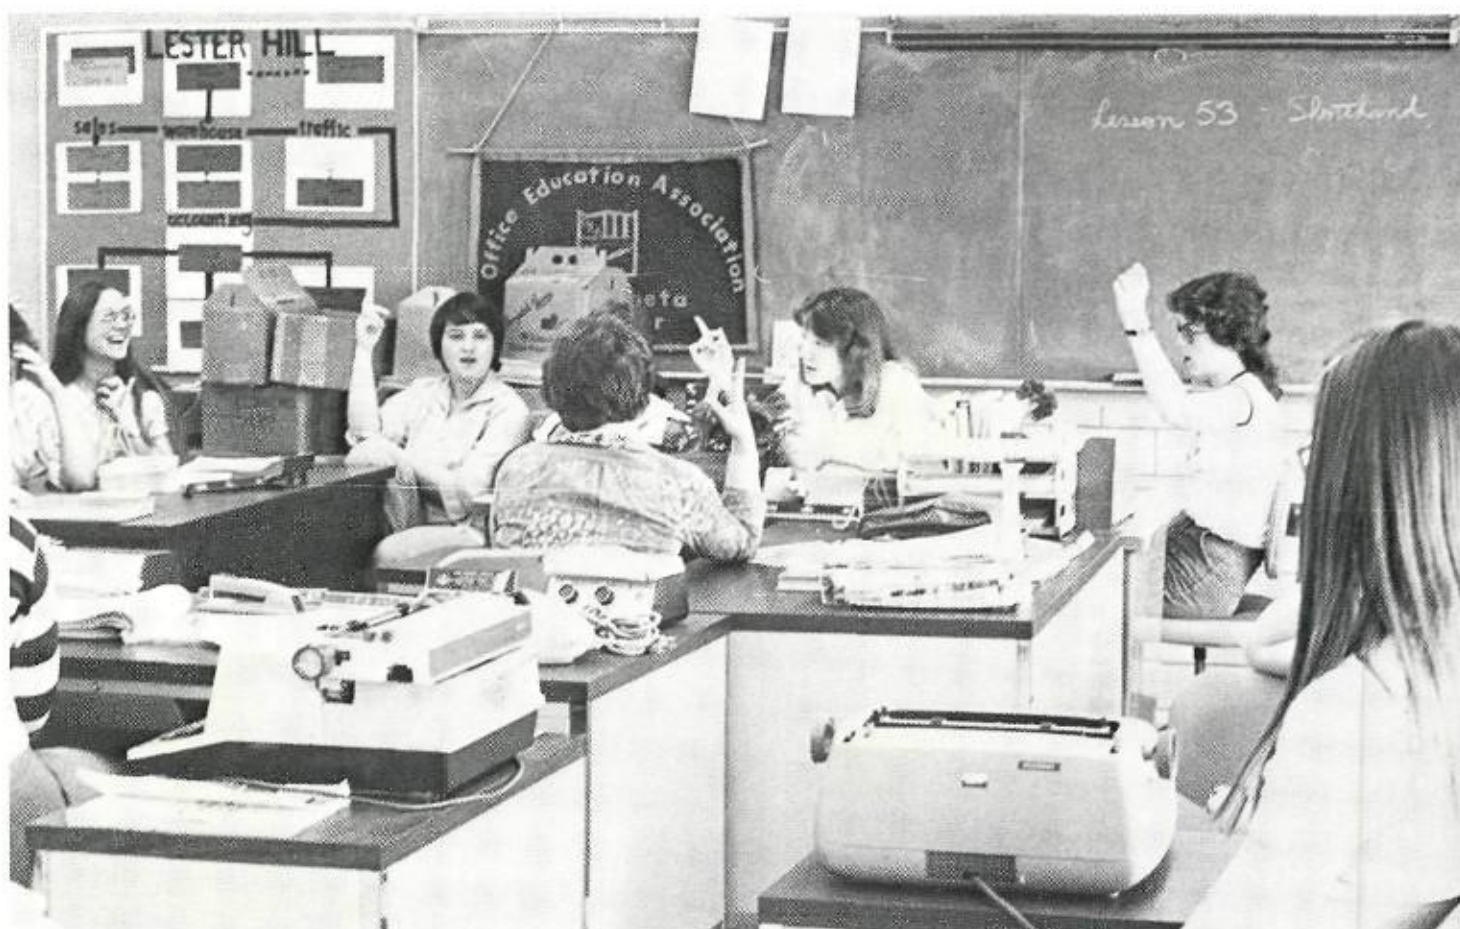

Along with all these things, they worked hard and learned a lot. It was a very good year.

I. O. E. Receives Chapter of the Year Award

Involvement and activity are what make a good club. The 1977-78 senior I. O. E. club did just that. The organization received first place Chapter of the Year award at region competition and second place Chapter of the Year award at state competition.

At the National Leadership Conference in Detroit, the chapter scrapbook, which Sandy Becker is in charge of, received fourth place. The state scrapbook, which was also compiled by Sandy Becker, state historian, was awarded first place. And at region competition the scrapbook received first place. Nancy Fisher was elected Region 15 president, along with Bev Symonds as Region 15 secretary.

The outstanding student award was given to Deb Koenig. This award was voted on by the senior I. O. E. students themselves. Nancy Fisher, Sandy Becker, and Bev Symonds were presented awards of distinction at the awards assembly.

Among the many fund-raising activities and services the seniors participated in are a car wash, a spaghetti supper and the coat check at home basketball games.

Job placement is an integral part of senior I. O. E. Those students in placement and their place of employment is as follows: Sandy Becker, board of education office; Jennifer Crumrine, Fisher Cheese Company; Nancy Fisher, principal's office; Donna Heinl, principal's office; Becky Klaus, Stahler Trucking and Leasing; Deb Koenig, Home Savings and Loan; Jayne Kuhn, Vistron Corporation; Michele Lanning, First National Bank; Barb Malueg, Gene Derringer, C. Five Compete at State Level

From 120 submitted project reports, biology instructor Mr. Mark Ewing then selected 30 projects to compete at the local science day contest. Local science teachers served as judges for the first step of competition. Then approximately half of the original 30 projects received ratings enabling the participants to go on to district judging held at

Ohio Northern University. Six received superior ratings at district, but only five went on to state competition at Ohio Wesleyan University. Dave Dukro, Steve Cummings, Jim Reese and Norma Dietz received excellent ratings at state competition and Amy Hormann received a superior rating.

F. H. A. Chapter Does Well at State

The Future Homemakers of America (F. H. A.) is an organization of young men and women who strive for a better future. The Wapakoneta chapter has 23 members advised by Miss Shirley Settlemire and Miss Mary Ann Burden.

This year the chapter has been involved in the community. Members held a style show for parents and friends. All the clothing modeled was sewn in the home economics classes. Joyce Schnarre and Kathy Mahoney also modeled at a district meeting held at Lazarus in Lima.

As its state projects, the chapter donated time and money to Columbus Children's Hospital and to the March of Dimes. Members raised money by going out into the community and asking for a donation equaling twice the donors' shoe size.

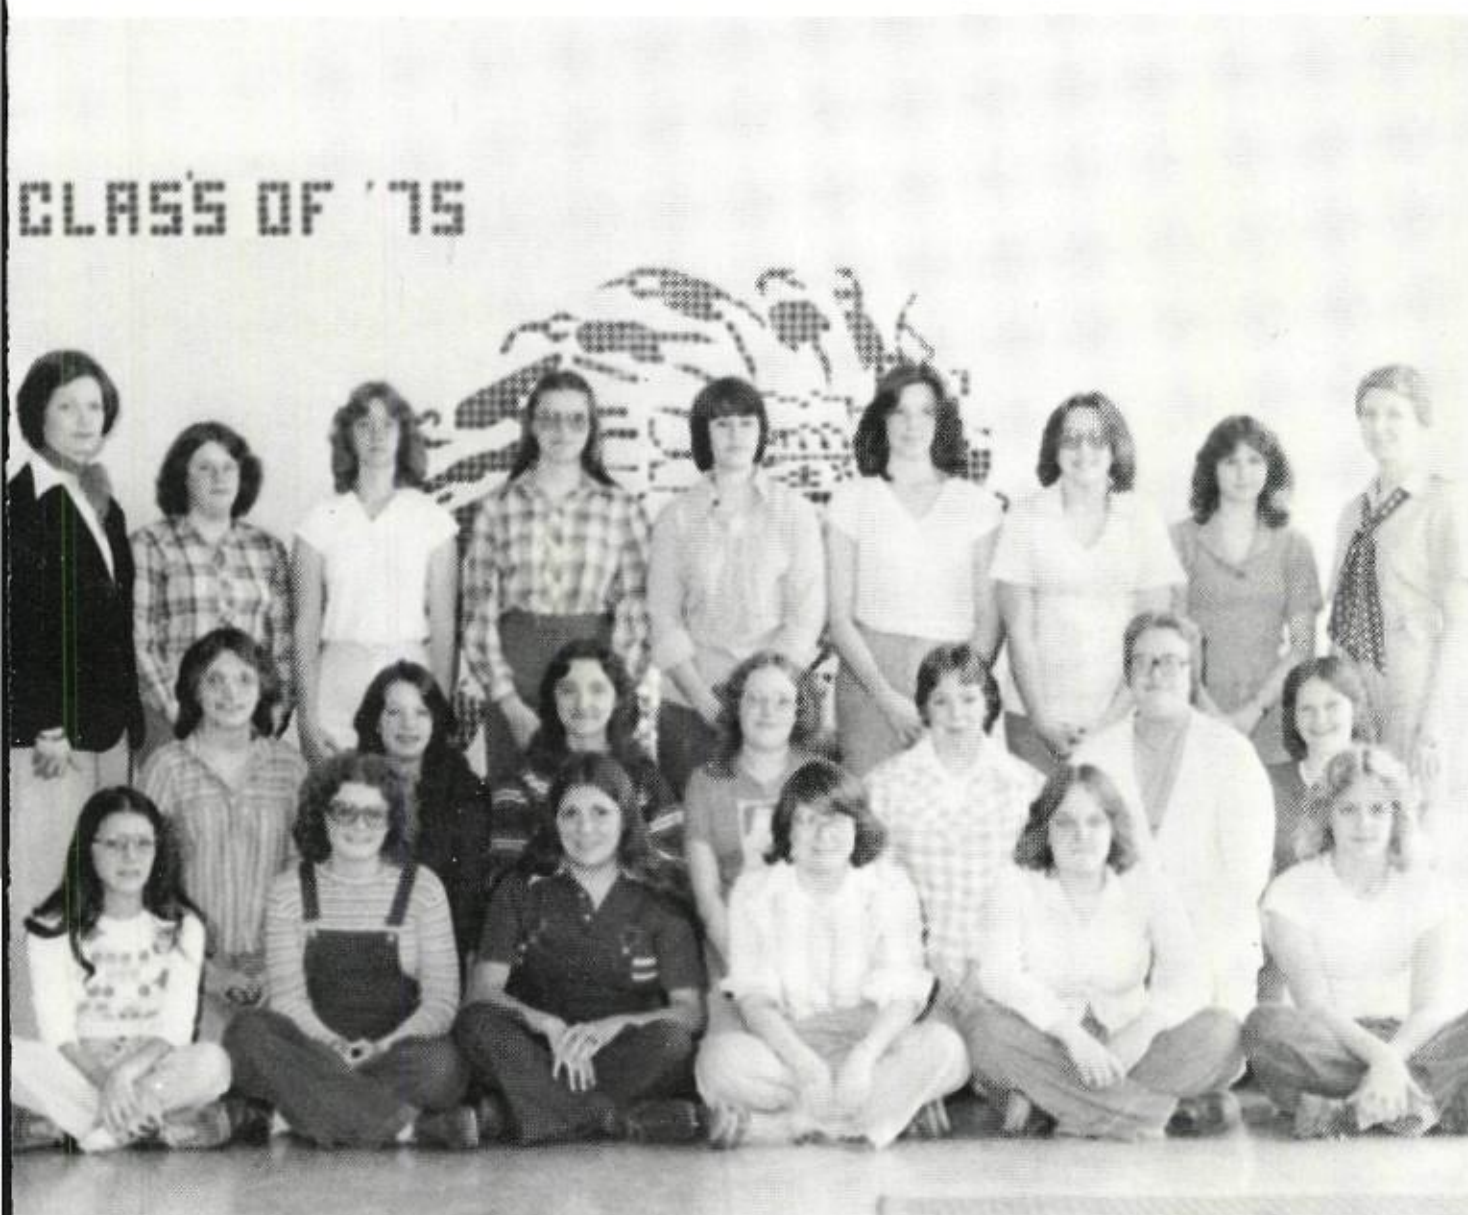

On March 10 and 11 the

chapter went to competition in Marion, Ohio. The girls worked all winter on their projects, and the effort finally paid off. Members received four first-place rankings, three second-place, and two third-place ratings.

On March 20, 21, and 22 the chapter went to Columbus for state convention. There all the first-place winners were honored. Also anyone getting degrees or special honors were recognized.

The F. H. A. banquet was held May 25 at the Central Savings Association community room. Here parents could witness the hard work put in throughout the year. Mr. Richard Chadwick and Miss Janet Bell were chosen as honorary members. Sharon Schneider was selected as member of the year. Also during the banquet, new officers were installed during a candlelight ceremony.

FFA Celebrates Golden Anniversary

The Future Farmers of America (FFA) organization marked their Golden Anniversary.

As with past years the Wapakoneta chapter kept extremely busy. Mr. Jan Miller and Mr. B. B. Feeser worked hard keeping the fifty members active.

One day during FFA week, February 19-25, corn was prepared and served for lunch by the group. Also many FFA members wore their blue FFA jackets on various days. One morning, along with the usual crowd of cars in the parking lot, an addition of tractors was seen.

At district competition for the Urban Soil Judging Contest, October 5, the team of Alan Davis, Tim Klaus and Lee Koch received a first place rating. Soil was evaluated for the use as farm land. Mr. Jan Miller coached this team.

In a public speaking contest, Rex Miller received a gold award for speaking on the FFA creed. Alan Davis received a silver award for an extemporaneous speech.

Other members receiving awards were Jeff Limbert, first in district and sixth in state for Agri-Business Processing; Jeff Smith, first in district and top

three in state for Nursery Operations and first in district and fourth in state for Turf and Landscape Management; and Bill Steinke, first in district for Fish and Wildlife and third in district for Farm Placement.

The FFA chapter held its annual banquet March 18. A buffet dinner was served in the gymnasium for members and their parents, and special guests. Door prizes were provided by area businesses. The group then adjourned to the auditorium where a barbershop quartet "Three Dubs and a Tub" entertained. Many awards were distributed. Mrs. Evelyn Rader was given an honorary Farmer Degree for all her help to the chapter.

Next came the big moment of the evening—the crowning of the queen. The three girls running were Theresa Steinke, escorted by Bob Lengerich; Janelle Krites, escorted by Mike Ritchie; and Beth Huelskamp, escorted by Kevin Frymyer. Janelle Krites was crowned 1978 FFA queen by 1977 queen Anita Steinke.

The night was finished with a speech given by John Settlege, North-Western Sectional FFA Vice President.

FBLA Does Well at District Competition

The purpose of FBLA (Future Business Leaders of America) is to acquaint the students with the business world and to prepare them for a career in business.

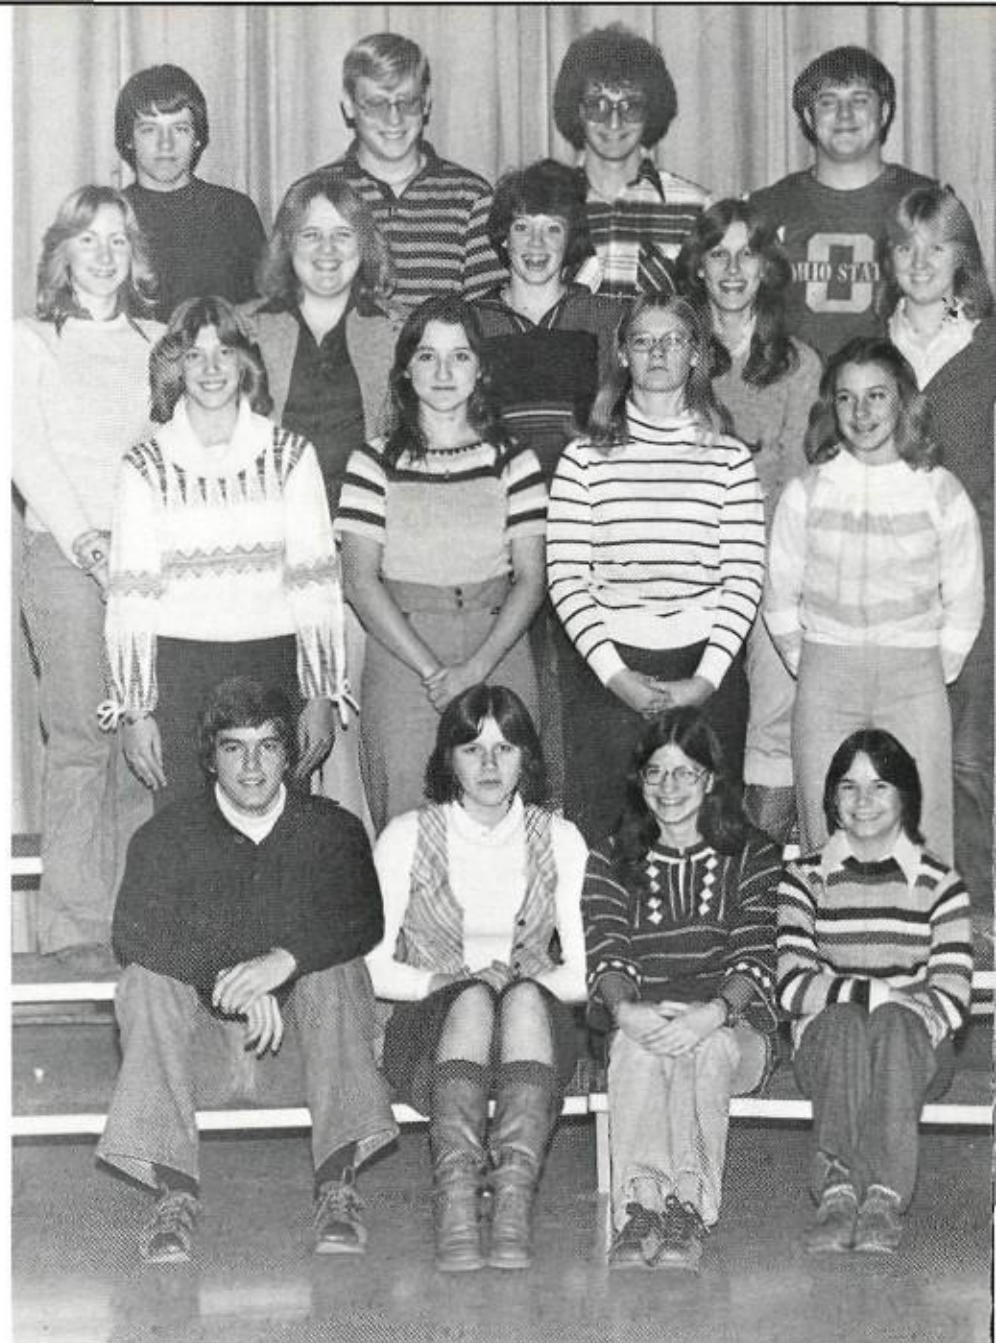

The 1977-78 FBLA Club had many activities this year. The club participated in the Regional Leadership Conference. Those attending were Mr. Daryl Ballweg, adviser, Sandy Moell, Leslie Niese, Jim Brown, Lisa Mongold, Henry Miller, Sherri Brandehoff, Valerie Bayliff, and Jodi Peterson.

At the district competition

held at Bath High School there were five members who received awards. They were Brenda Norman, third in spelling; Lisa Mongold, first in spelling; Deb VanGundy, first in Typing I; Sandy Moell, second in business math; and Kim Kemper, first in business math. These winners will now go on to state and, hopefully, national competition.

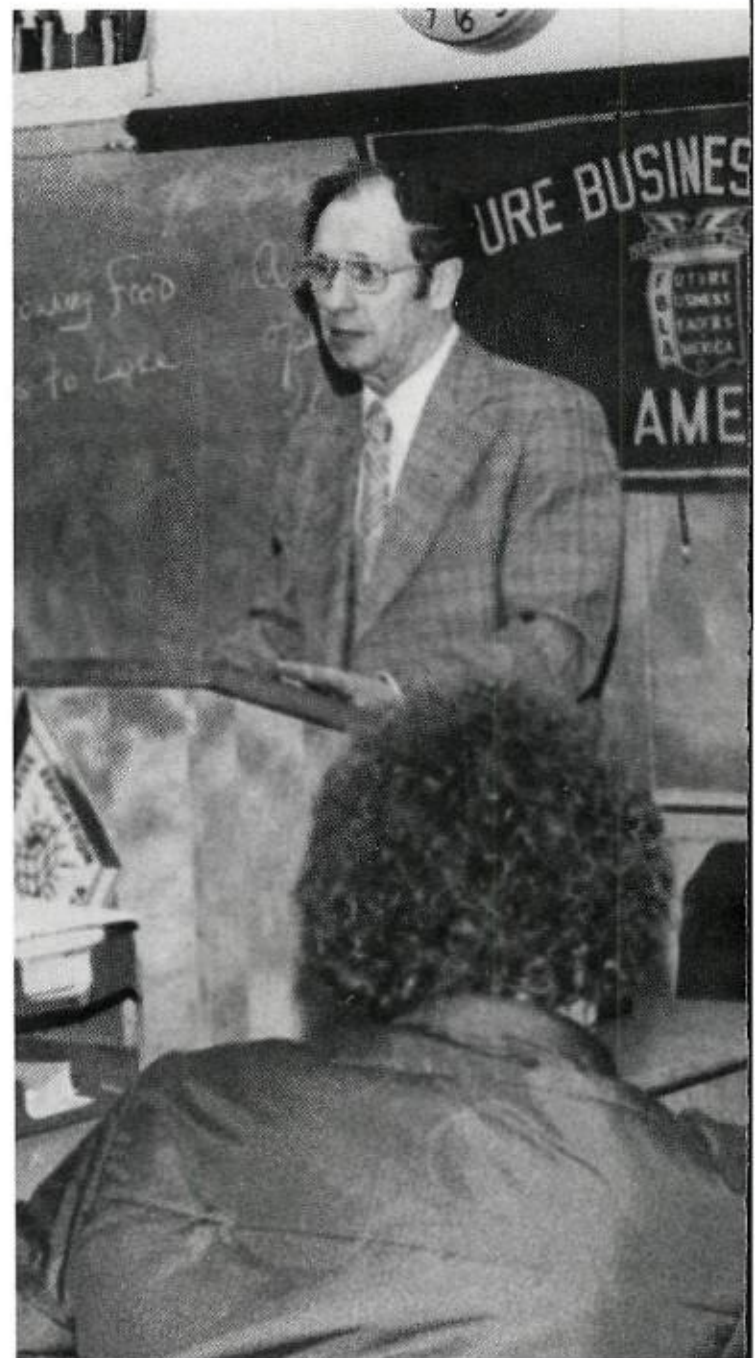

To pay for their various activities the club sold candy and the Tom Wat showcase which is a collection of items ranging from buttons to photo albums.

Future Teachers Gain In-School Training for Careers

Future Teachers of America (FTA) acquaints students with all the responsibilities of teaching. Classroom preparation is discussed so the members realize the full extent of a teaching job. FTA helps its members understand what will be expected of them when they enter college and eventually the teaching field.

Throughout the year, FTA members helped teachers, which gave them experience in preparing for classes. They were visited by Alfred Anderson, Professor of Education at The Ohio State University, Lima Campus.

They entertained children at the First United Methodist Church Day Care Center after school by telling stories and passing out treats.

Miss Linda Lee is the adviser of FTA. She said the club isn't big but it lets students know what would be expected of them should they decide to be teachers. The officers are Lori Niese, president; Linda Kaverman, vice president; Jane Hindenlang, secretary-treasurer; and April Nance, representative to the student senate.

Latin Club Becomes Active

Latin Club is open to anyone who is taking Latin or has completed one year of Latin. There are 22 members in Latin Club this year, and the adviser is Mrs. Jean Bell.

The members of Latin Club also became members of the National and Ohio Junior Classical Leagues. The Ohio Junior Classical League held its annual Latin convention at Athens, Ohio on April 7, 8 and 9. Twelve students and four advisers attended the convention in which the slogan "I'm a Latin Lover"

submitted by Amy Hormann won first place and will now be entered in national competition.

Latin Club members also participated in the National Latin Exam given March 8. The annual Roman Banquet was held in May. The club members also held a slave day, when students and teachers paid a nickle a job for any odd job they wanted done. This goes back to the old custom of Roman slaves. This day provided fun, profit, and enjoyment for the Latin Club.

Club Members Sell Items at Rastro

Spanish Club members by the year's end were preparing to set up the Pepsi stand for the Auglaize County Fair. Spanish Club members maintain the booth and profits go to the club treasury. The annual pot luck was again held, complete with a talent show of various acts. Exchange students from area schools are also invited.

The Spanish convention was held at Bowling Green State University. At convention a rastro was held. Members set up a booth at which they sold decorated bottles, "god's eyes," and burlap purses which had printed

on them "Es mi bolsa," (It's my purse!). Several work nights were held for members to prepare the sale items. Money from the sales is used to help students wishing to become exchange students.

As a community project club members played Santa and his elves at Santa's house in Grandview Plaza. During the year an excursion was taken to Ohio Northern University where members attended the Ballet Folklorico Mexicano. Mexican dances entertained the students. The year was concluded with a cookout at Ft. Amanda.

Two Members Elected to State Office

The WHS Spanish National Honor Society made a fine showing at state convention April 1 held at Bowling Green State University. The chapter received second-place honors in the state in overall competition

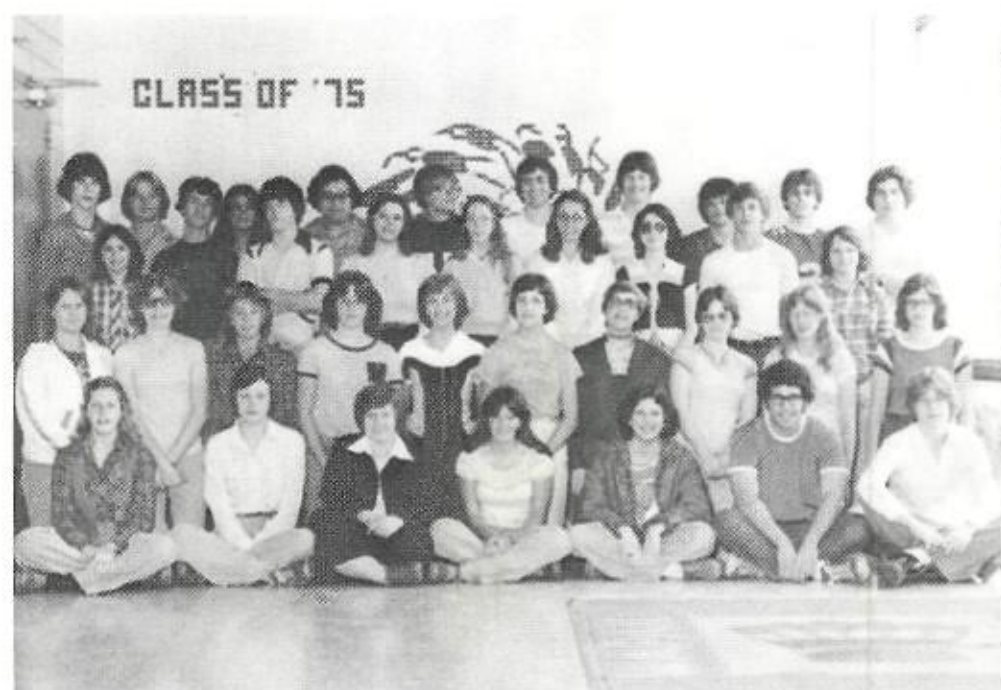

and accumulation of points. The banner entered captured first-place honors. Kim Timmerman was elected as president of the state Spanish honor society and Sheryl Behm was elected as first vice president.

French Club Reaches Quebec Goal

An active French Club worked toward their trip to Quebec, Canada, taken every other year. As in many other school related activities, weather played a big role as snow days held up trip arrangements and hindered fund raising. Members were finally allowed to make the trip, after much worrying, on the day before the official end of school.

Through the activities of all the dedicated members, revenues

were far in excess of expectations enabling several people to make the trip to Canada. Some of the money-making projects were: numerous bake sales, raking leaves for the community, and a car wash. Having a concession stand at the track meets and selling candy bars to the student body provided the majority of funds for the trip. French Club adviser is Miss Carol Krantz, who has for several years now organized the trips to Quebec.

64 Inducted Into National Honor Society

Sixty-four new members were inducted into the National Honor Society at a formal ceremony held April 27. Thirty-two seniors and 32 juniors met the honor society requirements and were "tapped" in school two days before the evening's ceremony and dessert buffet. The purpose of the formal candle-light ceremony, according to adviser Mrs. Jean Bell, is to impress the objectives of the society upon new members and to make their induction a meaningful and distinguished occasion.

NHS is primarily a service organization, serving the com-

munity in various ways. During the Easter season members made baskets and delivered them to residents of Defiance Commons. Two paper drives were held in the spring and society members again helped in the Dollars for Scholars car wash in May. A primary activity of the organization was a tutoring program at both Northridge and Centennial elementary schools. Members helped students in all grades at the buildings. Holly Recob was responsible for the program at Northridge and Pete Frame took responsibility at Centennial.

Quill & Scroll Snaps Bunny Photos

For the first time in several years, the WHS Quill & Scroll chapter became active. Quill & Scroll is an honorary chapter for high school journalists which strives to promote good journalistic standards. Members are nominated by advisers of the Retro, the Lantern, and the video-communications club for having performed an outstanding job. Members must also meet the minimum academic standard of being in the upper third of their class.

The first item of importance for the chapter was to raise money. Members used the photographic talents of Retro head photographer Tim Carrig and the "bunny" talents of Dean Slusser for their money-raising project. In February pictures were taken of first-grade students at

Northridge, visiting with Mr. Bunny. Large 5 x 7 inch prints were then sold to eager parents in time for the Easter season. Much money was raised and hopefully this will become a traditional fund-raising project.

In March Quill & Scroll members held a workshop at Blume Junior High for prospective members of the yearbook, newspaper, and video clubs. Along with a description of each media's activities, high school courses in the areas helpful to a study of journalism were explained.

The Quill & Scroll chapter now wishes to establish a bookshelf in the library with books and materials which will encourage and promote those who are interested in good high school journalism and careers in the field.

Below: Quill & Scroll members are Cindy Rickert; Jamie Bailey, vice-president; Tim Hole, president; Sandy Becker, secretary-treasurer; Sandi Parsons. Dean Slusser was not present for the picture.

Lantern Experiences Staff Changes

The Lantern, under the direction of new adviser Bernadette Bokerman, published nine monthly issues. The Lantern strove to inform the school and community by the use of good journalistic standards. During the year students learned all the various components needed to put a newspaper together.

The Lantern experienced three editorial staff changes

during the year. The year-end editorial staff consisted of Beth Crow, editor-in-chief, and Michelle Shaul and Bonnie Lusk as junior editors.

Besides publishing, the Lantern staff members conducted bake sales and sold refreshments at the Sadie Hawkins dance to help provide financial support for the publication.

Retro Staff Incorporates Changes

Armed with a battery of new ideas and techniques the Retro staff plunged forward into the task of producing the 1978 Retro. The work year really began in the summer, with editor Jamie Bailey and photographers Tim Carrig and Tim Pierce attending week-long sessions at Ball State University, Muncie, Indiana. Several new staff members, along with assistant editor Cindy Rickert, spent two days at the Chalet Inn at a workshop sponsored by Taylor Yearbooks. Then when school began, the staff was in full force, working around the ladder which the editor provided, selling ads, and learning about drawing layouts and writing copy.

On Saturday, October 15, several staff members for the second year attended JAOS' (Journalism Association of Ohio Schools) Fall Intensive Seminars at The Ohio State University. Keynote speaker was Joe Murray, 1977 Pulitzer Prize winner. Sessions were then conducted on yearbook special effects, layout, copy, and photography. Perhaps the biggest thrill of the day came when Retro staff members gained entrance into Ohio Stadium. There they ran for 50-yard touchdowns and Mrs. Pat Johnson, adviser, got the aspiring Buckeyes to pose for a picture. The day in Columbus was completed by dinner and a shopping tour of the French Market.

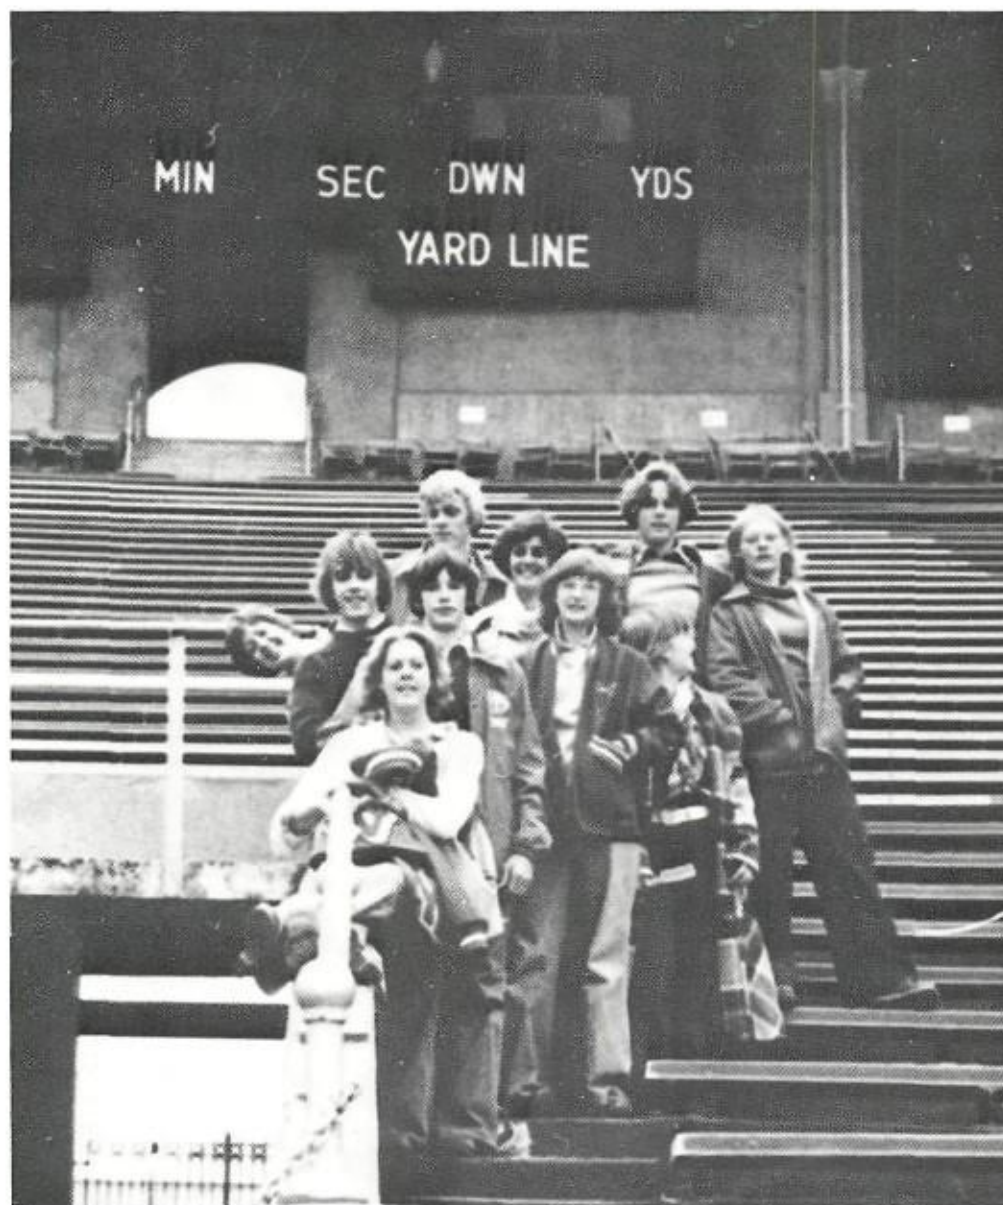

The 1978 Retro staff was comprised of a large number of

sophomores, new to the job of yearbook production. Therefore, many workshops were held to prepare the new workers. One workshop which all members attended was given by Henington yearbook representative Mr. Paul Whitaker. The staff members took the day off school to work in the community room of Central Savings. Proper layout and ad selling were emphasized greatly.

Many changes have taken place in the yearbook. A consistent style of layout was followed, along with more emphasis being placed on copy. "Good journalism style" was the key phrase for all aspects of the book. The staff ran into some stormy weather when the yearbook company was changed in the fall of the year. The staff had to make a drastic adjustment, changing from the layout pattern of Interstate Yearbook Company to that wanted by the new company, Henington. The storm was weathered and everyone gradually became accustomed to the new rules.

One of the prize aspects of the 1978 Retro is its expanded use of color. The staff was hard-pressed to meet the April 1 deadline for color pictures when record snows cancelled 16 days of classes in December and January. Many frustrating days were spent organizing photo sessions, only to have them cancelled by mother nature. This also caused some minor delays in the production schedule for the staff, frantically working to meet the early deadlines.

Art Club Sells Gumpies

Creations Unlimited, the art club, was under additional direction. Along with art instructor Mr. Richard Chadwick, Mr. David Gast, a student teacher from Bluffton College, helped get some projects off the ground. The student directors of the art club are Dean Slusser, president; Marge Koenig, vice president; Cindy Chrismer, secretary-treasurer.

In the spring cloth bean bag

frogs were constructed from scraps of material. These floppy-looking creatures became known as "gumpies." Other talented students prepared cookies, cupcakes, candy and other goodies for a grab bag sale. Money received from the sale of the "gumpies" and the grab bags was put into the bank toward the purchase of camera equipment in the future, for use in the art department.

Students Assist in Library

A vital asset to the library program is the students who give up their study halls to assist. The library club, under the leadership of librarian Mrs. Wendy Poppe, is organized to acquaint students with the routines of a library. Student assistants learn the Dewey deci-

mal system and help other students with materials. Aides also have the responsibility of keeping current magazines and newspapers on the shelf. With the assistance of these people the library becomes a more efficient operation for student use.

Band Brings Crowd to Its Feet

Once again the swingin'est band in Buckeye land lived up to its reputation. Under the direction of Mr. William Trunk, and head majorette Tonja Hunt, the band received many standing ovations and warm reponses from the fans. They marched and boogied to tributes to Elvis Presley, Tommy Dorsey, Benny Goodman, and Duke Ellington.

In addition they also had the honor of marching at the Bath spectacular, the Marion Local band contest, and a football game at Wilmington College. They also marched in the Halloween parade and led the snake dance for the Homecoming. As the saying goes, "There ain't no band like the Wapak band."

At Christmas Time the Redskin Chorus Prepares for Holiday Mood

The Wapakoneta Senior High School chorus presented its Christmas concert on December 20, 1977, singing all types of traditional and popular songs, ending with the Hallelujah chorus. Other selections included "Silver Bells," "Twas The Night Before Christmas," "Gloria in Excelsis Deo," and "The Twelve Days of Christmas."

The Orpheus Singers were featured and the soloists included:

Angie Neumeier, Greg Cowger, Dean Slusser, Lisa Braun, Sandi Parsons, Roger Herriott, Bonnie Lusk, Cathy Carter, and Kim Timmerman. The concert was directed by Mrs. Marilyn Chadwick and accompanied by Rachel Barber.

Other performances included Redskin Revue Parts I and II, and the musical "Bye, Bye Birdie."

Chessmen Capture League Title

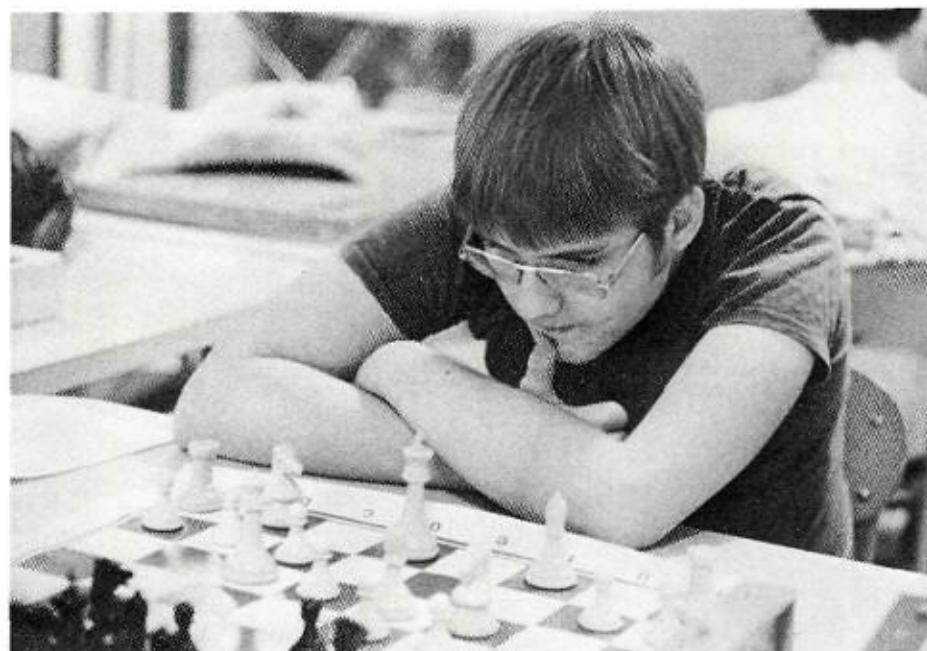

League champions—that's what title the chess team members can proudly claim. The team members with a 13-0-1 record easily snared first place in the Indian Valley Chess Conference (I. V. C. C.) League. Piqua came in second in the league, having a record of 11-1-2, with the championship loss coming from the Redskins. Redskin chessmen brought home state honors, too, with five team members traveling to Columbus to play in matches sponsored by the Ohio Chess Association and the U. S. Chess Federation. Mike Neumeier, Kyle Spyker, Jerry Meyer, Tom Knoch, and Mark Bowersock as alternate captured

26th place in the 50-team contest. The Redskins pulled the greatest upset of the state tournament, beating ninth seeded Teays Valley. Team members then had the honor of playing Walsh Jesuit, the team that finally captured the state title.

Individually, the Redskins also had a strong showing, with Mike Neumeier and Jerry Meyer sharing first place in the I. V. C. C. Kyle Spyker had a second-place individual finish in the league. No activity was immune to the weather. The schedule for the chess team was several months behind and matches forfeited or postponed due to the weather.

Video Club Adds New Radio Station

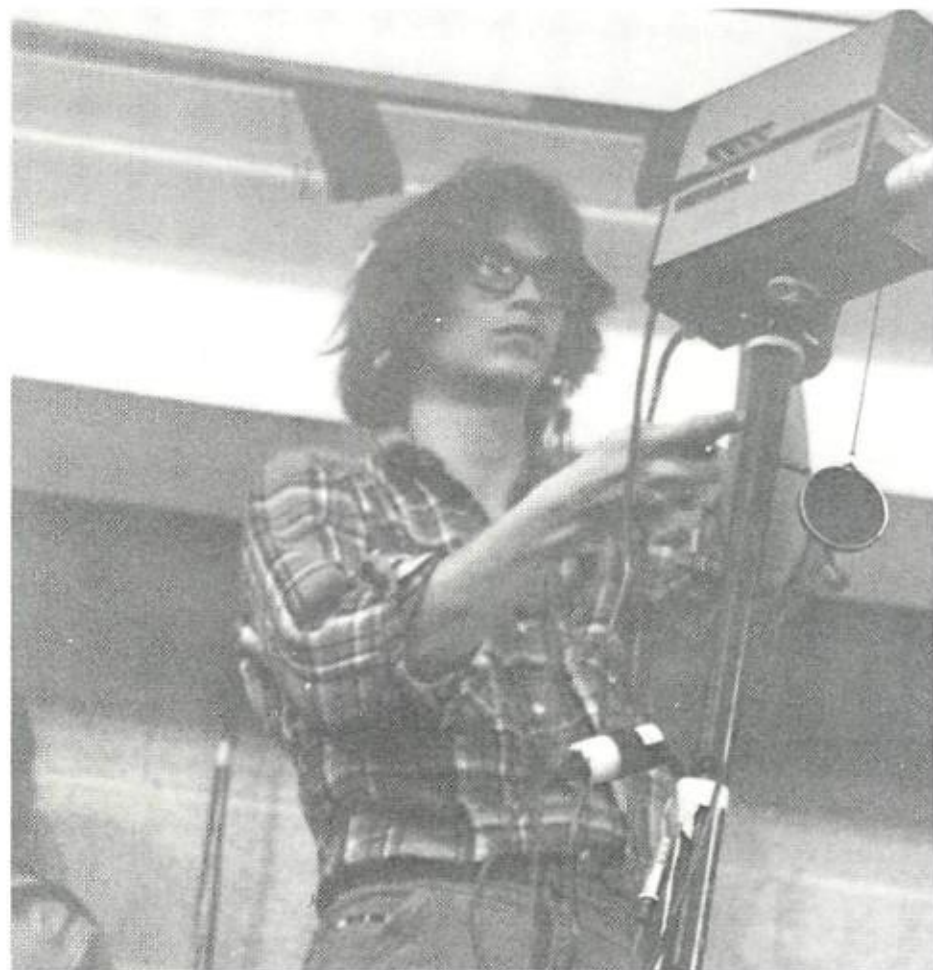

A new aspect was added to the W. A. P. A. broadcasting—a complete radio setup. The radio station, operated by members of the video communications club, broadcast daily over the cable-vision channel. Expanded programming will be forthcoming after this initial year for radio broadcasting.

A new program on W. A. P. A. which was widely received by the viewing audience was "You've Got To Be Kidding." Faculty members and their student assistants squared off to answer quiz questions and to battle for the lead before the

end of the thirty-minute weekly program. English teacher Mrs. Pat Johnson and senior Mike Casuccio teamed up for the first shows and succeeded in defeating several opponents before losing to Mr. Harold Taylor and junior Linda Kaverman. "You've Got To Be Kidding" was conceived and directed by Jerry Pitchford and Brian Edwards served as the program's host.

Student Senate Sponsors Many Activities

Assemblies for the student body, dances, a pizza party, and a carnival to raise money for muscular dystrophy, among other things, are all activities sponsored by student senate.

Student government consists of five senate representatives from each class. Of those 15 students, four officers are elected. There are also 12 class officers, four from each class, and the house members, made up of non-senate members and club representatives.

President of student senate

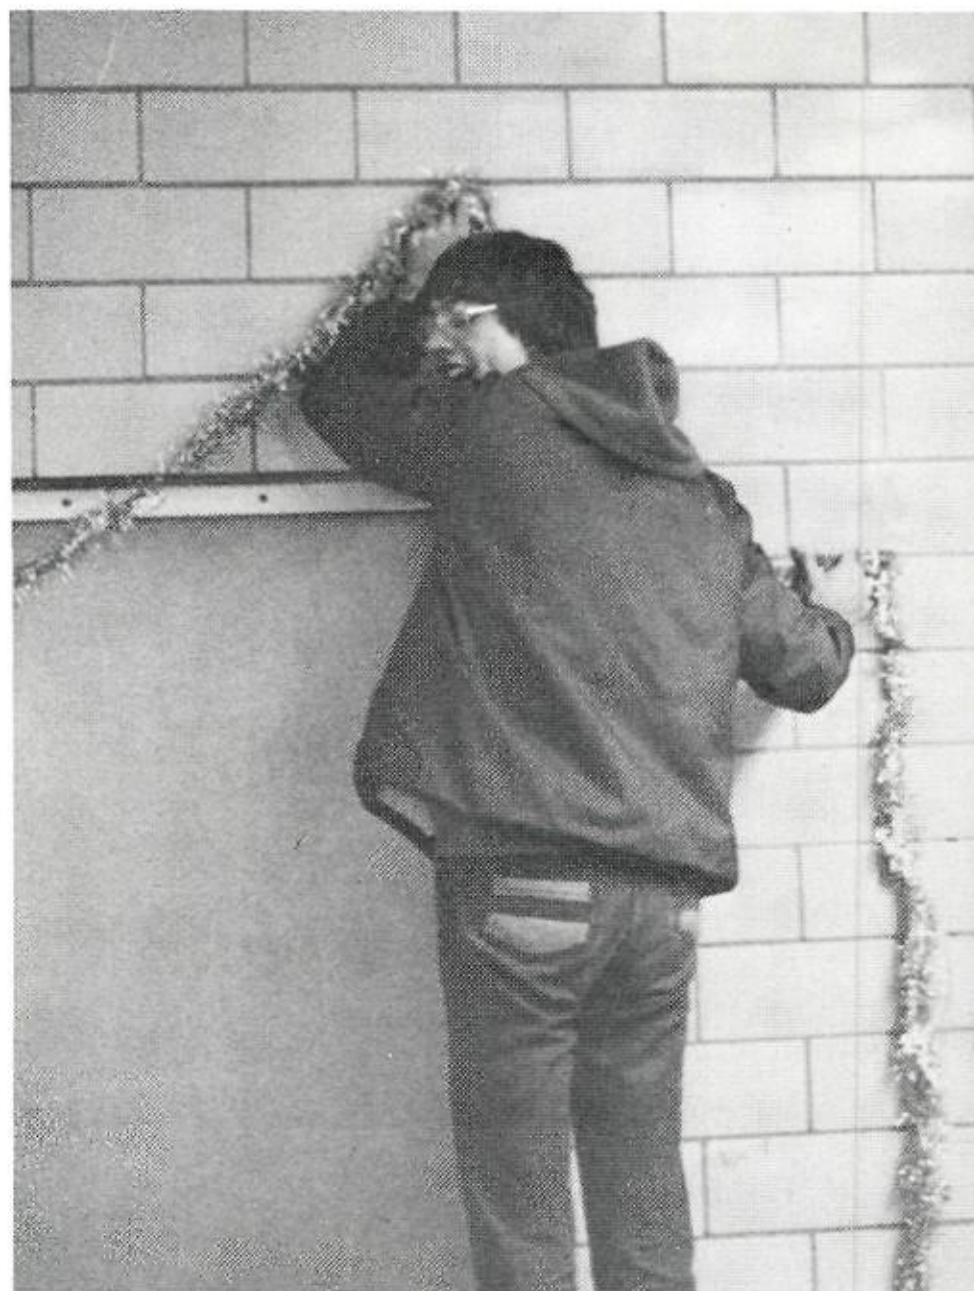

is Lori Bashour. The other officers are Janet Reynolds, vice president; Nancy Fisher, treasurer; April Seitz, secretary; and Patti Tully, non-senate chairwoman.

Members attend conferences and compete with other schools for the Honor Council award. This award is given to only a limited number of school councils in the state.

The members work hard but it is all for the purpose of making our school a better place to learn and to enjoy various activities.

Y-Teens Again Sponsors Sadie Hawkins

Y-Teens is a group of girls associated with the YWCA in Lima. The girls work together in many service projects and have fun in a variety of ways. In the Wapakoneta Y-Teens, there are fifteen members advised by Miss Carol Krantz.

The Y-Teens sponsored many activities. Working with the Lima District Y-Teens they helped with a Christmas break-

fast for area children to meet Santa Claus. Passion Day carnations were delivered on February 15 due to a school cancellation on the 14th. Along with the flowers, messages of love, friendship, and secret admiration were sent. The Y-Teens also sponsored the Sadie Hawkins Dance held on March 17 featuring the music of "Penjendrum."

Thespians Present Two Comedies

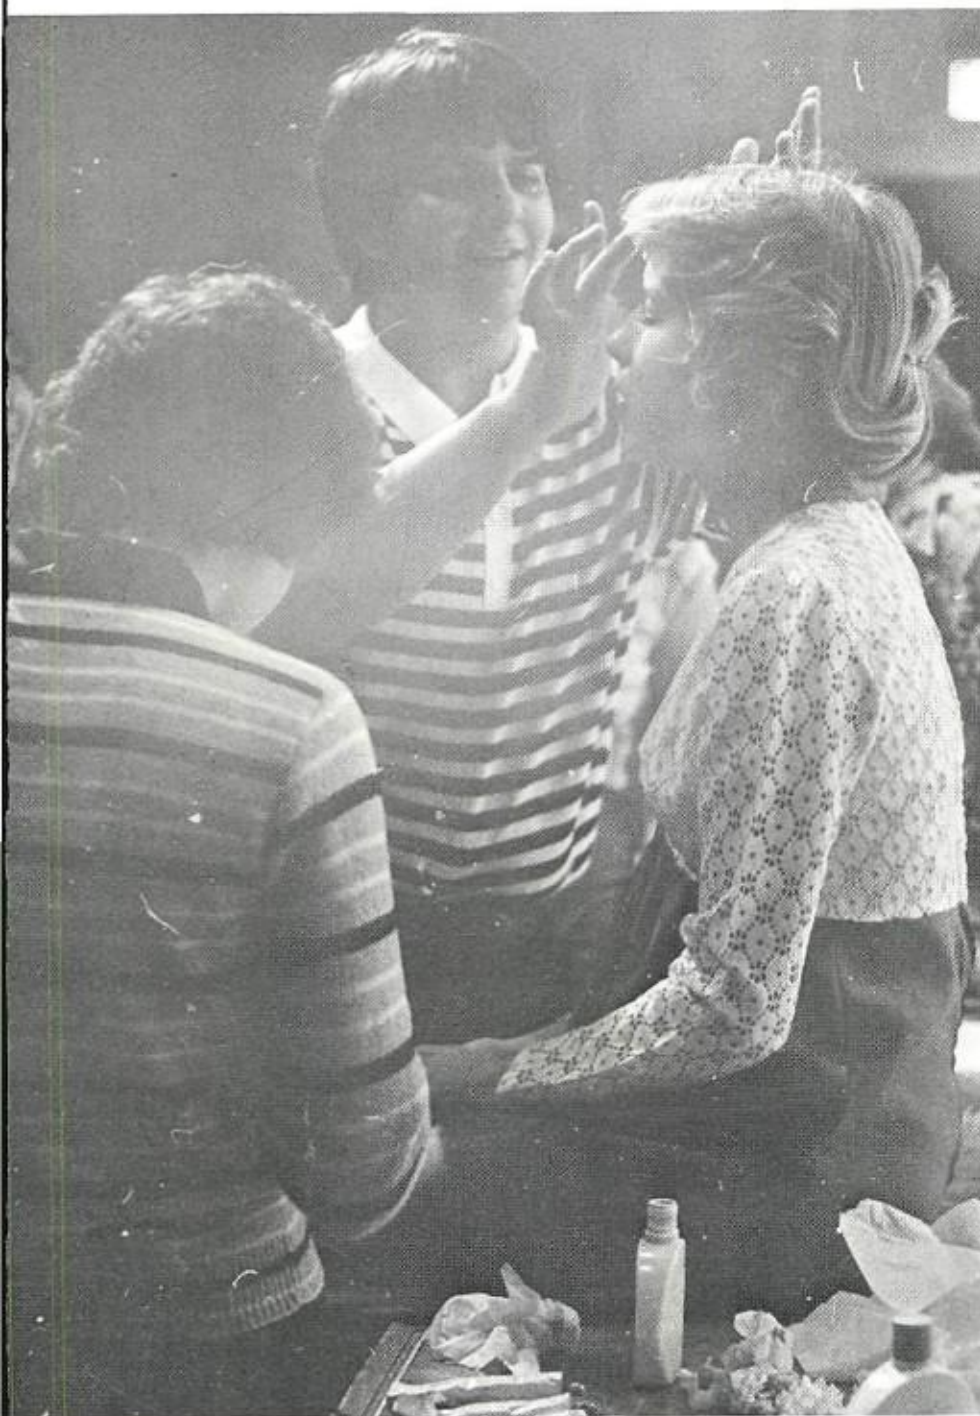

The thespian club gives students an opportunity to participate in play productions of the school. A significant purpose is to provide cultural experiences to students of WHS and the community.

The thespian club produced *Blithe Spirit* in the fall of the school year and *Tear Along the Dotted Line* in the spring. Productions involve approximately 20 persons over a period of two to three months. Besides the performers, there are makeup artists,

stage managers, directors, sound and light effects coordinators as well as those who built settings. Publicity people informed the students of the performances and through special intercom announcements, increased attendance.

Laurels were handed out by thespian club members to the following: Brad Woolf, best actor; Jane Kerst, best actress; Jean Ann Winget, best supporting actress; Mike Neumeier, best supporting actor.

Teamwork Pulls

Redskins Together

Of the various Red-skin sports, none had an outstanding winning record but each sport won victories in other ways. Teamwork and friendship held the 'Skins together through the disappointing losses.

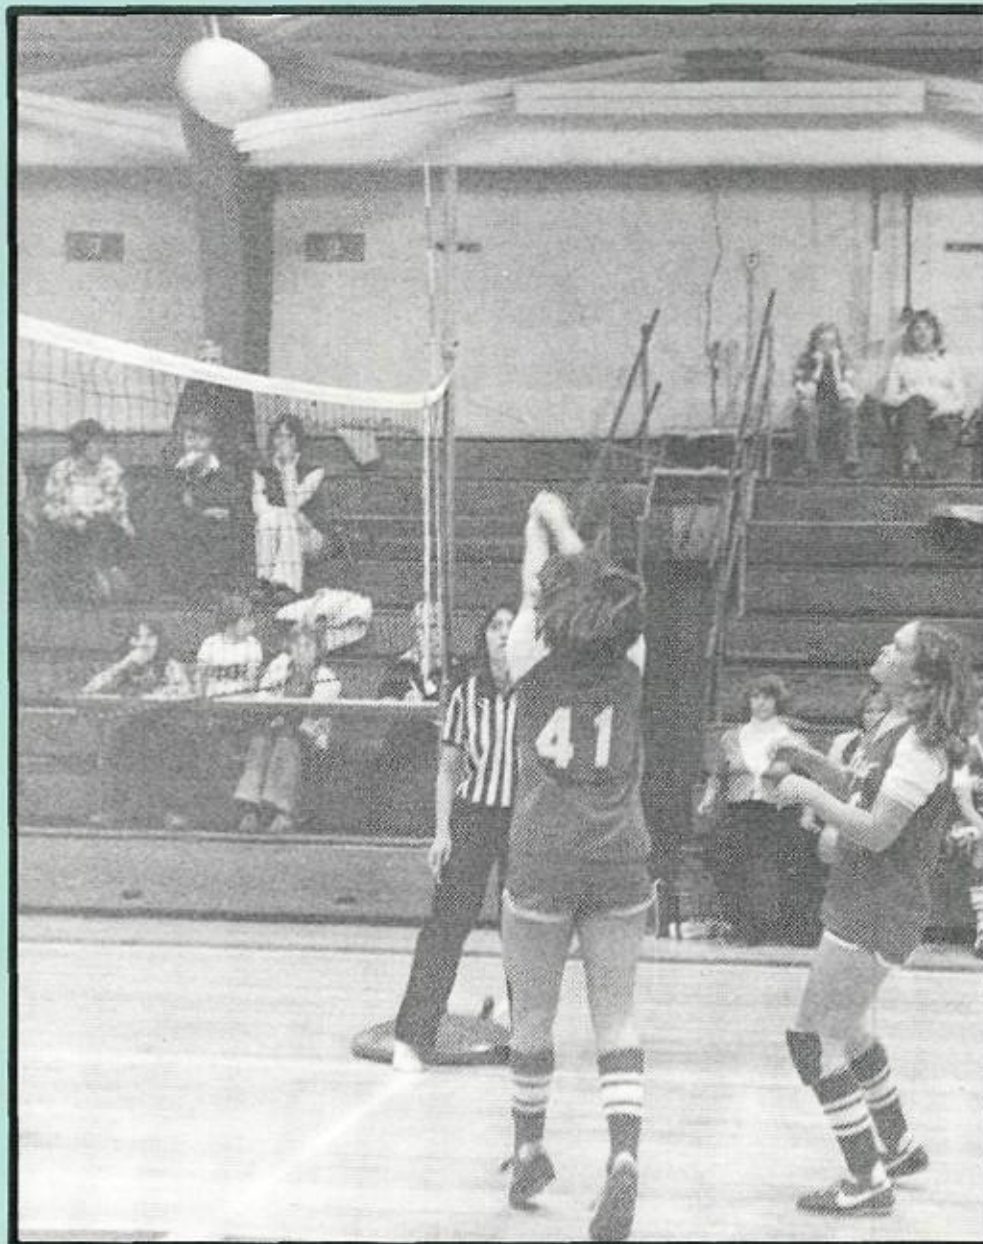

Teamwork is the basis of anything done by a group of people. Without the cooperation of everyone, it is difficult to do a

good and complete job.

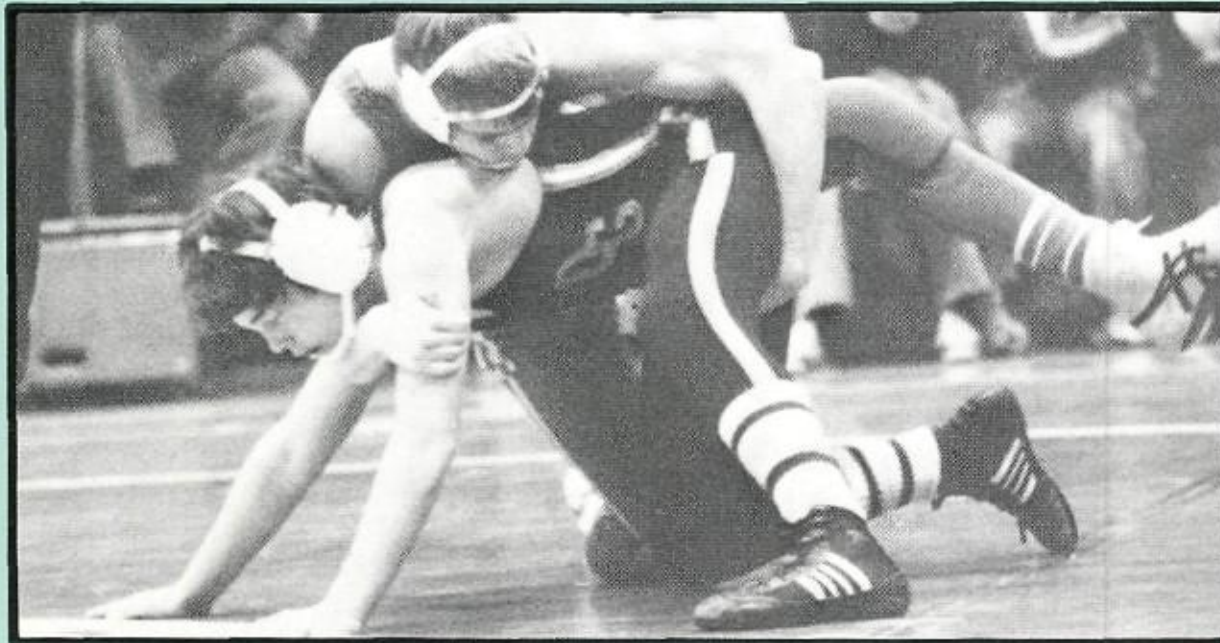

Teamwork is also the basis of friendship. Many friendships develop as a result of various sports. The coach becomes a friend when one needs a friend. Other team members become friends also.

Various sports bring out characteristics such as leadership, ability to work with others, and friendship.

New Track Marks Stadium Improvements

The Wapakoneta Senior High Dad's Club brought a new all-weather track to the school this year. The track is just the latest of projects sponsored by the Dad's Club. Past projects have included new baseball dug-outs, stadium lights, a pitching machine and weight lifting equipment.

The new six-lane track is constructed of a six-inch gravel base covered by a two-inch layer of asphalt. The top layer is one inch of Tracklite, a combination of asphalt and ground-up rubber tires. These layers combined form a spongy track that will expand and contract with temperature changes. The track is

tapered with a difference of two inches. This permits runners to return to the track five to ten minutes after a rain. The track is maintenance free, a drastic improvement over the old cinder and clay track. Cost for the track was approximately \$50,000.

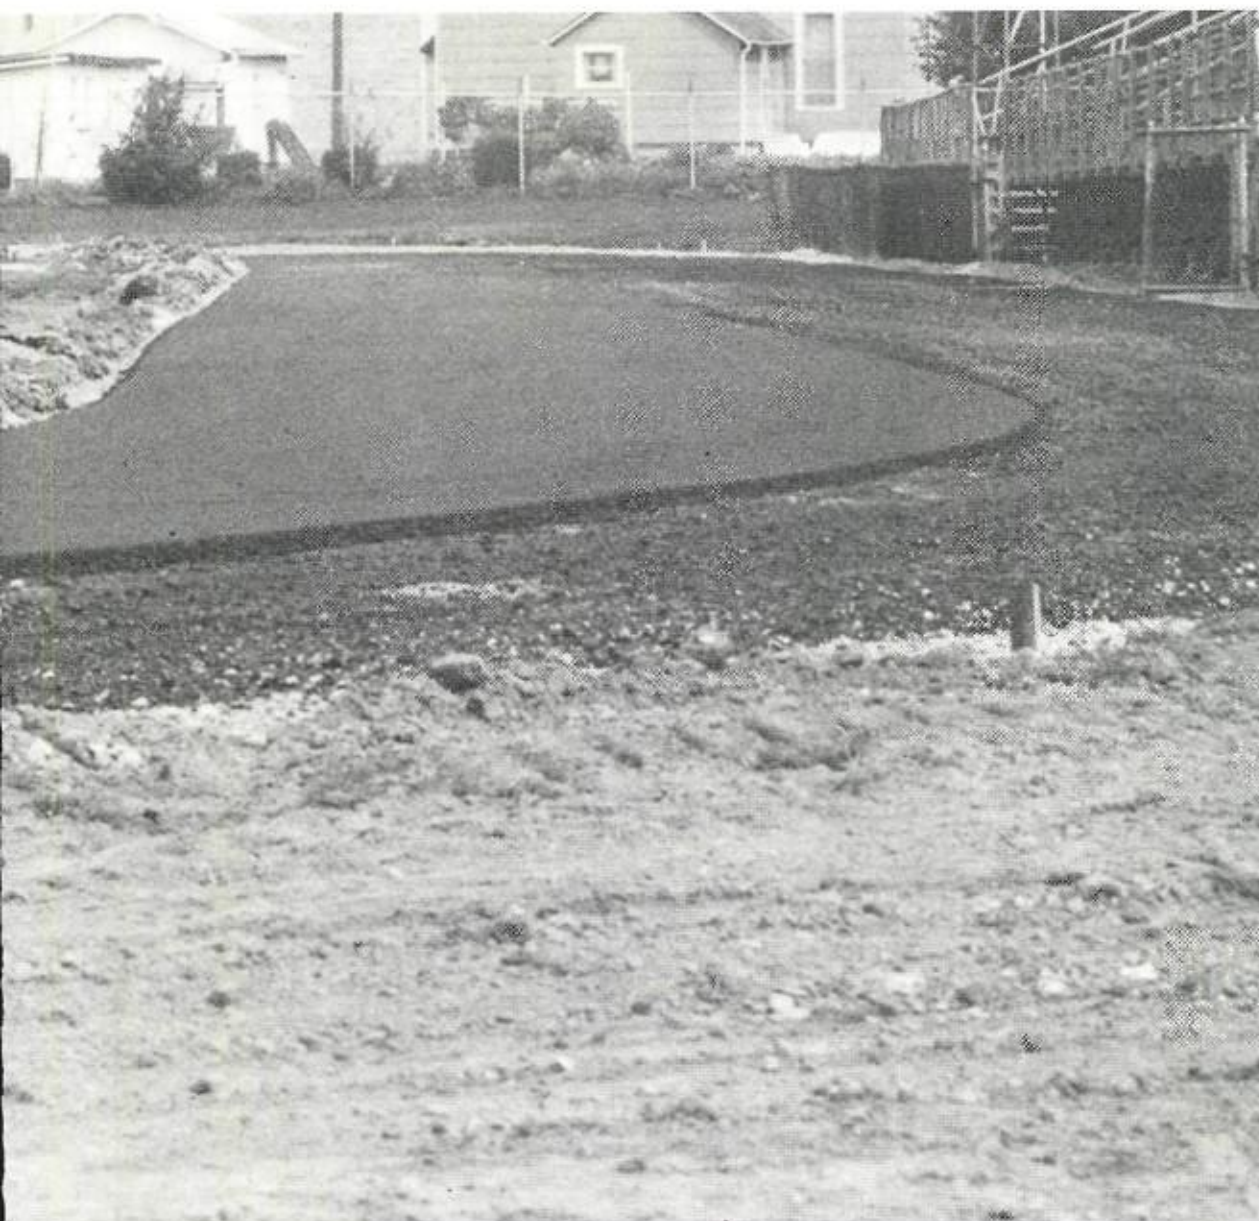

Another improvement to the stadium area is a new score board purchased jointly by the Dad's Club and Pepsi Cola.

The combination of the new all-weather track and new score board gives Wapakoneta Senior High one of the most advanced facilities in the Western Buckeye League.

'Skins Settle to Share 2nd Place in WBL

"Football . . . you bet!!" This seemed to be the motto of not only Coach Elshire, but all who enjoyed watching the games this season.

Each game played this year was different and exciting whether the game ended with a win or a loss. The season, which ended with a 6-4 record and the 'Skins settling to share a second place in WBL with Delphos St. Johns, was a good one after all.

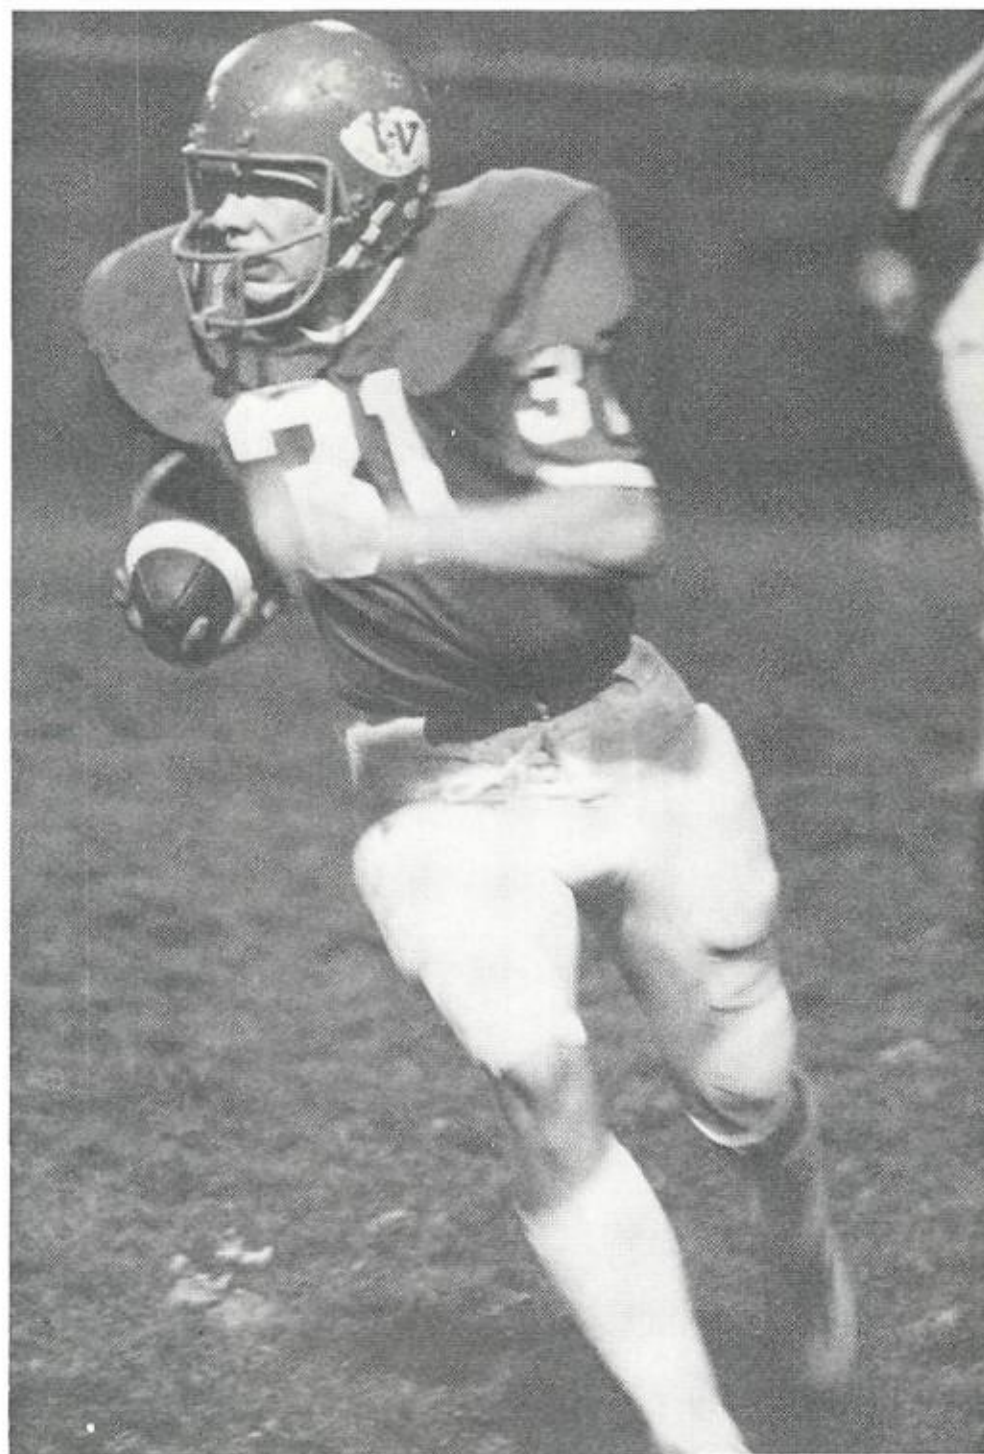

The season opener started on a sour note with a loss to the non-league Lima Senior Spartans. But the Redskins came back in the next four games to win and show that they may prove to be

contenders for the WBL title.

The Homecoming victory, won by 15 points against Celina Bulldogs, was a happy moment for all. The dance was also enjoyable and the victory was talked about by everyone.

The ever traditional rivals of Wapakoneta and St. Marys played an exciting but depressing game for the 'Skins. The Redskins scored in the first few minutes of the game but the Roughriders came back and retaliated to put the game in their favor. Both teams played an exciting and trying second half but the Roughriders scored again and ended the game at 14-6.

JV's Shut Out Four Opponents

The junior varsity football team performed well throughout the season. Their only shut out was against St. Marys, although they themselves shut out four of their opponents.

The Redskins only allowed 53 points to be scored against them while achieving 87 for themselves.

Fore! This simple but appropriate phrase was heard at the golf matches this fall. The team members were led by the coaching of Mr. Joe Hamilton. Five of the seven golf team members played each match. These matches were after school and were either nine or eighteen

holes in length depending on the amount of time available. Scores were kept by each individual member and his opponent. At the end of the match individual strokes were tallied. The team with the lower number of strokes won the match.

The Redskin distance runners won six straight early season victories before they were tripped up by the flu bug causing four losses in one week. The team finished the season with seven victories and seven losses, "a remarkable improvement over years past" according to Coach John Hammond.

Senior Mike Smith led the Redskins with a school record of 13:23 for 2½ miles. Mike then went on to a Sectional finish, qualifying him for the District. Mike was voted Most Valuable Runner and senior Tim Presar received the Most Improved award.

Varsity Roundballers Face Disheartening Season

The Redskin varsity basketball team ended its season with a 5-14 record. High scorer was junior Gregg Ruppert with an average of 15.2 points per game. Senior Jack Hayzlett was second with a 14.3 point average. The varsity squad consisted of six seniors, six juniors and one sophomore.

A member of the varsity basketball team received a distinguished honor this year. Senior Jack Hayzlett was chosen to play on the All-District AAA All-Star Team. The game was played March 22 at the Elida Fieldhouse. Hayzlett scored ten points during the game and had several assists.

Junior Varsity Roundballers Fight Hard-Scoring Games

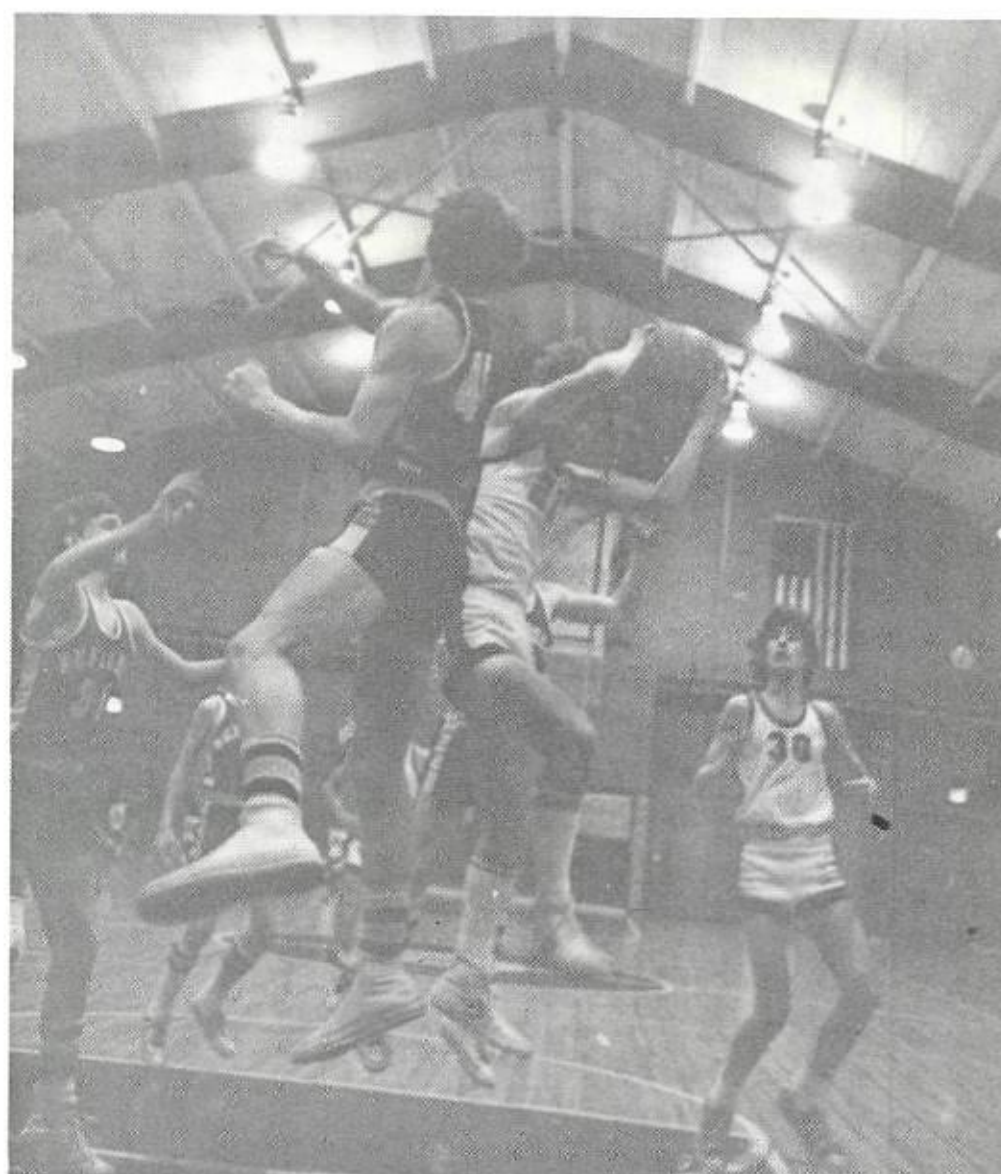

When they won, they won big; when they lost, they lost small—or so it seems for the Junior Varsity basketball team. The JV's greatest margin of loss was an 11 point spread with Findlay, early in the season. Wapak beat Sidney, Bath, St. Marys, Van Wert, and Defiance with victory margins in double figures. Several squeakers were in the picture too. The 'Skins won one game with a one-point margin and two games with a two-point margin. Heartbreaking losses were those to Piqua, Greenville, Delphos St. Johns and Ottawa-Glandorf.

Under the coaching of Mr. Rex Thomas the Junior Varsity basketball team ended the season with an 11 and 7 overall record and a 7 and 2 record for Western

Buckeye League. The team accumulated a total of 965 points, compared to their opponents who scored 895 points. The high scorer was Ernie Hinegardner with 218 points. There were four juniors and 12 sophomores on the squad.

This is Mr. Thomas' first year coaching at Wapakoneta Senior High school. When asked why he enjoyed coaching he replied, "I enjoy working with the young men, watching them improve themselves—not only as a basketball player, but as a person as well." Mr. Thomas felt the season went well with many improvements seen. The hardest part of coaching, according to Mr. Thomas, is the end of the season. He said he becomes very close to the players during the season and hates to see them go.

Grapplers Surpass Past Record

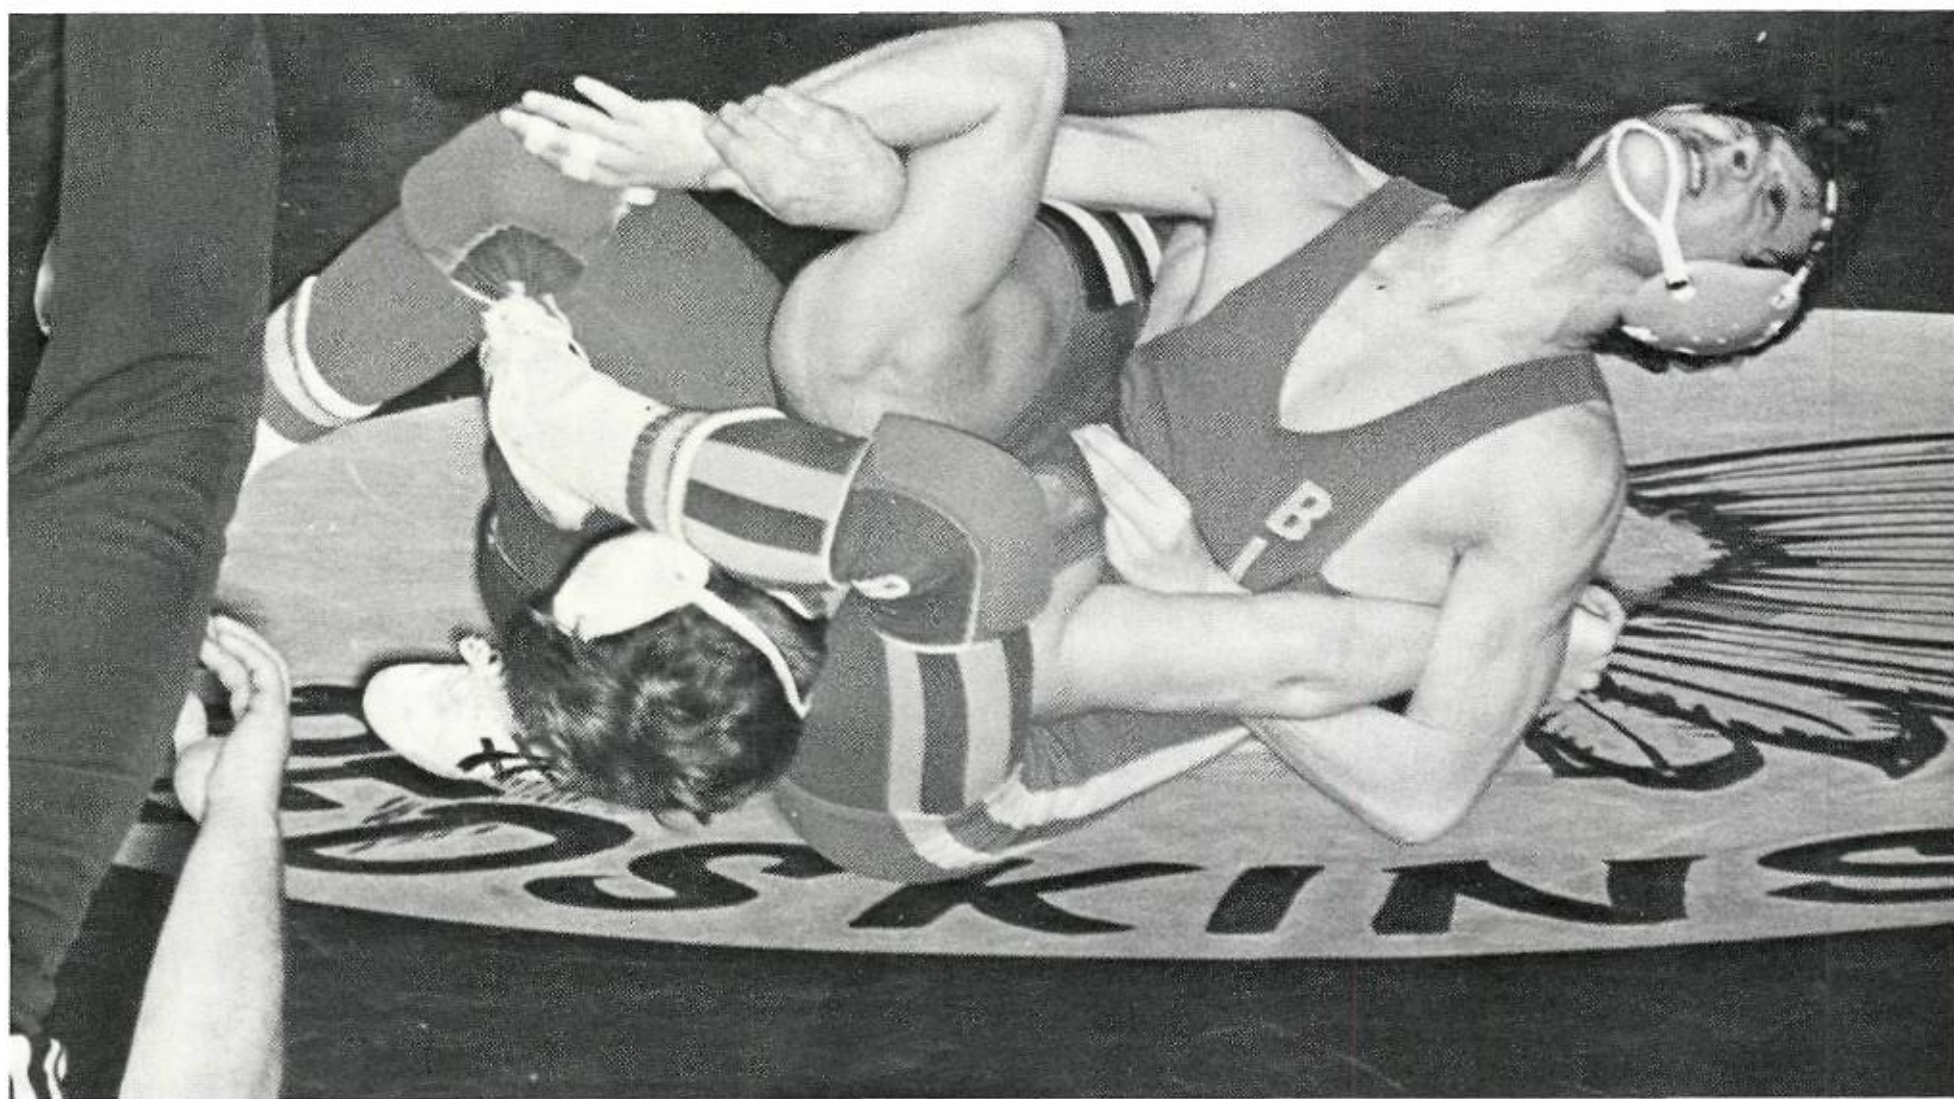

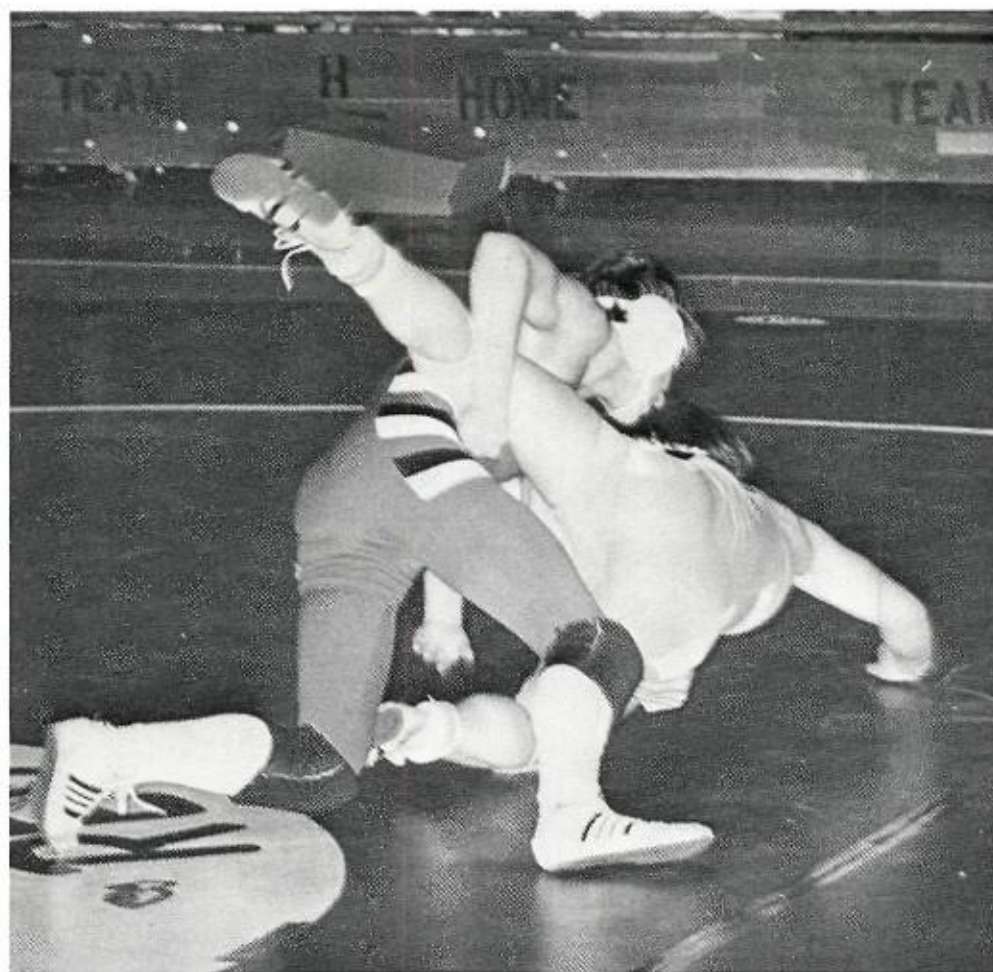

The Redskin wrestling season was one of tremendous improvement both individually and as a team. The dual meet Varsity record was 6-6. The Junior Varsity dual meet record came to 4-2. The previous year's Varsity dual meet record was a poor 2-10.

The Redskin wrestling squad not only matured as a team, but also individually. The Redskins made a good showing in the league. Senior Mike Davis placed second in the league. Sen-

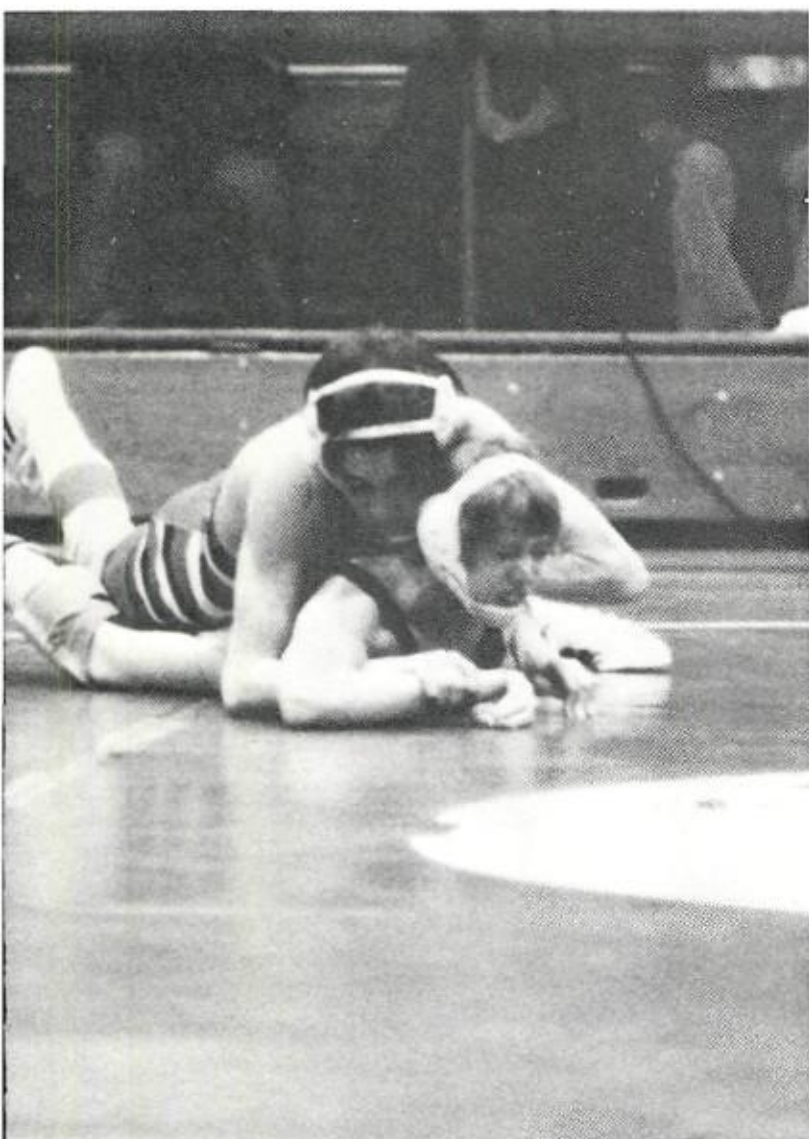

iors Doug Sorrell and Mark Erb both placed fourth in their respective classes. Junior Steve Brown also placed fourth in his respective class.

The Varsity squad dropped Lima Senior, Ben Logan, Kenton, Van Wert, Delphos, and Celina en route to their improved 6-6 record. The Junior Varsity squad defeated Lima Senior, Lima Central Catholic, Ottawa-Glandorf, and Elida on their way to a 4-2 record.

Cheerleaders Inspire Student Spirit

Who are almost as important as the football or basketball players during a game? The cheerleaders, of course! The cheerleaders are always ready to cheer the team to victory with Redskin spirit.

One of the many advantages of being a cheerleader, according

to the cheerleaders themselves, is meeting many people from different schools and making new friends.

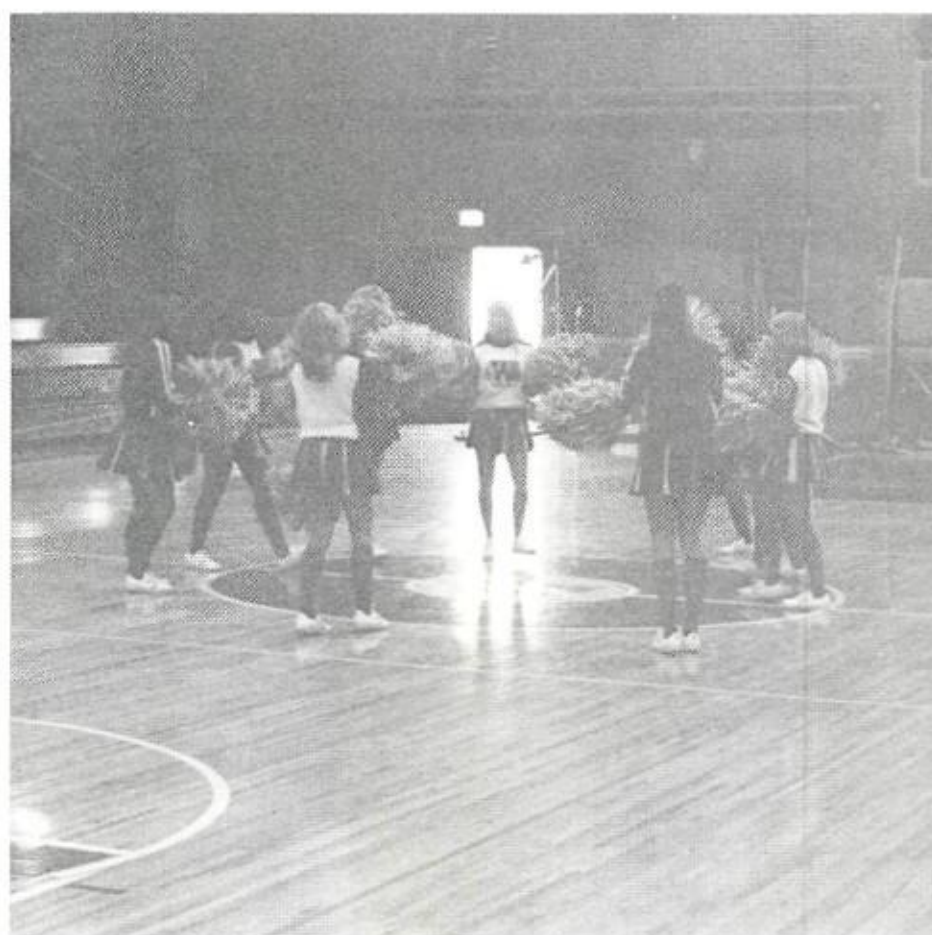

Some of the cheerleaders are also involved in other activities in and out of school, such as gymnastics, IOE and dancing.

'Skins Win Share of W. B. L. Crown

The Varsity baseball team grabbed a part of the W. B. L. victory banner, sharing the first-place league berth with Delphos and St. Marys. Much was riding on the Redskins' final two games of the season. A win over both Bath and Delphos would have secured the 'Skins as sole possessors of first-place honors. The Redskins fell to Bath, 4-2, in a close contest, but W. B. L. hopes were still high if the 'Skins could outmaneuver the Blue Jays, which they did by a score of 11-6. The Blue Jays scored first, but the 'Skins rallied to tie the contest in the third inning. Delphos then walked in four Wapak men, and the 'Skins remained ahead for the duration of the game.

Four members of the Red-

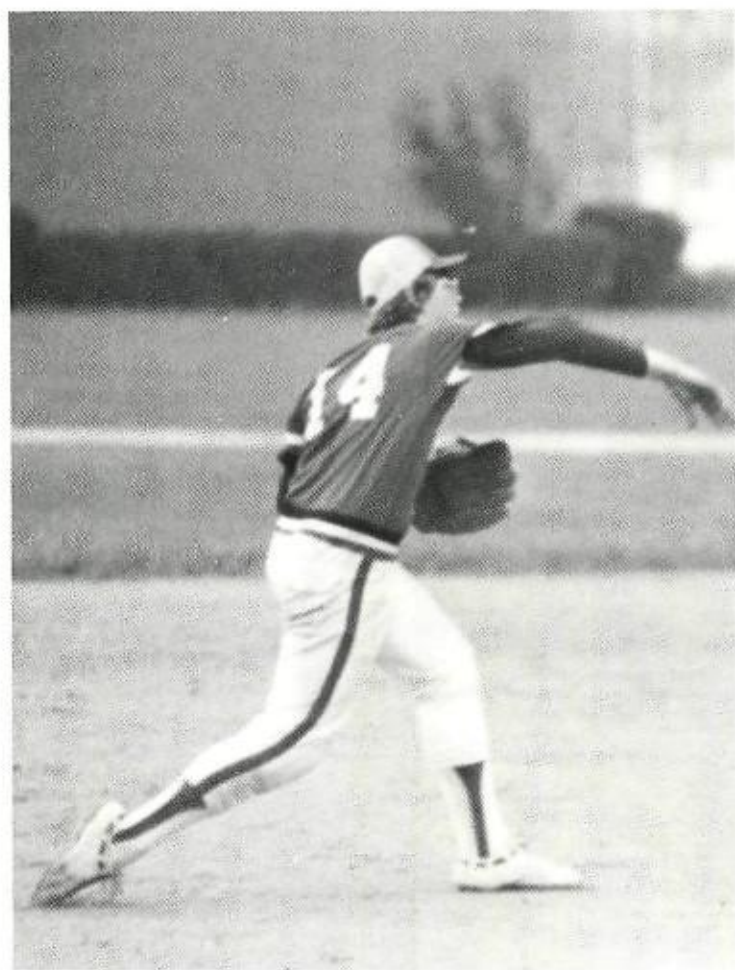

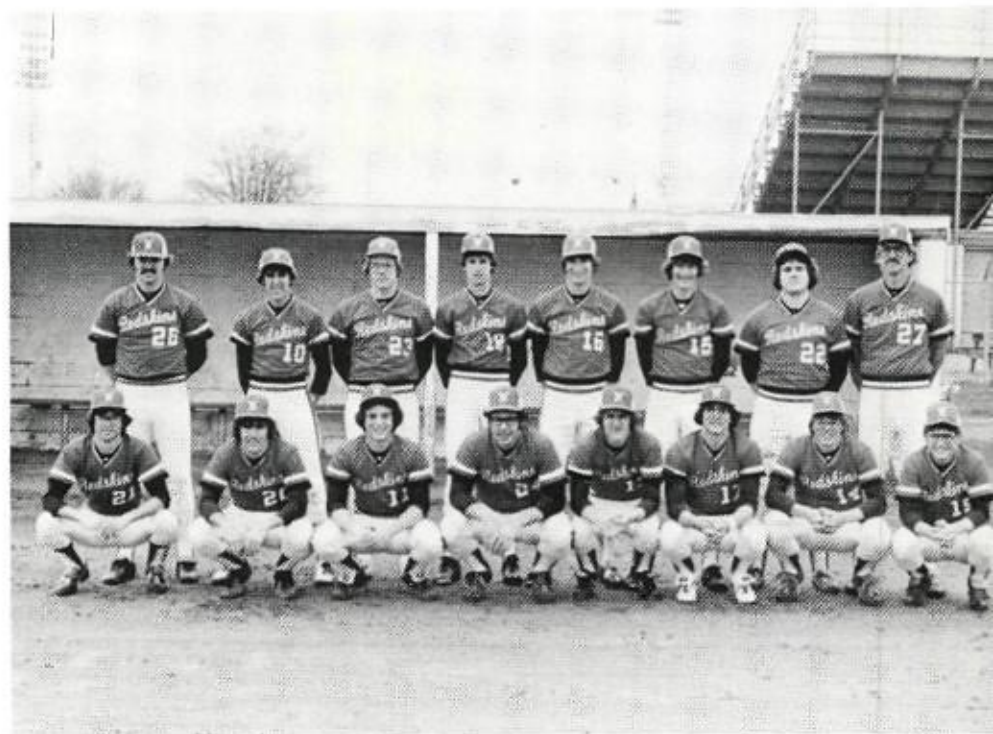

skin squad were named to the W. B. L. All-Star team and played for the East in the All-Star game held at Bath. The East won the Memorial Day game, with Dave Wheeler being 2 for 3 and Mike Bault picking up the win, after pitching the first three innings. Outfielder Gregg Ruppert and Walt Turner, catcher, rounded out the Redskin representation.

Dave Wheeler was named Most Valuable Player by his Redskin teammates and he shared batting honors with Gregg Ruppert.

Coach Robert Askins said the season was one of excitement because of the improvement shown each week. Coach Askins is looking for "big things" again next year with ten lettermen returning for the 1979 season.

J. V. Baseball Wins Six

Junior Varsity baseball posted a good season with a final record of 6-5. The team tallied wins over Lima Senior, St. Henry, St. Marys, Van Wert, Anna, and Shawnee.

Mr. Rex Thomas, J. V. team coach and teacher at Blume Junior High, felt the team had an exceptionally good year.

According to Coach Thomas, the team has many excellent players with the potential of playing outstanding Varsity baseball.

Leading pitchers for the team were Gary Walls (2-2), Matt Hoven (2-0) and Lee Harrod (2-0). Leading hitters were Tim Duff (.389) and Colin Peachy (.333).

Young Squad Has Tough Season

With an 8 and 9 record the boys tennis team slumped through the season. The Redskins shut-out one opponent, but were themselves shut-out four times. Elida captured the W. B. L. crown. Only three seniors comprised the young, inexperienced squad coached by

Darrell Jones. According to Coach Jones, senior Mike Veit showed consistency throughout the season. Seniors Veit, Jack Hayzlett and John Klock were noted as the strongest singles players on the squad. Senior Klock was named by his teammates as Most Valuable Player.

Track Members Break Several School Records

The highlights of the track season were well-earned victories in the 880 and two-mile runs at the Elida relays and a victory over Defiance in the distance medley at the Defiance relays. The thin-clads, coached by Mr. John Hammond, pulled a sixth-place berth in the Western Buckeye League, up from their last-place finish for the past four years.

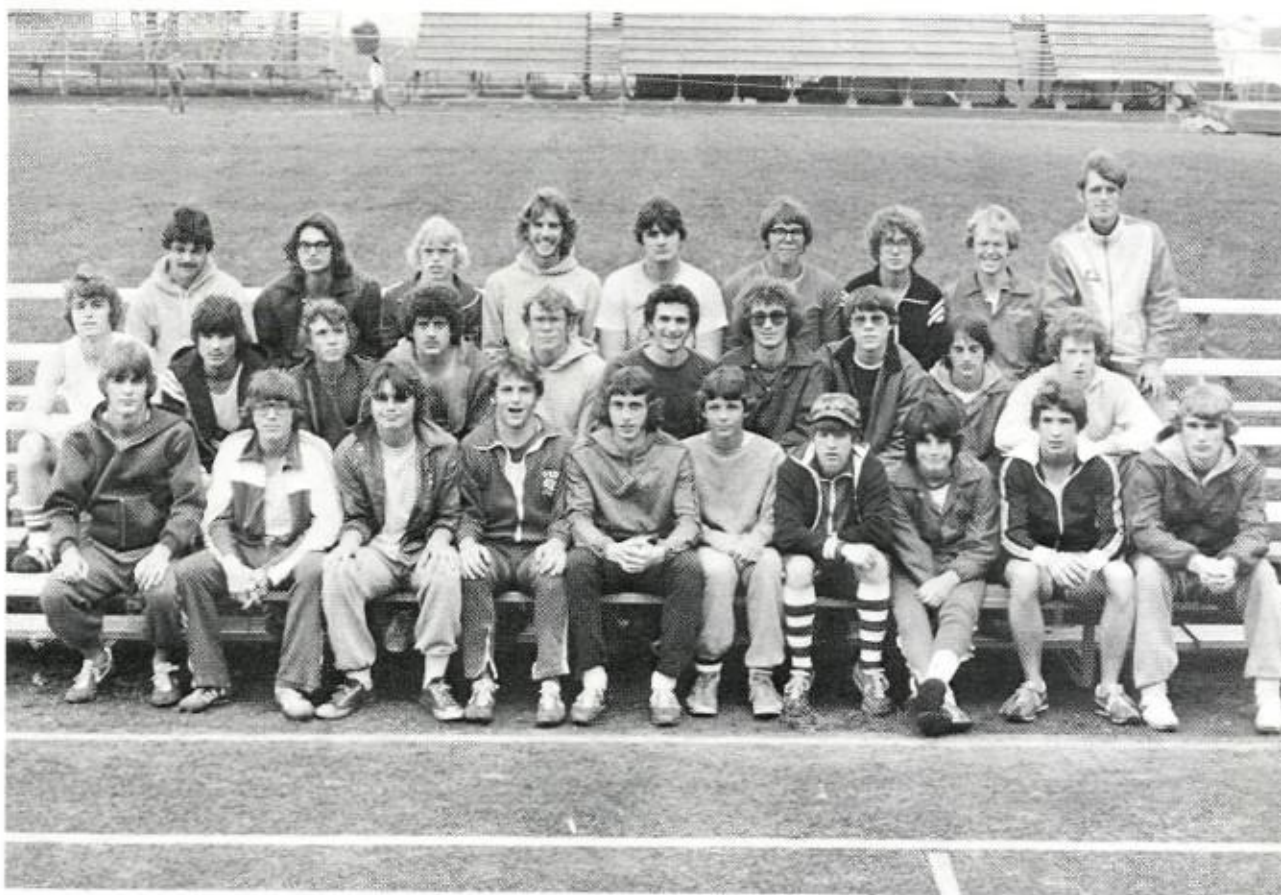

Many school records were broken, including the 440 relay with a time of 46.5. The team was composed of Steve Cummings, Dan Haehn, Ron Kantner and Steve Werling. The distance medley time of 8:35.4 broke the old school record. Medley runners were Eric Van Vaerenbergh, Ron Kantner, Tom Stine-

baugh, and Mike Smith. The 300 meter low hurdles time was broken by Tom Stinebaugh with a time of 40.6. The 880 was broken by Eric Van Vaerenbergh with a time of 1:58, and Mike Smith captured the new school record in the two-mile run with a time of 9:52.8.

Team members voted Eric Van Vaerenbergh as the Most Valuable Player and Tom Stinebaugh as the Most Improved.

Van Vaerenbergh broke the school record in the 880 with a time of 1:59.6, and then went on to district competition in Toledo where he broke his own school record with a time of 1:58.6. Stinebaugh broke the record for the 300 meter low hurdles with a time of 40.6.

Girls Tennis Team Starts Tradition

"I enjoyed the group very much because of their desire to keep trying. When they lost they were naturally disappointed, but they were ready for their next opponent," commented Miss Barbara Boutwell, girls tennis team coach.

This was the first year for a girls tennis team. The girls wore track shirts, their own shorts, and basketball jackets. Matching skirts and tops have been bought and are ready for wearing the next season.

The girls met their opponents singly or in pairs, but couldn't "get it all together" as they lost every match. Despite the losing record, the girls

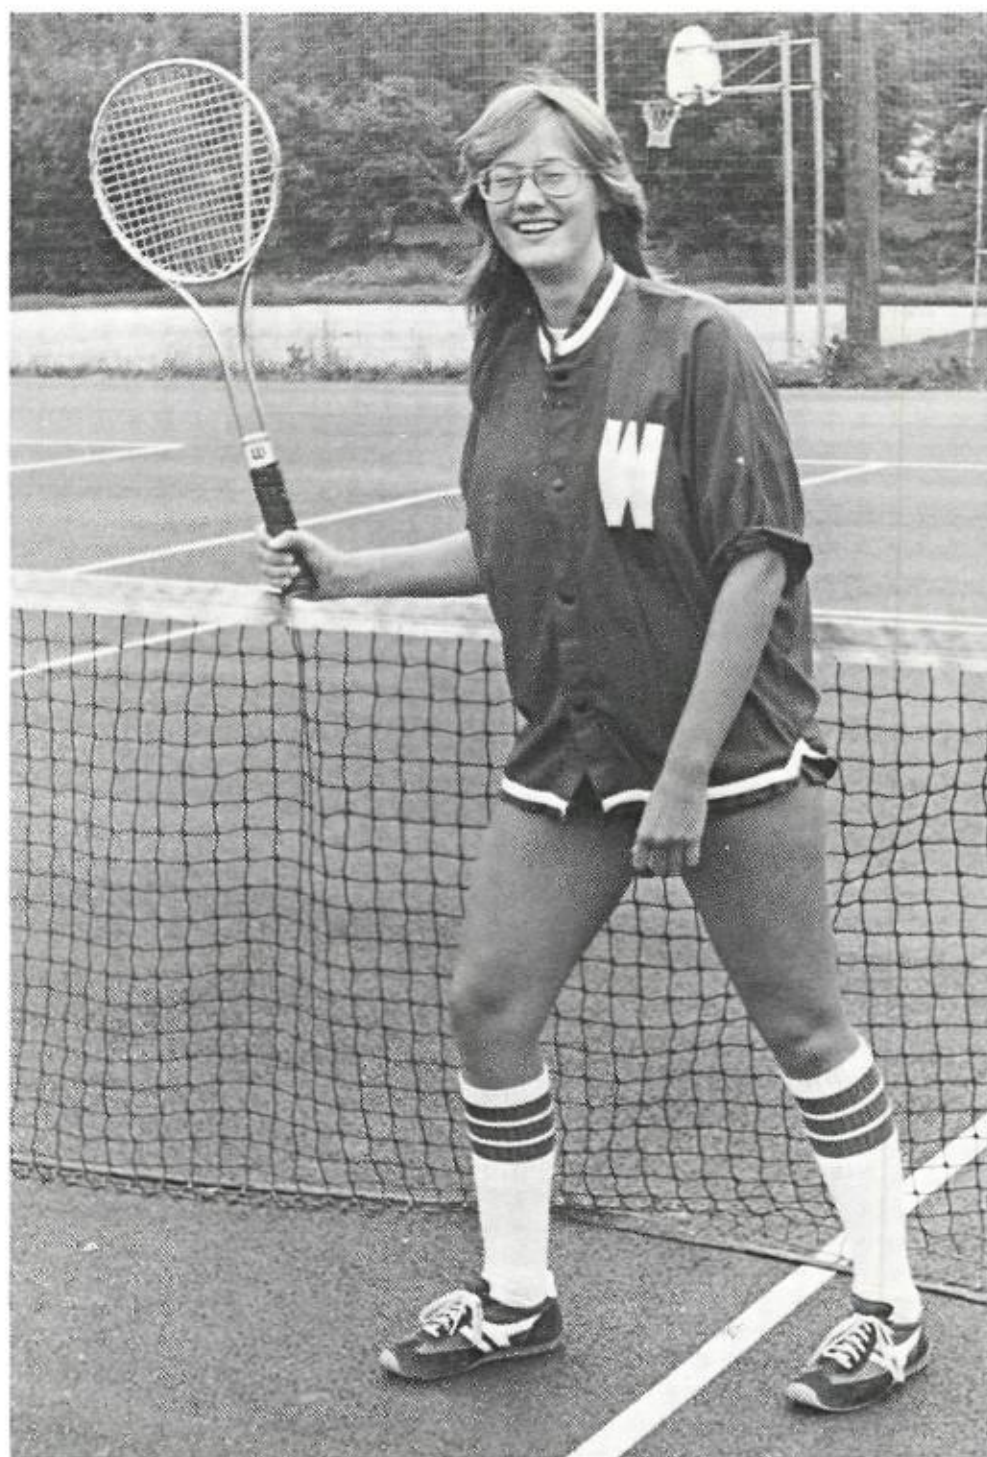

improved for every match. They gave one-hundred percent of themselves for each game.

In the W. B. L. tournament, the team came into the standings in fifth place. The singles players, Sandy Calvert, Mary Klock, and Deb Swartz, made it into the quarter finals. The doubles teams, April Nance with Karen Kentner and Nancy Fisher with Sue Graeser, lost but played their best of the season. Sandy Calvert, the only sophomore, was named Most Valuable Player.

Other team members were Kim Koenig, Sheri Wobbrock, and Kit Burnfield. They usually substituted in the doubles teams.

Gymnasts Strive for Grace and Poise

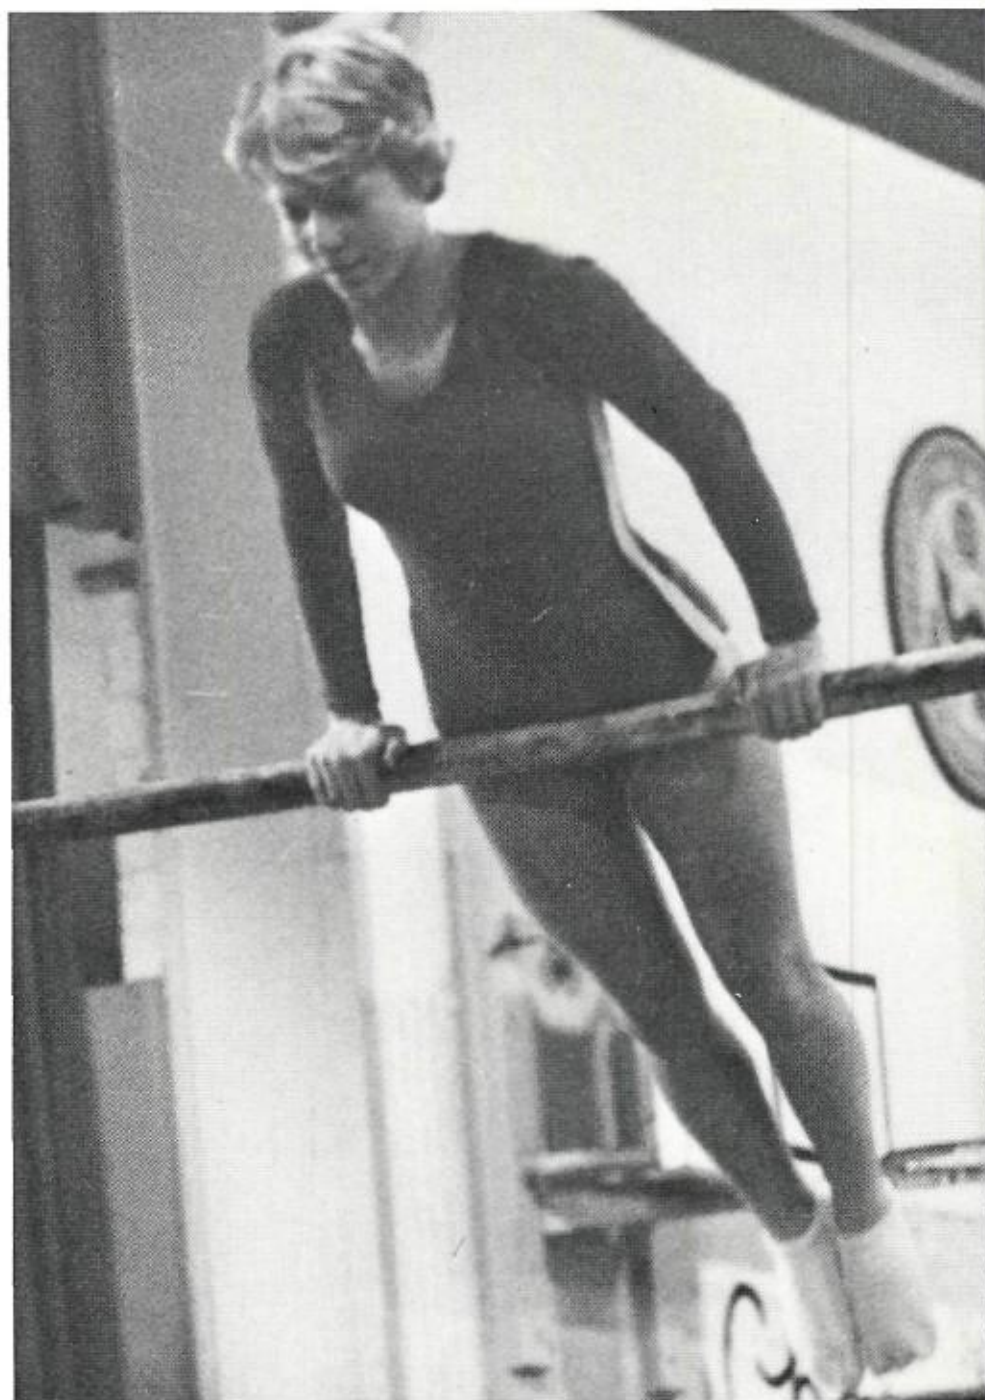

The booming sport of gymnastics this year has not only developed grace and poise among the gymnasts, but has developed body control and confidence which is needed for every event.

The bars competition with which the Wapak squad usually placed in every meet this season, was the strongest event for the team. The floor exercise was close behind. The balance beam and the vault fell behind in the beginning of the season but were

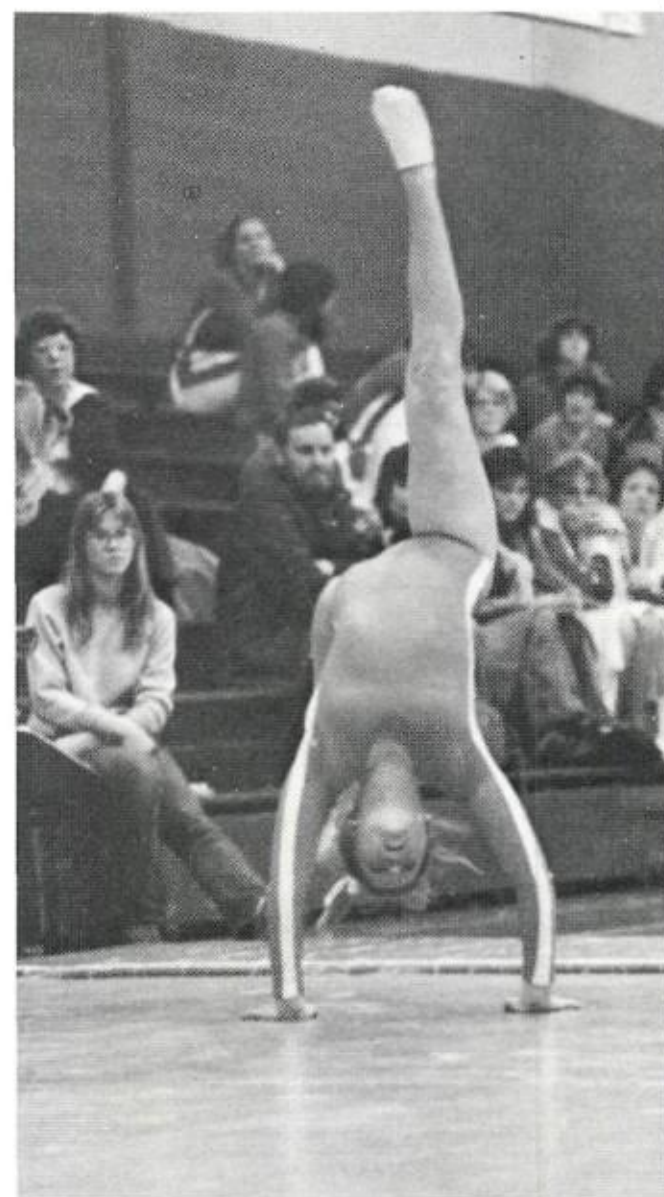

picking up rapidly toward the season's end. Next year the team will be working to have all four events as their strong points and not just one.

The long hours of practice which are involved in gymnastics certainly paid off for the team. Although the girls compete individually in different events, the team unity is still apparent. Each tries to better her own record, but also to work for the team as a whole.

Right: Concentrating on her routine is senior Gloria Webb.

Two Place at Sectionals

With a record of one win and ten losses, the girls track team statistics seem very unimpressive, but the highlight of the season was the breaking of 12 school records. School records in the discus, shot, long jump, high jump, hurdles, mile, 880, 220, 880 medley, 880 relay, 440 relay and mile relay were shattered by coach Peg Larkin's young team. The ladies finished eighth in the Western Buckeye League, with Paula Wehrman and Joyce Kentner capturing first and second respectively in shot and Kentner taking first place honors in the discus. At the sectional meet Kentner and Wehrman placed fourth and fifth in shot.

Kentner holds the new school record of 103' 4" in discus and 36' 2" for the shot. Another double record holder is Donna Heintz with a long jump of 15' 2 1/2"

and a high jump of 5'. Gloria Webb, with a time of 18.1, holds the new hurdles record, while Jane Keller broke the mile record with a time of 6:16.6. The 880 record holder is sophomore Chris Koch with a time of 2:48 and senior Amy Linder recorded a record time of 28.9 in the 220. A new 880 medley time of 2:03.8 is held by runners Amy Linder, Jodi Ruck, Beth Ruck, and Liz Swanger. The 880 relay team, comprised of Amy Linder, Beth Ruck, Kathy Presar and Sandy Calvert, holds the new record of 1:56.1. A time of 55.8 is a record in the 440 relay held by the team of Amy Linder, Kathy Presar, Sara Weger and Sandy Calvert. Honors in the mile relay, with a new time of 4:47.1, are held by Vickie Schroer, Traci Pemberton, Michele Baber and Liz Swanger.

Heinl Leads Scoring

The girls basketball team did not have a victorious season (4-12), but many individual players did the team proud. Donna Heinl had a 6.9 point average for the season, with Sherry Selover close behind at 6.2. Other top scorers were Laura Curtis (4.6) and Sara Weger (4.3). Laura Curtis was credited with an outstanding

111 assists, with Sherry Selover having 32, Curtis and Selover counted for over 250 offensive and defensive rebounds. The team effort is always the factor and there was plenty to be found with the squad. The team is coached by Mr. Duane Bollenbacher. He was assisted by elementary instructors Miss Yvonne Cook and Miss Paula Siferd.

Senior Football Player, Tim Coe, Wins 3-D Award

Dedication, determination, and desire are three important characteristics one should learn to acquire. They are not only important in sports but in everything.

During football season, an

important award is presented each year. Senior, Tim Coe, was designated as most dedicated, and having the most determination and desire. Tim was entitled to this award by votes from the coaches.

Students Go Through

Many Changes

Ever notice how much people change in appearance from year to year? If you are a senior, take out your old yearbook and compare the senior formal in here to some of your friends' sophomore pictures. Look at yourself. Quite a change? Some people you may not even recognize.

When you graduate from school, you may think you will always keep in touch with your close friends but everyone goes

his separate way and before you know it, a year or more has passed and you realize you have not seen some of your friends all that time. You call one of them up and it is so great to talk to him or her. You decide to get together and neither of you can believe how different you both look!

Seeing friends from time to time and talking about the good old times keep friendships going while you are apart.

Seniors Break Bridges— (On Purpose)

As a part of senior physics class, students built Falcon bridges for the purpose of breaking them. The bridges were to be made from no more than 30 grams of balsa wood, must span 25.5 centimeters with no supports on the inside. The pieces could be put together with either glue or balsa wood cement.

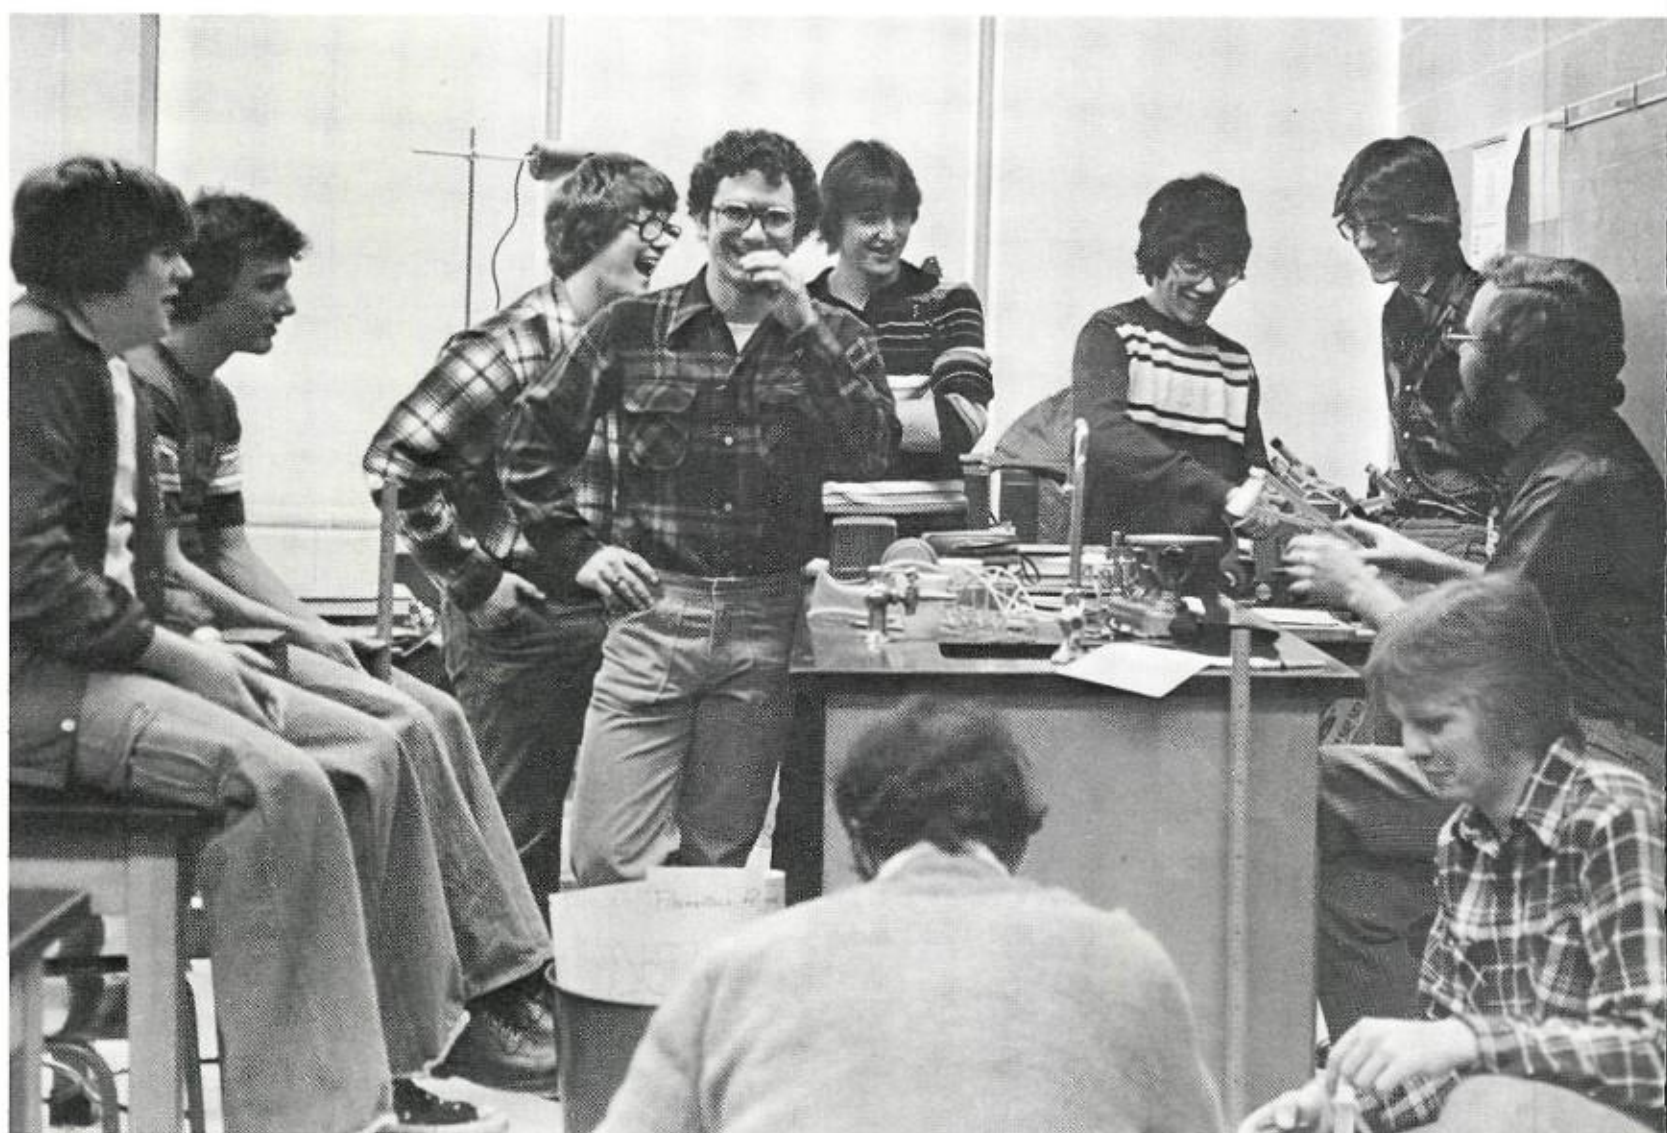

To pass, the bridges must support at least 10 pounds. The winning bridges, however, supported 166 and 144 pounds.

These were constructed by Tom Knoch and Holly Recob.

The task of breaking the bridges was performed by a guest to the class, county bridge engineer, Dan Bennett. Bennett, filling a bucket with dirt, attached it to a beam. The other end of the beam was attached to the bridge. More dirt was added until the bridge broke.

The total weight that the bridges held was 2,745 pounds.

Right: County bridge engineer, Dan Bennett, makes an attempt at breaking the bridges made in senior physics class. Senior Tim Hole looks on.

Senior Guys Promote Reading

During Childrens' Book Week in November and National Library Week in April, senior boys enrolled in English 4 became involved in a reading program. The senior boys gladly gave up their study halls and sometimes their English class to visit the elementary schools in our system, to read to the youngsters. The purpose was to show that reading is not a "sissy" activity and for girls only. It was felt that these young males could provide a true incentive to promote reading in the elementary grades.

In November the seniors visited kindergarten and first grade classes. In April the help of some junior boys was enlisted, so students in grades kindergarten through third could be read to.

The senior fellows were enthusiastically received and were gladly invited back to the classroom to read again. It was quite an experience for the guys. Many of the fellows received crayon decorated letters, thank-you notes, and even some "love letters" from their newly made small fry friends.

Juniors Finance Prom

The financial climax of the junior year culminates in the annual junior-senior prom. The money-making project for the juniors was the selling of candy bars, which was a moderate success. Committees were formed and the job was begun! The juniors spent their time planning food, selecting a band, and preparing decorations. Since prom was held at the Apollo Joint Vocational School, decorations were held to a mini-

mum to accomodate the large open area of the cafeteria used for the dance.

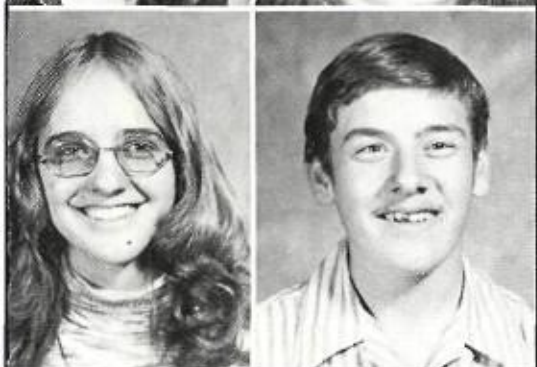

Overall the juniors enjoyed their middle year of high school. The newness and the anxieties of the first year had worn off and as the final year approached new worries began. Many juniors tested in the PSAT, are attempting to find colleges and are looking for post-high school jobs.

Above: Decorating for prom are junior class officers: from top to bottom: Beth Huelskamp, vice president; Sharon Klosterman, secretary-treasurer; Kim Timmerman, service director. Absent from picture is class president Dave Amos.

Behind-the-Scene Workers Perform

Throughout the year, the chorus presents several musical programs. A great amount of time and effort is spent preparing these productions. Each production's success depends upon the main performers or participants. Sometimes, however, several people who are a vital necessity to the productions are

overlooked. These include accompanists, stage men, lighting directors, and several others. These people devote a great amount of time to their particular task. One of these several people is Rachel Barber, an accomplished pianist for the chorus.

bove: The Wapakoneta Senior High Chorus presented many musical programs throughout the year. Here, Rachel Barber, accompanying the chorus, is assisted by Mr. Richard Chadwick.

JVS Enters Second Year of Operation

Apollo Joint Vocational School is available for high school students wanting to gain vocational and technical training without the time and expense of college. There are nine area schools involved in the programs at Apollo. There are students from Shawnee, Elida, Allen East, Perry, Bath, Bluffton, Ada, and Spencerville as well as Wapakoneta. There are 143 Wapakoneta juniors and seniors attending the vocational school. This is the second year of operation for the school in Shawnee Township.

Classes range from welding, horticulture, farm management and auto mechanics to cosmetology and health careers. Some of these classes traditionally thought of for only men or only women are taking on more

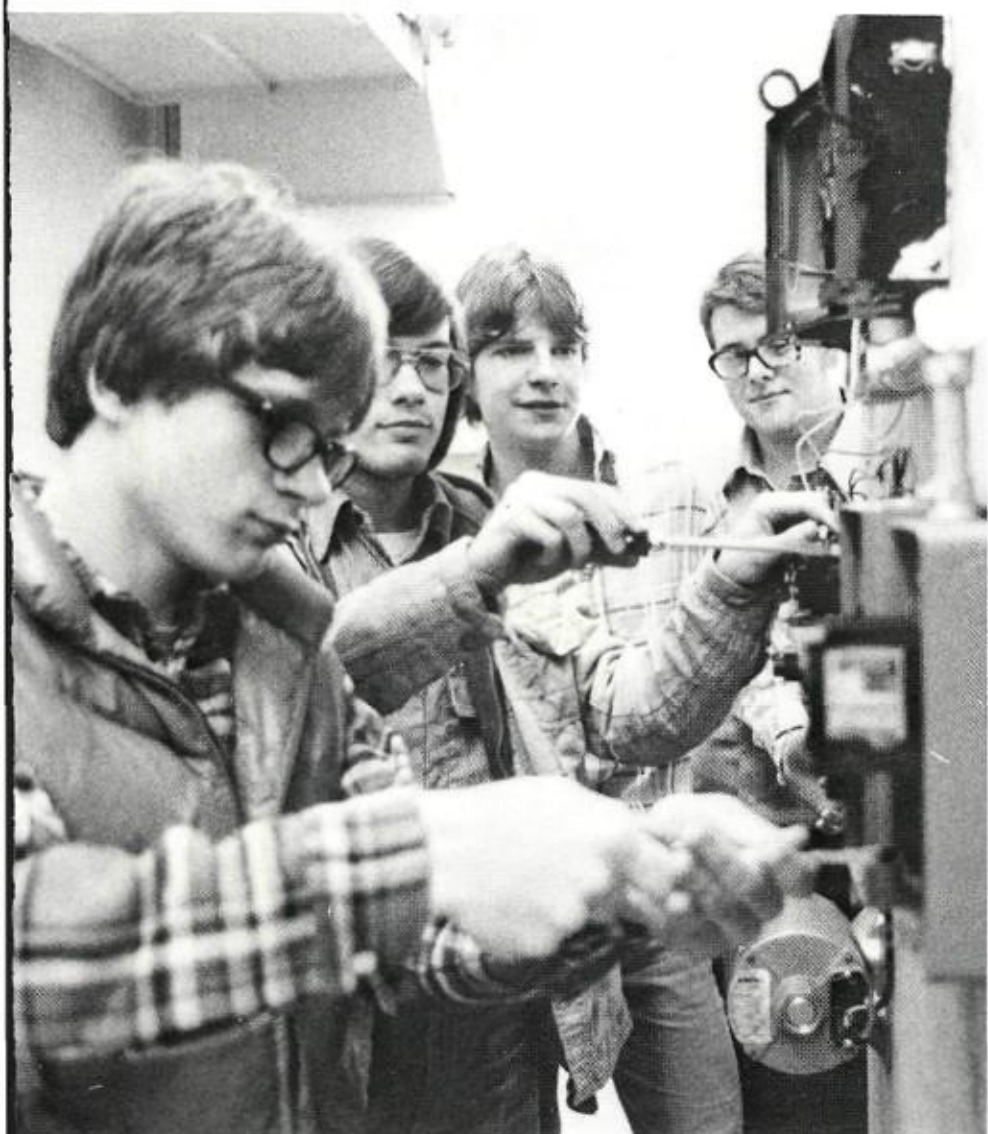

members of the opposite sex. There are boys enrolling in cosmetology and girls in auto mechanics and auto body.

Along with the vocational classes, students must also attend an English class their junior year, history their senior year, and related classes both their junior and senior years.

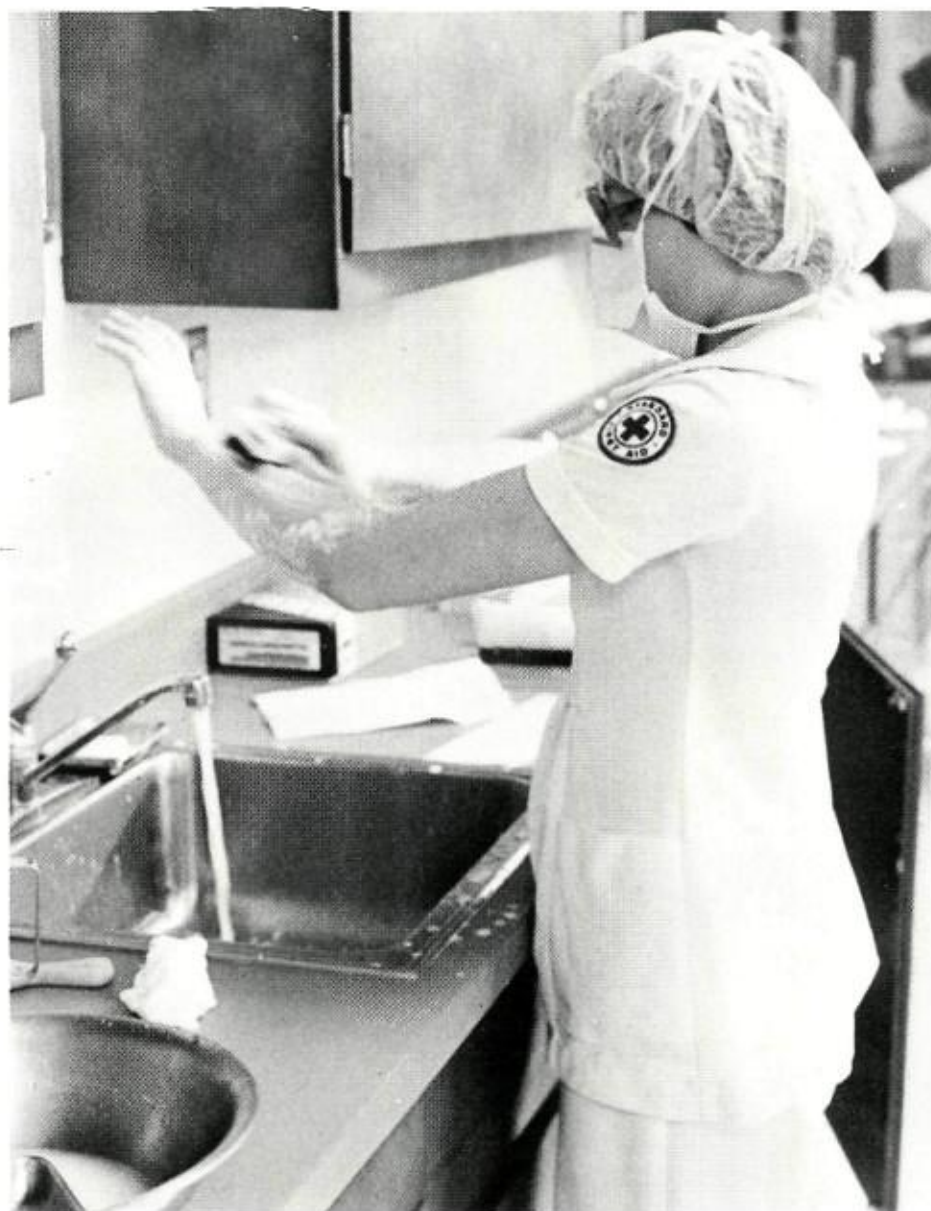

Some Apollo students go on to college to further their education while others find good jobs related to their vocation. There is a job placement program for seniors.

Even though the students attend a school other than their home school, many are still involved in sports and club activities at their home school. They also have an opportunity to meet many new people and make new friends.

Sophomores Reach Goal in Magazine Drive

The class of 1980 participated in the traditional activities for underclassmen. The sophomores sold magazines and records and reached their goal of \$5,500. Profits from this were over \$2,000. This money is added to the class treasury for use when the class sponsors the prom. Sophomores spent several days preparing schedules and investigating the programs at

Apollo Joint Vocational School. Sophomores who were interested in the Apollo programs were treated to a day of actual "hands-on" experience at the school. The sophomore band members were organized this year into a separate band since there were so many members. The sophomore band received a rating of two in area competition.

Sophomore Duo Introduces Acts at Redskin Revue

Introducing the individual performers for Redskin Revue Part II gave Libby Beech and Terri Blosser an outlet for zany humor. The two served as a comedy team, producing various short skits to fill in between the acts. Keeping the audience entertained while sets and props are

moved always calls for special talent—and Libby and Terri fit the bill. Terri played the "straight man", while Libby provided the punch lines. The two provided the humor with such skits as a robot and talking "bug-eyed" insects.

Sophomores Don Hats During Spirit Week

Sophomores found themselves involved in a week of traditional displays of spirit for the annual football rivalry with St. Mary's. The format for spirit week followed the pattern of activities set in previous years. Monday was hat day, Wednesday was dress-up day, Thursday was silence day and Friday was red-and-white day. The only alteration to the normal pattern was on Tuesday. Since the date was so near Halloween, it was suggested that teachers show

their spirit by dressing in Halloween costumes. Both Mr. Byron Ruck and Mr. Duane Bollenbacher surprised their students by appearing as old men. Mr. Joe Hamilton and Mr. Jim Neumeier dressed in casual bib overalls. Mrs. Wendy Poppe donned a coach's attire while Mr. Daryl Ballweg played the Lone Ranger. There was good participation from many faculty members for this special faculty spirit day.

Teachers Take Part

in School Spirit

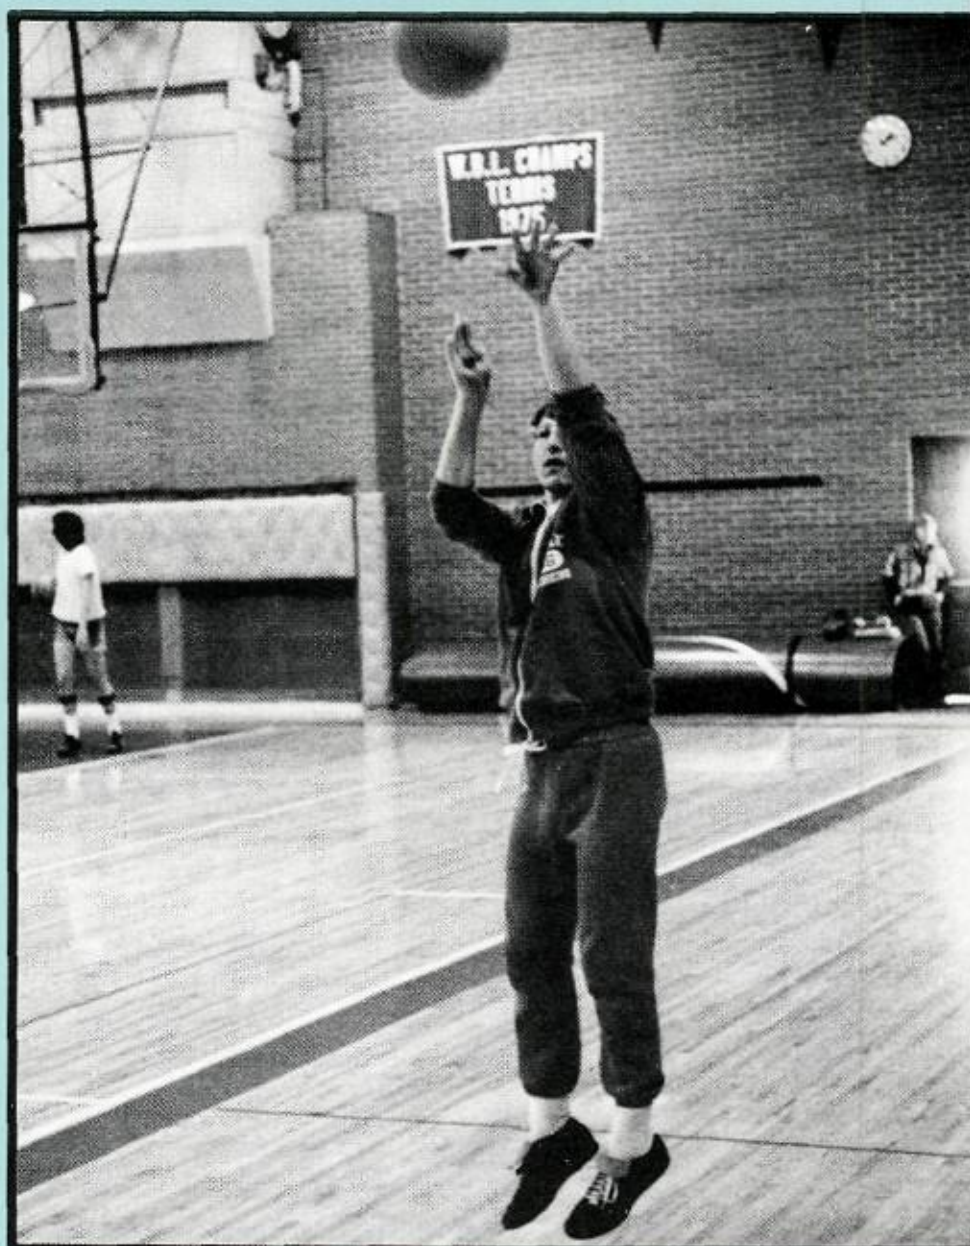

Teachers have always taken a big part in school spirit. As a part of Spirit Week, teachers dressed in various costumes for Halloween. This was one way they showed their spirit.

Another time teachers took part in the activities of school was Hobby Day. Each teacher, along with various members of the community, taught his or her favorite hobby.

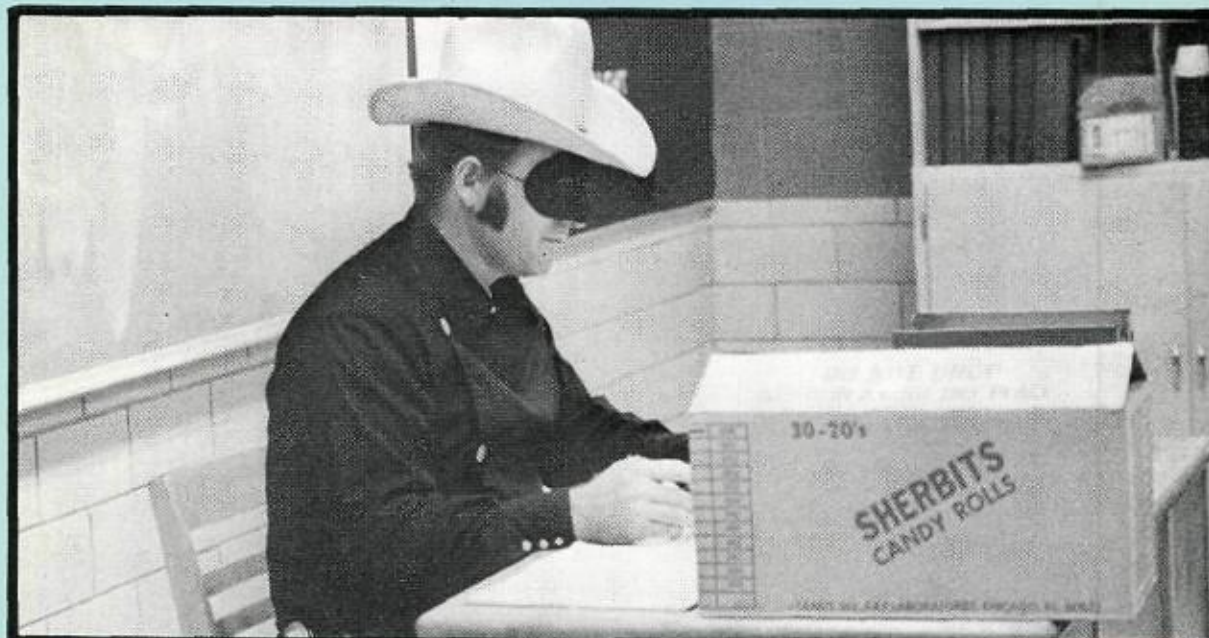

Many teachers do other outside activities for the school. The coaches and club advisers are teachers from our schools, not someone hired to just coach or be an adviser.

At times, when one has problems, the teachers are always willing to listen. They are also willing to listen and praise one's accomplishments.

Right: Physical education teacher, Mr. Jim Elshire, takes a break from class to shoot some baskets.

Right: The Masked Bandit, Mr. Daryl Ballweg, guards his "loot."

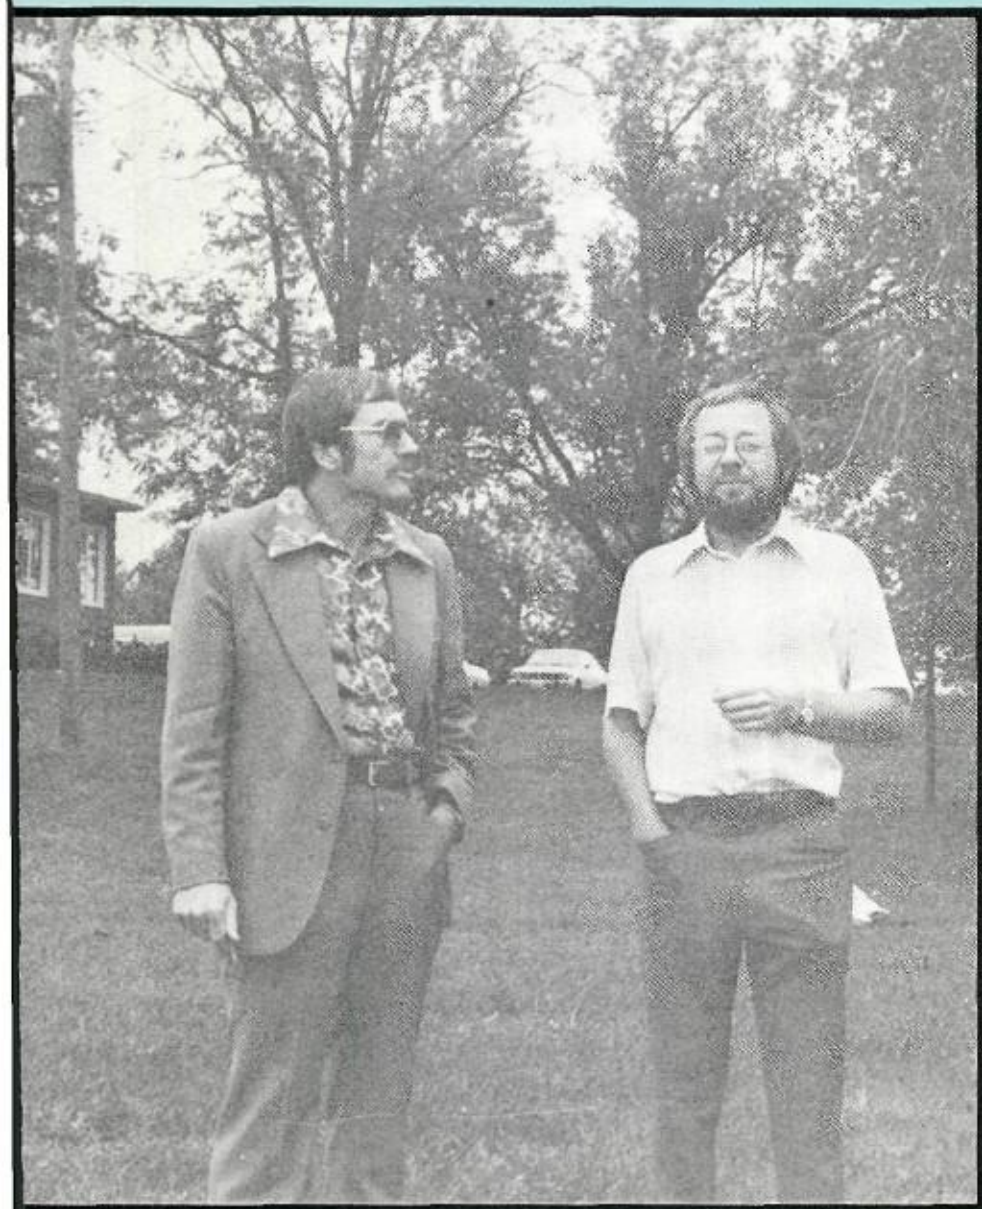

Right: "Oh, woe is me!" Ophelia (Mrs. Pat Johnson) must face another day of senior English.

School Board Takes on New Member

The school board is the main decision-making body of our school system. The board members decide how money is to be spent and on what. They are in charge of the hiring of teachers and take part in the community, such as working at the Dollars for Scholars car wash with the area merchants.

Due to the severe winter we had, the school board must also decide the final schedule for the

year. Board members were also active in the passing of the operating levy.

The school board has taken on a new voting member, Mr. Ferd Heller. Mr. Heller was elected in November.

The officers of the school board are: Mr. Harvey Bell, president; Mr. Leo Peterson, vice president. Mr. Ortho Stiles is the school board clerk but a non-voting member.

Right: Superintendent of Wapakoneta City Schools is Mr. H. Kenneth Dahill.

Right: Assistant superintendent of Wapakoneta City Schools is Mr. Lawrence Curtis.

Above: Members of the school board are: Row 1: Mr. Harold Chrismer; Mr. Leo Peterson; Mr. Harvey Bell. Row 2: Mr. Lawrence Curtis; Mr. Dean Place; Mr. Ferd Heller; Mr. Ortho Stiles; Mr. H. Kenneth Dahill.

Main Office Maintains Efficient Order

Principal, Mr. Walter Marshall, and assistant principal, Mr. Douglas Graham, are the two men responsible for the discipline and the general running of the school. They maintain order so students have a chance to learn but still have some fun. Without Mr. Marshall's permission, we could not have dances, assemblies, or

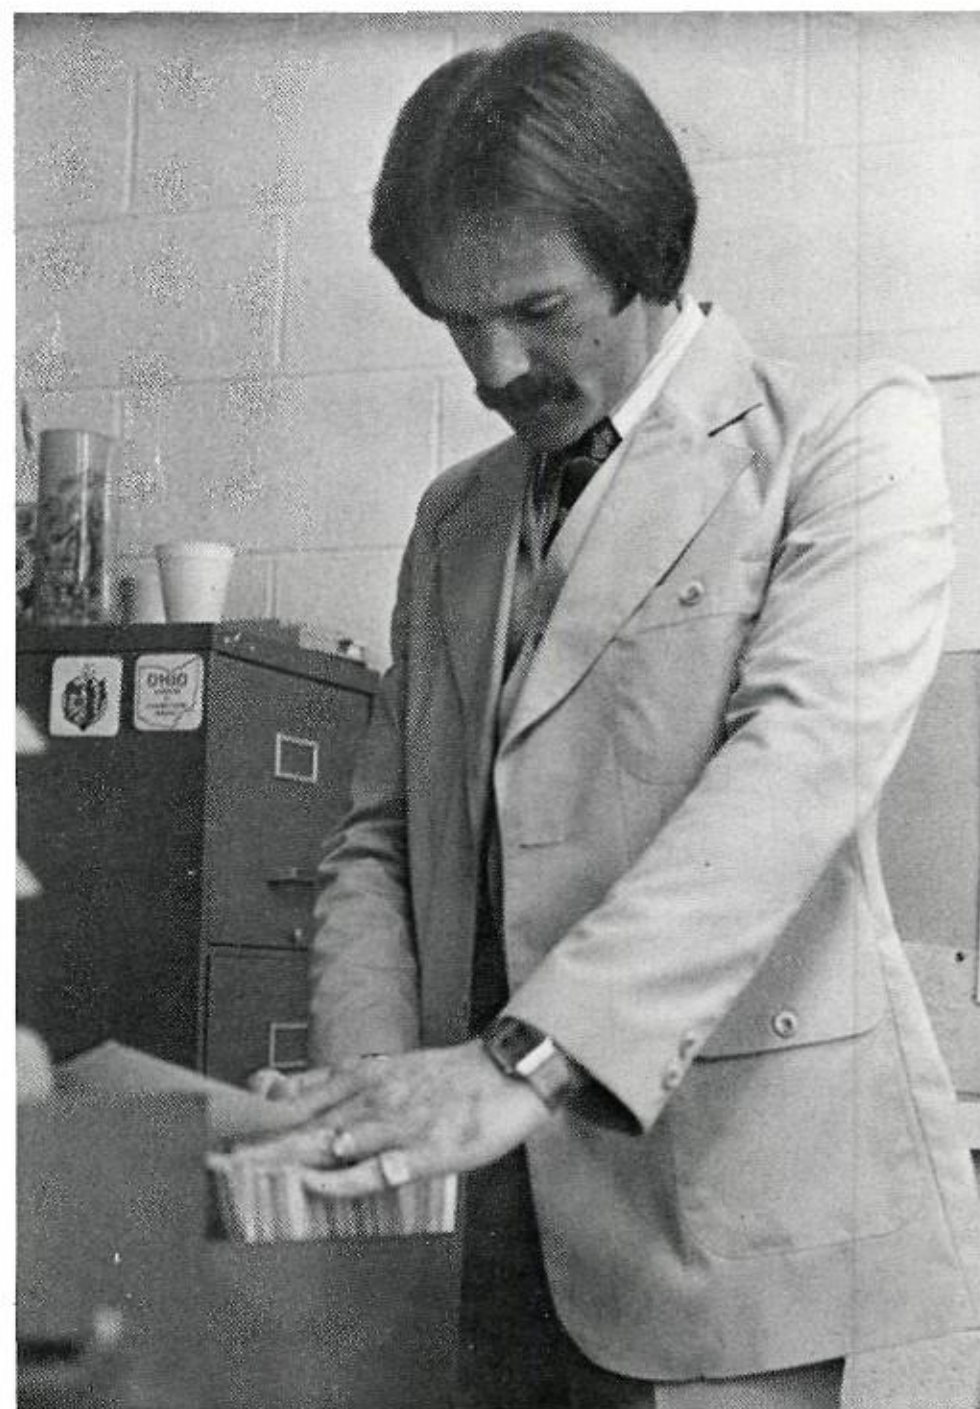

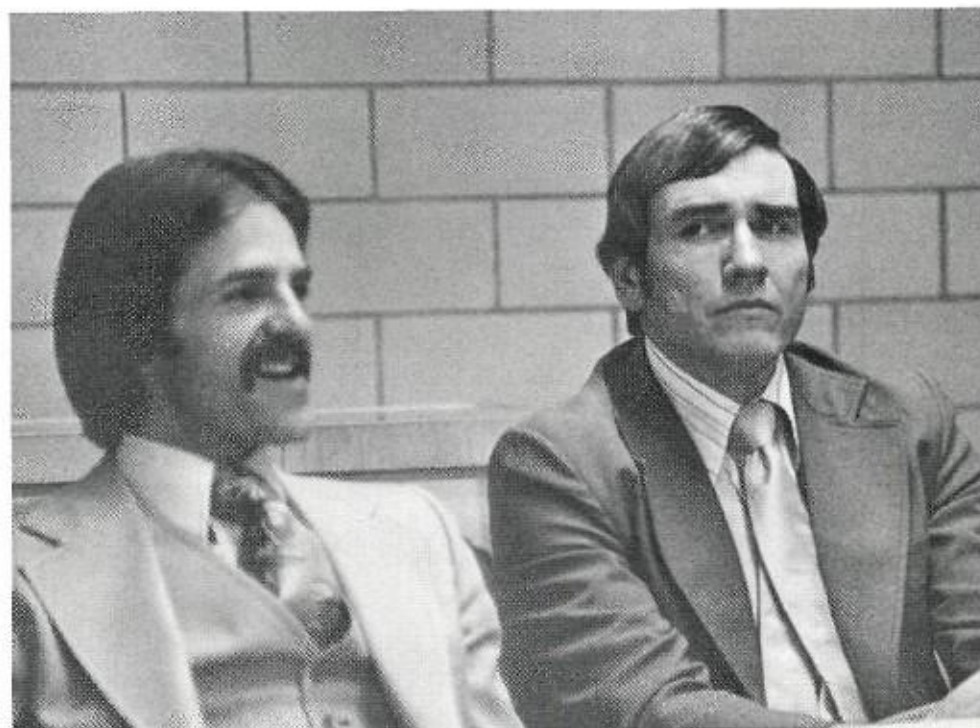

any other extra activities.

Mr. Marshall is in charge of the master schedule used by students to sign up for classes. Mr. Graham takes charge of assigning detentions and suspensions. This is not an easy job but it must be done. Students also go to him to seek advice on problems.

Below: Principal's office secretary is Mrs. Bernice Ruck.

Guidance Department Prepares Students for the Future

The guidance department consists of three counselors, a secretary, and student helpers. Through this department students investigate their choices for college, take tests for college, apply for scholarships, and receive jobs. Students also go through the guidance department to attend Apollo Joint Vocational School.

Mrs. Chlonette Amos, Mrs. Barbara Ramga, and Mr. John Zell help students with their social and family problems, as well as school problems. Mrs. Ramga is also counselor for Apollo students from our school.

The guidance department plays a big part in keeping our school functioning well.

Cooks and Custodians Provide Valuable Service

Cooks at WHS work either a six-hour or three-hour day. Two full-time employees come in early to begin preparing the meal for the day. Others come in before the noon hour to dish out food, butter lots of sandwiches, run the french fryer, and wash dishes.

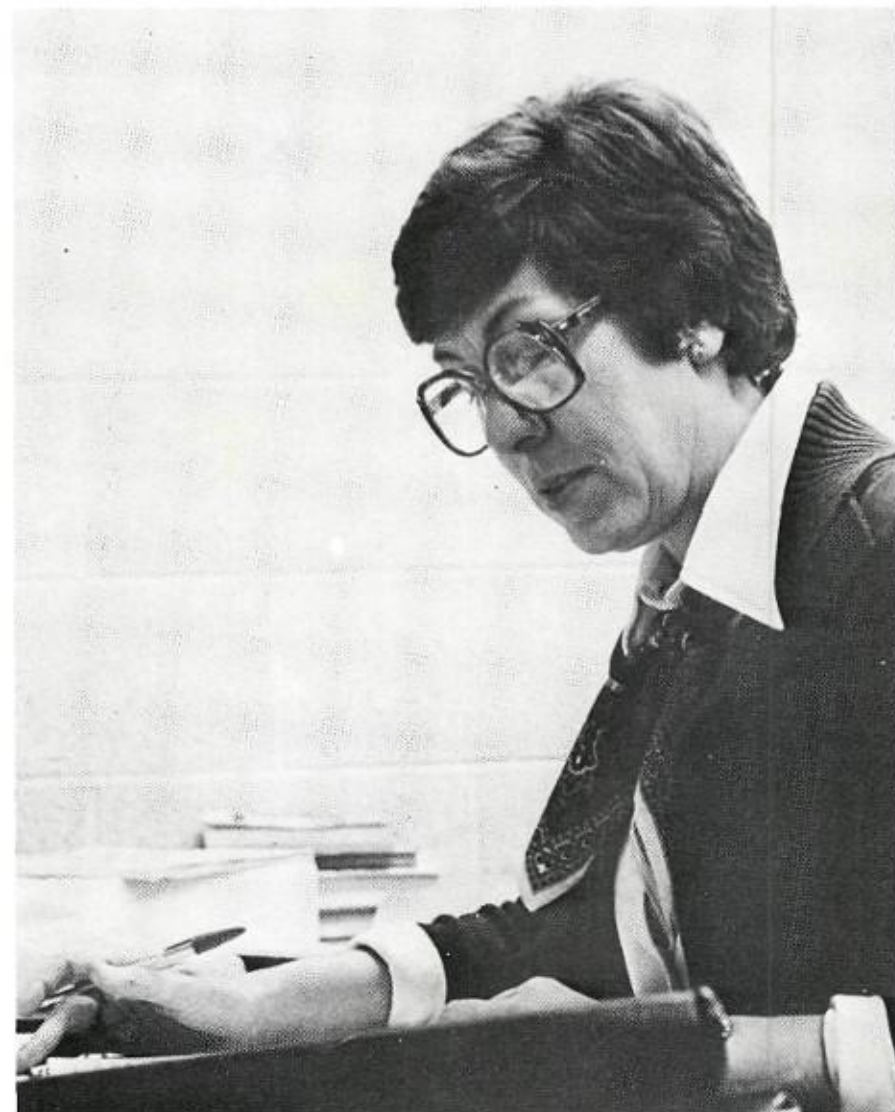

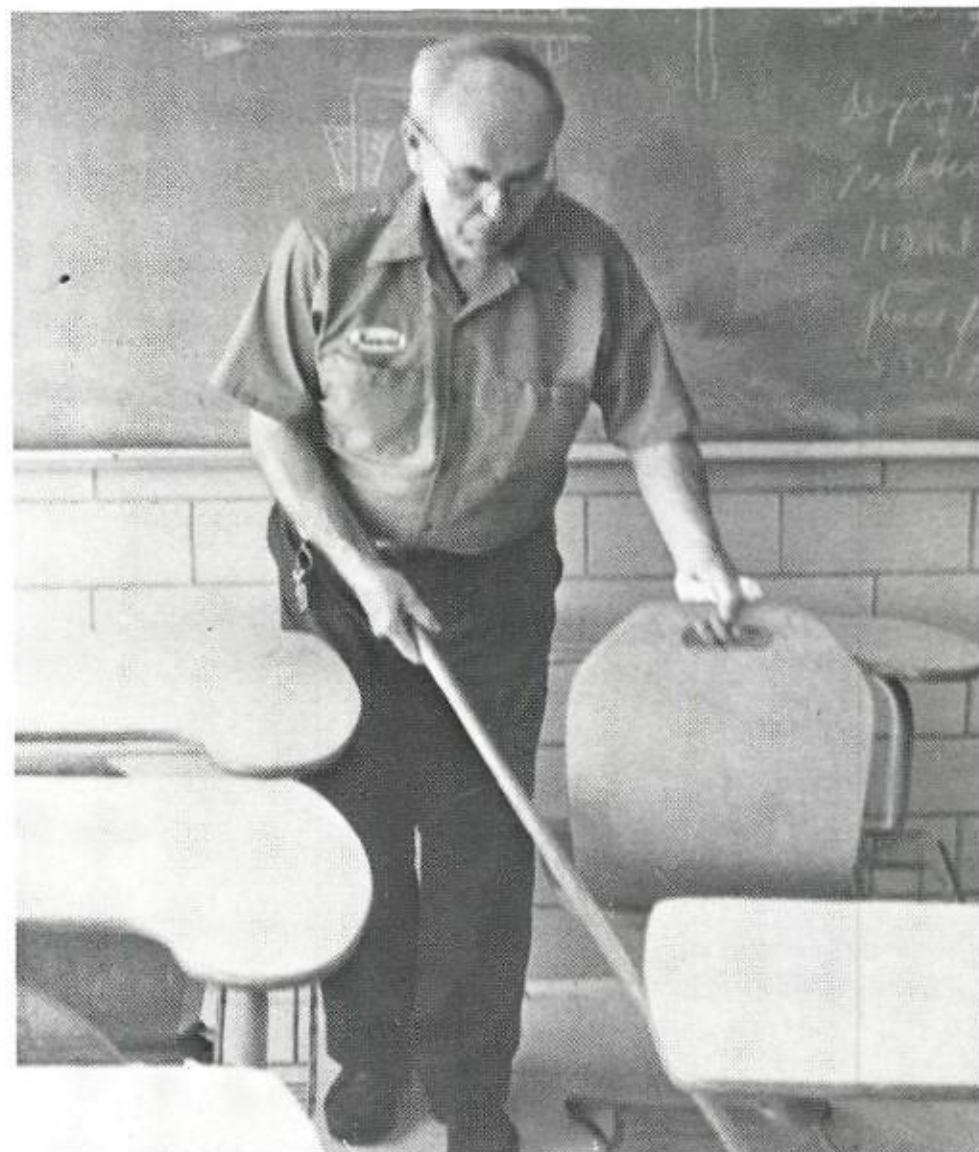

Menu planning, banking, and the purchasing of food for the entire system is done by Mrs. Janet Schnell, who has been with the system for 14 years. Mrs. Schnell also maintains all records and keeps check on

government regulations for school food services. She is also the one who helps many athletic and club organizations plan their banquets and extra functions. The school cooks, along with Mrs. Schnell, often prepare all the food and do the serving for many school-related banquets.

The maintenance of the building is handled by Mr. Roger Johnson and Mr. Harold Bowman. Together these men insure a safe, clean, and smoothly-operating environment in which to work and learn.

Right: Night custodian is Mr. Harold Bowman.

Below: Custodian for the morning shift is Mr. Roger Johnson.

Above: Dietician and cafeteria supervisor for the school system is Mrs. Janet Schnell.

Left: WHS cooks are: from back to front: Judie Bush, Virginia Kuck, Shirley Denig, Louise Neuman, Carol Katterheinrich, Betty Nuss, Laura Kinstle. Absent from picture is Betty Newland.

In the study hall you can usually find Mrs. Gretchen Ritchie. Mrs. Ritchie has been a study hall monitor for three years and plans to continue.

Mrs. Ritchie said the best part of being a monitor is the kids and the worst part is "playing the grump" all the time. Some of her hobbies include cooking, sewing, gardening and camping with her family.

The first study hall monitor ever introduced to the high school was Mrs. Marcella Ruck. Mrs. Ruck has been here for 16 years but plans to retire in a few years. She likes being around young people and being involved in school activities. Mrs. Ruck considers being a monitor a hobby. She also enjoys sewing and being with her children.

The WHS librarian is Mrs. Wendy Poppe. Mrs. Poppe is currently taking graduate courses through the University of Dayton.

This year for Hobby Day, Mrs. Poppe had Monopoly tournaments. The tournaments were held all day.

In her community, Mrs. Poppe is the adviser of a youth fellowship group, the secretary for the Auglaize County Humane Society, and is on the campaign for the Red Cross. Also she was the adviser for the fall play *Blithe Spirit*.

In her spare time, Mrs. Poppe likes to read, travel and garden.

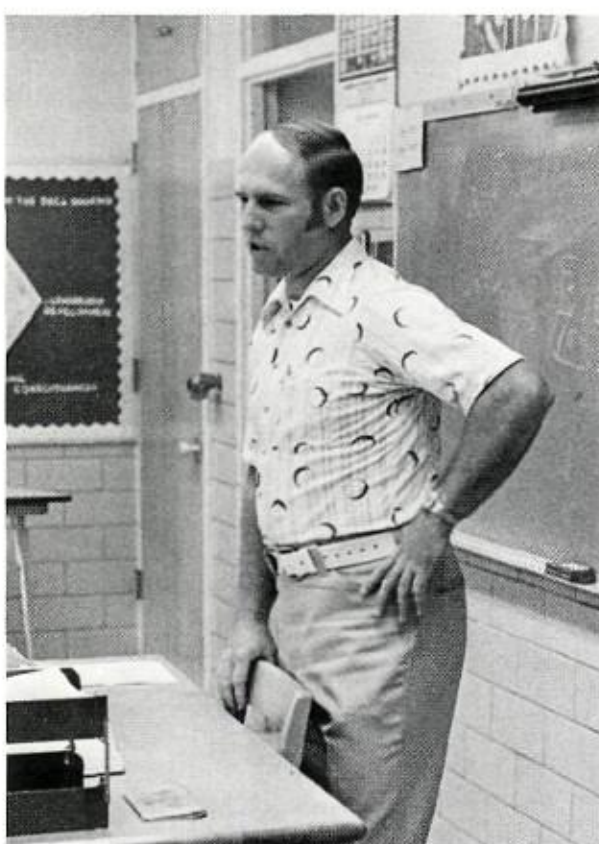

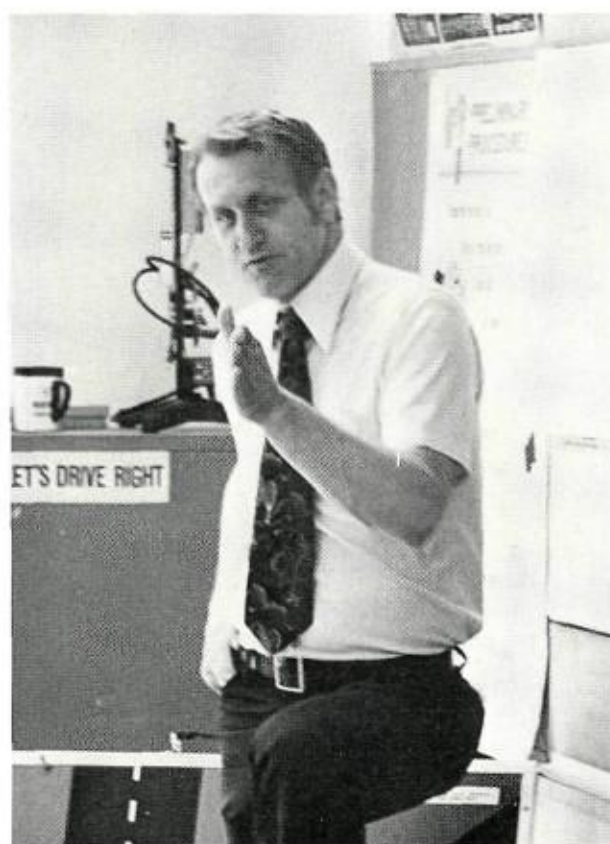

Advising the student senate is one of Mr. Joe Allen's jobs. Mr. Allen also teaches driver's education, biology, and is responsible for attendance. For Hobby Day Mr. Allen helped the student senate organize and coordinate the day's activities.

In his community Mr. Allen is involved with the Dad's Club, and helped them in their fund raising drive for the new score boards and track. Mr. Allen is also involved in his church. In his spare time he likes to read and swim. He mentioned history as a favorite avocation.

The F. B. L. A. (Future Business Leaders of America) had a great year, according to adviser Mr. Daryl Ballweg. Mr. Ballweg expressed his pleasure with the fact that the Wapak chapter placed first and second in the state in business math. Mr. Ballweg accompanied the competition participants to their various events. Besides his work with F. B. L. A. he teaches personal typing, business law, and business math. As director and supervisor of the swimming pool, Mr. Ballweg keeps busy in the summer, along with enjoying many sports.

Graduating from Albion in Michigan with a major in Latin and a minor in English and Spanish, Mrs. Jean Bell now teaches Latin I and II and individualized reading. She also serves as adviser to the Latin club and National Honor Society. She accompanied Latin club members to the Junior Classical League convention in Athens, Ohio.

Mrs. Bell is the mother of five children—three sons and two daughters, ranging in age from 28 to 15. Her hobbies include knitting, crocheting, and reading.

Recently graduated from The Ohio State University, Mrs. Bernadette Bokerman is teaching advanced composition, honors American and world literature and journalism. Since this is her first year teaching and residing in Wapakoneta, she has spent much time becoming familiar with the system and community.

Mrs. Bokerman's interest is photography. This is helpful in her work with the students in journalism and in preparing The Lantern.

Through her interest in self esteem, Mrs. Bokerman has become acquainted with Mr. Steve Johnston who was her guest speaker on Hobby Day.

Solving equations and finding the trigonometric functions of numbers, Mr. Duane Bollenbacher helps students learn more complicated forms of mathematics. Algebra II and Honors Math 4 are the classes he instructs.

Mr. Bollenbacher is involved in other forms of teaching also. He is one of the instructors for students in the driving part of their driver's education class. During the winter months he coaches the girls basketball team.

One of Mr. Bollenbacher's hobbies is music. For Hobby Day he presented a program of music of the 50's. Along with playing records of that time period, he related many bits of trivia about the era.

A variety of history classes is taught by Mrs. Shirley Brown. She divides her class hours between U. S. and foreign affairs, world history, sociology, and economics. Mrs. Brown noted that she puts in many hours preparing for all her different classes.

Each month Mrs. Brown sends four or five students to the court house to serve on the juvenile traffic court to make them aware of the working of our judicial system.

Mrs. Brown had a speaker in for Hobby Day. Mr. Pat Heintz spoke on funeral procedures.

The school day does not start until 10:30 for part-time teacher Mrs. Peg Buehler. But that gives her all the more time for her two small children who keep her busy, she says. Mrs. Buehler instructs classes in office practice, business math, typing, and shorthand. In her free time she enjoys sewing, sports, and making latch hook pillows and rugs.

Few people at WHS on Monday, May 1, will forget shivering in the cold for 45 minutes while the building was searched for a bomb. Mrs. Buehler's three-year-old daughter, Julie, was near the school as everyone was filing out. "Mommy," she cried. "I didn't think there were that many kids in the whole world!"

In the home-economics department, teaching Home Economics II, clothing, foods, and consumer education is Miss Mary Ann Burden. Miss Burden is an adviser of the Future Homemakers of America, and is one of the junior class advisers.

For Hobby Day Miss Burden taught crewel work. She showed the students different stitches and gave them many new ideas.

Miss Burden is an active person in her community. She is a member of the Auglaize County Extension Agency, the State F. H. A. Committee, and a Junior Fairboard adviser.

Being president of the Ohio Distributive Education Teachers Association and president elect of the Ohio Vocational Association keeps Mr. Robert Carmean "on the road." Mr. Carmean has attended the D. E. C. A. Leadership Conference and D. E. C. A. State Competitive Conference in Columbus, the American Vocational Association Conference in Atlantic City, New Jersey, the Regional American Vocational Association Conference in Pennsylvania, and the D. E. C. A. National Career Conference in Washington, D. C.

Mr. Carmean instructs the junior and senior sections of distributive education and supervises job placement for many of his students. Mr. Carmean describes distributive education as a course of study in marketing. He and his students work with the chamber of commerce and the business community in research work to help make the community a better place to live and do business. In the spare time he can grab, Mr. Carmean enjoys fishing.

Mrs. Marilyn Chadwick graduated from Waynesfield High School and then went to Ohio Northern University majoring in music. Mrs. Chadwick then continued her education at Bowling Green State University receiving her bachelor's degree in music; then she majored in elementary education at Defiance College. She is the chorus director and teaches music theory and music history.

Her hobbies are collecting dolls and cooking. She has one son who is 25.

In the art room, behind a drawing board, with a pencil in hand, Mr. Richard Chadwick spends his day. He instructs various levels of art classes, drawing and design, media and technique, and studio.

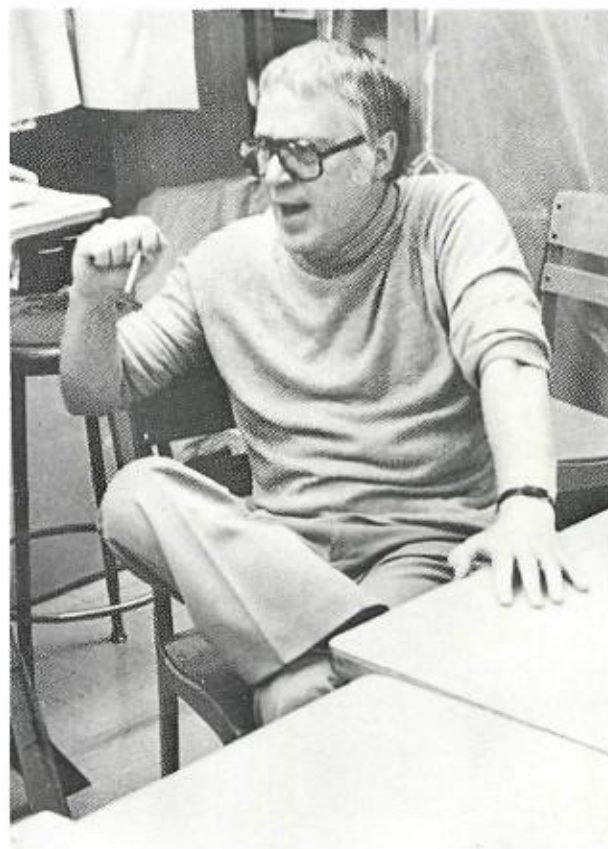

Mr. Chadwick sends student's art work to various art shows. One of the major shows each year is the Lima Mall Art Exhibit. He also advises Creations Unlimited, the art club. Mr. Chadwick helps his wife, Mrs. Marilyn Chadwick, with the Redskin Revues and the musicals.

For Hobby Day, Mrs. Joyce Bashour was the guest of Mr. Chadwick and showed students the art of making Ukranian decorated eggs.

In the home economics department three teachers instruct students in various areas. One of those teachers is Mrs. Sue Clover. She instructs classes in life styles, child development, and housing and home furnishings.

One of Mrs. Clover's hobbies is making latch-hook rugs. For Hobby Day she taught students this craft.

Since Mrs. Clover lives in the Shawnee area, her spare time is spent attending Shawnee band parent meetings and Allen County Home Economics Association meetings.

Mrs. Charlotte Coomer teaches the senior class of Intensive Office Education (I. O. E.), notehand and personal typing. She also makes visits to the places of employment of students in I. O. E. placement. Mrs. Coomer advises the Wapakoneta chapter of Office Education Association.

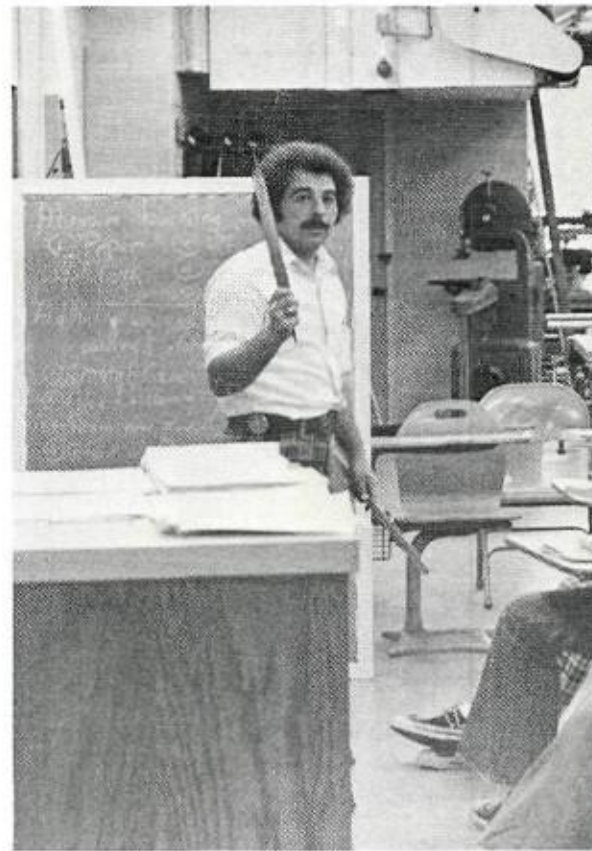

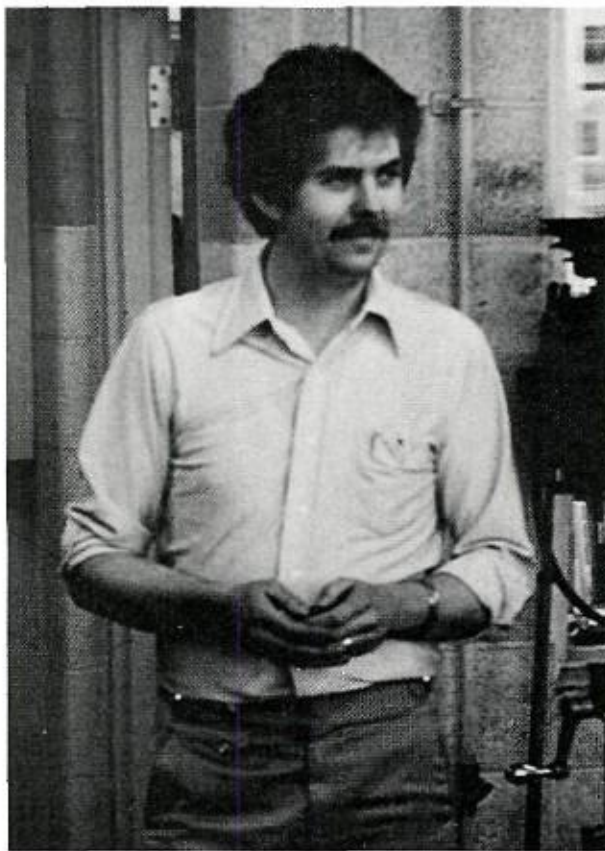

Mrs. Coomer was presented the 1978 Business Teacher of the Year award. She is the Ohio Vocational Association-Business Office Education representative to the executive board of the Ohio Business Teachers Association. She is president of OVA-BOE.

In her spare time Mrs. Coomer enjoys cooking, playing bridge, and working with the girls in I. O. E.

Hunting and fishing are the hobbies of Mr. Mark Coomer. Mr. Coomer instructs classes in drafting and metals and attended the Ohio Industrial Arts Conference in Dayton and a seminar sponsored by the Ohio State University College of Engineering.

Graduating from Jackson Center High School in 1965, Mr. Mike Elliott then received his bachelor's degree in industrial arts at Bowling Green State University. He teaches woodworking and building construction.

He officiates football and enjoys hunting. He has a son, nine years old.

After graduating from Wapakoneta High School in 1964, Mr. Jim Elshire then continued his education at The Ohio State University receiving his bachelor's degree in physical education in 1968. In 1974 he graduated from Bowling Green State University receiving his master's in secondary administration. He also attended Ohio University one winter. He teaches health, physical education and driver's education, and is head football coach.

His hobbies include racquetball, tennis and golf. He has three children, two daughters four years and three months old and a son two years old.

In his eighth year of teaching Biology I and II, and physiology and anatomy, Mr. Mark Ewing graduated from Bellefontaine High School in 1965 and received his bachelor's degree at The Ohio State University, and his master's degree in botany at Miami University.

His hobbies are C.B. radios, gardening, and photography. He is the assistant football coach, junior high co-ordinator of basketball, and science fair adviser. He has two children, Julie, six, and Jodie, four.

Mr. B. B. Feeser attended Covington High School, graduating in 1955 and then attended The Ohio State University, receiving his bachelor's degree in agricultural education in 1959. Mr. Feeser is spending his first year at WHS teaching Vocational Agriculture I, II, III, and IV and young and adult farmers. He attends workshops every summer.

His hobbies include hunting, fishing, model trains, and outdoor sports. He has four daughters ages 22, 19, 13 and 11.

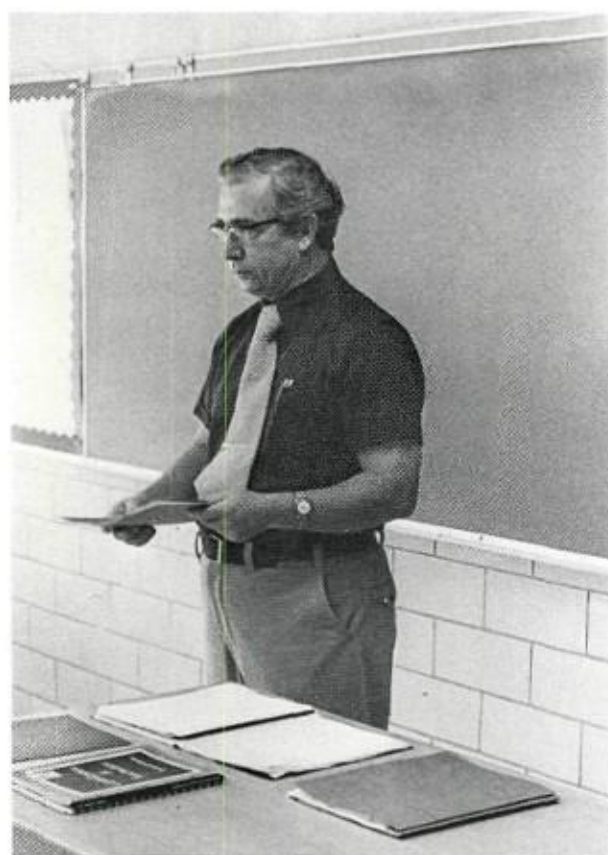

After graduating from North Olmsted High School in 1958, Mr. Fred Foote continued his education at Bowling Green State University receiving his bachelor's degree in industrial arts. He teaches woodworking and power mechanics.

His hobbies include camping, fishing, boating, water skiing, and woodworking. In the summertime he works at B & M Packing Company and belongs to the U. S. Coast Guard. He has three children, a son 15 and two daughters, 8 and 12.

Spending his first year at the senior high building is Mr. Don Fritz who is teaching special education. Mr. Fritz came to WHS from a principal's position in the Bluffton school system. Mr. Fritz has helped Mr. Steele and the junior class organize the prom.

Mr. Fritz noted that he feels very fortunate to have met some very nice people this year and to have worked with some young people who needed him. During the summer Mr. Fritz enjoys camping, boating, restoring cars, gardening and doing service work.

In his second year of teaching at Wapakoneta, Mr. Joe Hamilton graduated from Fairmont West High School, Kettering, Ohio, in 1968. He received his bachelor's degree in health and physical education at Wittenberg University, and his master's degree in health and physical education at the University of Tennessee. He teaches world and American history, and has a few classes of physical education.

He is head basketball coach, golf coach, and recreational director. His hobbies are golf, tennis, and stereo music.

Teaching literature and writing is Mr. John Hammond. Mr. Hammond coaches track and cross-country here at WHS. He also accompanies the team to the various tournaments.

For Hobby Day, Mr. Hammond instructed students in the importance of physical conditioning, which is a personal hobby and was the field of his work for his graduate degree. People around here know him as "that coach who's always out running!"

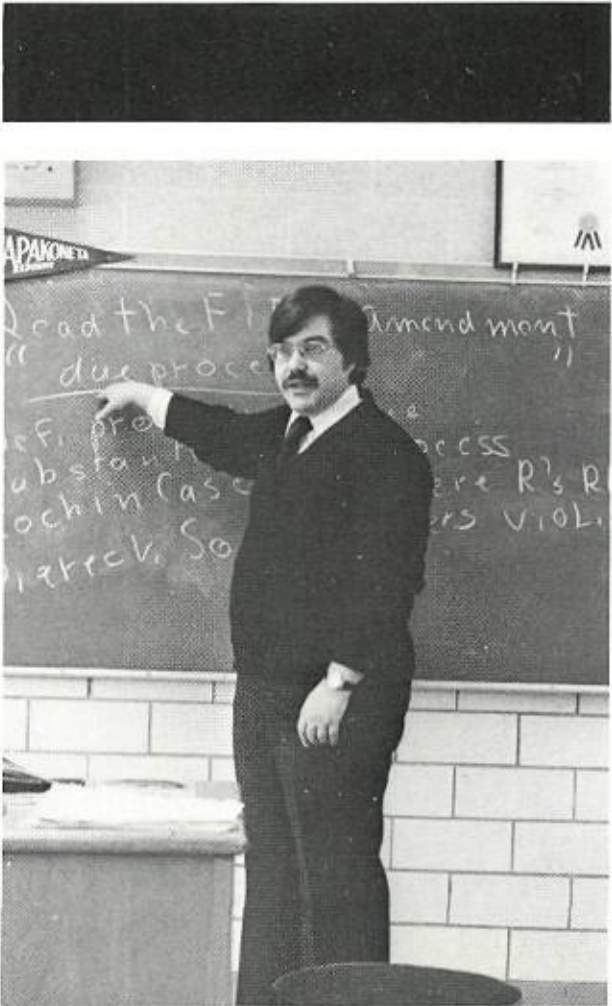

After graduating from Anna High School in 1954, Mr. Willard Heintz then attended Capitol University receiving his bachelor's in mathematics, in 1958. This is his third year at the high school and he teaches Math IV, geometry, algebra, and refresher mathematics.

His hobbies include sports, especially track and basketball. He has three children, two sons ages 18 and 15, and one daughter 12 years old.

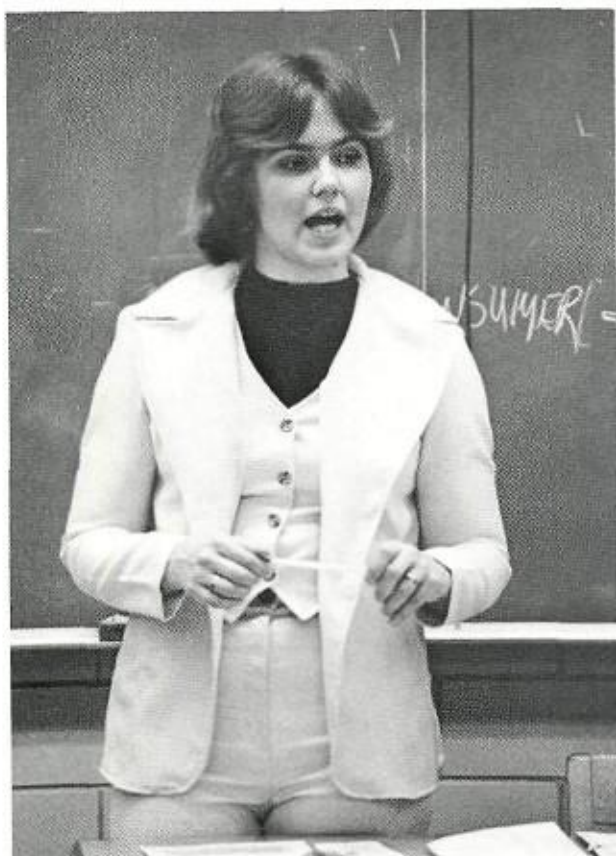

Mr. Walter Horner graduated from Crestwood High School in 1962, and then attended Kent State University to receive his bachelor's degree in education. Mr. Horner has been at the high school nine years, and teaches American government, world history, and sociology.

His hobbies include swimming, traveling, and reading.

Mrs. Patricia Inzano graduated from Cleveland Heights High School in 1968 and then attended Kent State University where she received her bachelor's degree in physical education in 1971. Mrs. Inzano then attended the University of Dayton where she received her master's degree in health and physical education. She teaches health and physical education and is the gymnastics coach.

Her hobbies are tennis, sailing and crossword puzzles. She has two children, a son six and a daughter three.

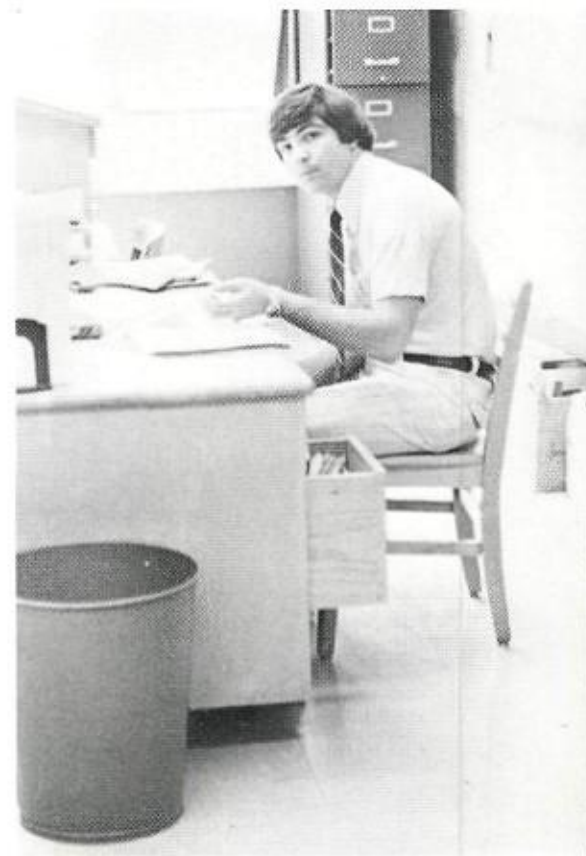

In her six years of teaching in Wapakoneta, the last two have been spent at Wapakoneta Senior High. Mrs. Pat Johnson graduated from Wapakoneta Senior High School in 1967, received her bachelor's degree at The Ohio State University in English and Journalism, and her master's degree at Bowling Green State University in English. She teaches senior English, advanced placement, and survival sophomore English. Mrs. Johnson spent two days at the National Council of Teachers of English spring workshop on writing, which was held in Cleveland.

She is Retro adviser, Quill & Scroll adviser, and hostess for a W. A. P. A. production on British Literature. Her hobbies consist of photography, ceramics, knitting, crocheting, and reading.

After graduating from Wapakoneta High School in 1968, Mr. Darrell Jones then went to Bluffton College and received his bachelor's degree in social studies with a comprehensive major. This is his fifth year at the high school teaching social studies.

He coaches football and tennis, and his hobbies are auto racing and tennis. He has one daughter, one year old.

Teaching one of the most basic but important classes is Mrs. Fran Katzer. She instructs English classes in science fiction, Speech II, survival English 10, and vocational English.

Mrs. Katzer attended a science fiction seminar in Michigan. Mr. Fred Pohl, an author, was guest speaker for the seminar. She also attended the annual St. Francis Reading Conference in Ft. Wayne, Indiana.

Enjoyable pastimes of Mrs. Katzer's include traveling, gardening, gourmet cooking, and cross-country skiing.

Miss Carol Krantz teaches French and remedial reading in the elementary schools. She also advises Y-Teens and the French club and is a member of the Y.W.C.A. of Lima. She is a graduate of Miami University.

During Hobby Day she was only at the high school building one module, so she assisted Mrs. Pat Johnson with ceramics.

On April 7 and 8 she attended The Ohio Modern Language Teachers Association conference in Columbus held at the Sheraton Hotel.

Graduating from Shaw High School in 1943, Mr. Jack Krebs then went to The Ohio State University receiving his bachelor's and master's degrees in education. He attends a seminar every August for O.W.E. coordinators. Mr. Krebs has been at the high school for 27 years and is the O.W.E. teacher.

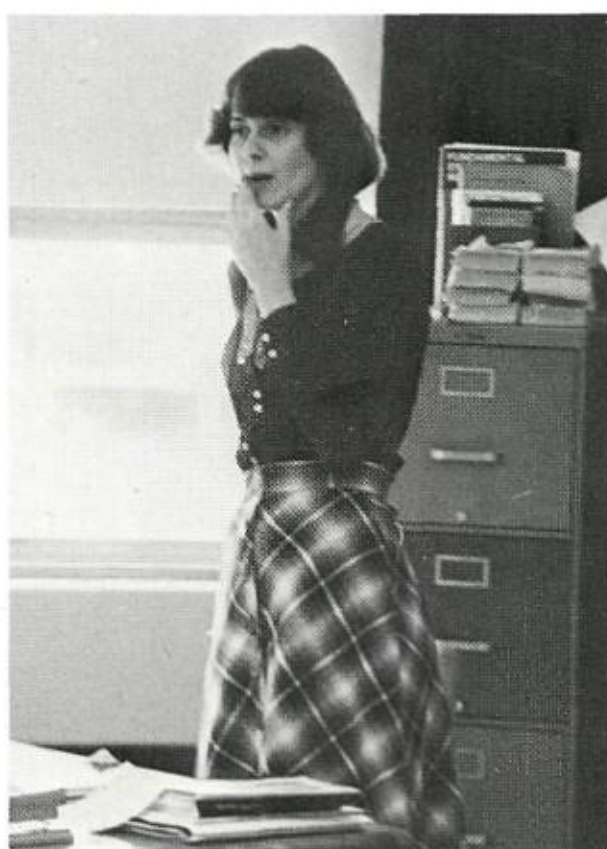

His hobbies include gardening and electronics and he has three children—two sons ages 29 and 27, and one daughter, 24 years old.

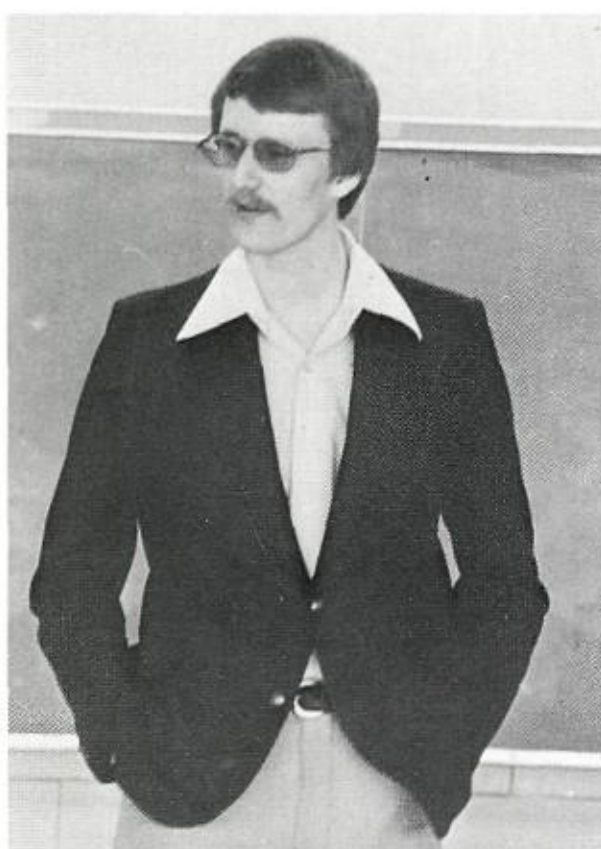

Miss Linda Lee teaches the English classes of Writing I, American literature, science fiction, and junior survival English. In the evenings she instructs adults in grammar and literature so they may obtain their high school diploma. Miss Lee is a graduate of Findlay College.

Miss Lee attended the St. Francis Reading Conference in Ft. Wayne and an adult basic education conference this year.

She is the adviser for the Future Teachers of America, and in her spare time enjoys all forms of music, playing the piano, and reading.

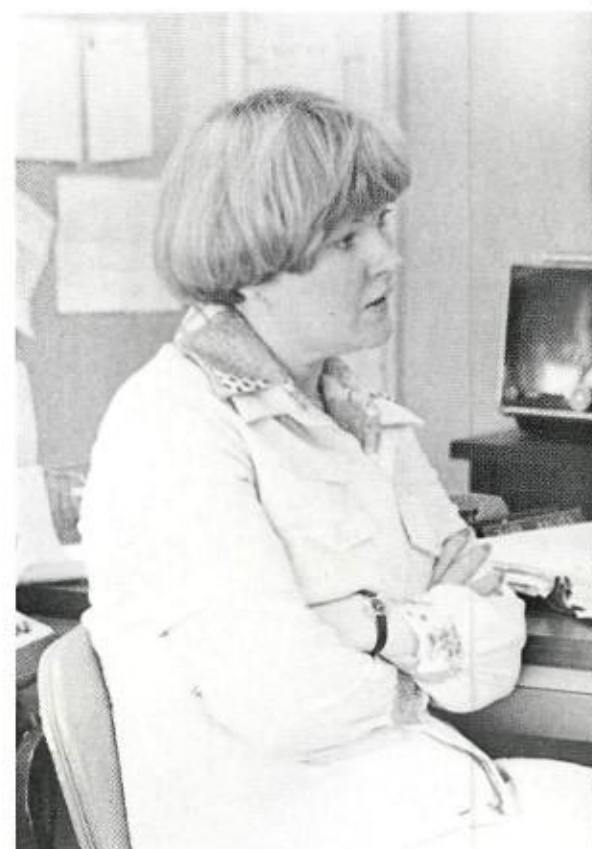

After graduating from Auglaize Brown Local High School in 1966, Mr. William Lee then attended The Ohio State University receiving his bachelor's in comprehensive communications. He also has attended some summer courses at Wright State University. He has been at the high school five years and teaches video-radio production, mass media, speech and theatre. He is video club adviser and supervises production for W. A. P. A. His hobby is gardening.

After graduating from Lincolnview High School in 1963, Mrs. Miriam Lynch then attended Bowling Green State University receiving her bachelor's degree in business education. She attends workshops every summer for I. O. E. teachers. Her classes include Typing I and II and junior I. O. E.

Her hobbies include square dancing, water and snow skiing, and reading. She has twin boys, six years old.

The many activities each year of the Future Farmers of America keep ag business instructor, Mr. Jan Miller, extremely busy. He does find time for many other things—for example, playing percussion for the popular local group "Penjendrum" and engaging in his photography hobby. Mr. Miller attended a three-day conference in Dayton, gathering current information for his area of teaching. He is also working on his master's degree in agriculture education at The Ohio State University.

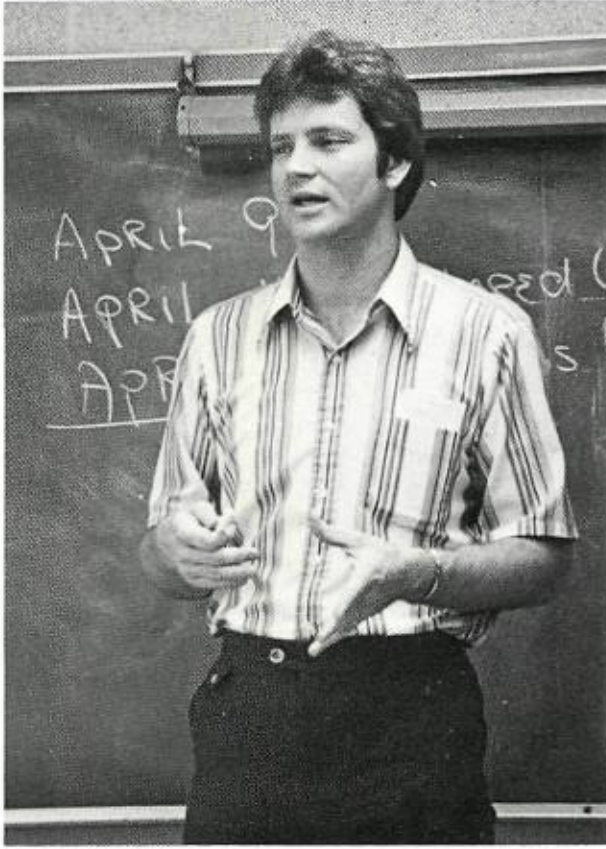

Mr. Jim Neumeier teaches geometry, physics, integrated algebra and basic geometry. He is a new member of city council and is active in St. Joseph's Church. He is the adviser for the chess club.

For Hobby Day he taught chess. Mr. Neumeier took a group of seniors to The Ohio State University for an engineer's conference.

Mr. Steve Penhorwood has completed his fourth year of teaching. He is the assistant coach of football and basketball at WHS. He is a member of a fishing club. Mr. Penhorwood spends his leisure time with his family and at fishing tournaments.

Mr. Byron Ruck has been teaching for seven years. He is now spending his first year back at WHS after having taught several years at Blume Junior High School.

Mr. Ruck is the county-co-chairman of the cancer board and is involved in the indoctrination of new initiates at the Elks Lodge. Flying, golfing and fishing are the hobbies he enjoys.

Independent living is taught by Miss Shirley Settlemyre. She is also a student herself, taking graduate classes through Bowling Green State University.

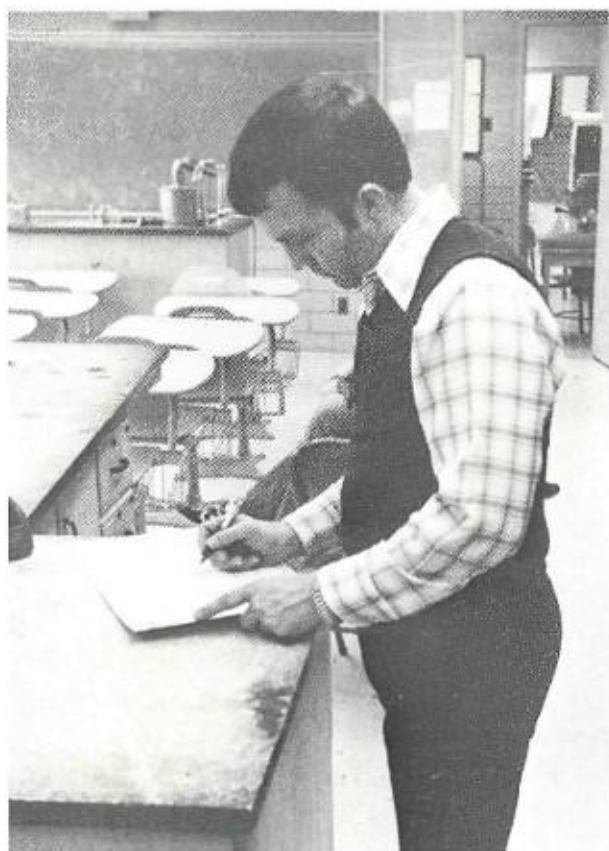

Miss Settlemyre is an adviser of the Future Homemakers of America. She accompanied the club to state competition in Marion, Ohio, and to the state convention in Columbus.

On Hobby Day, Miss Settlemyre instructed the making of Christmas decorations. This included candy-cane horses, wreaths, and Christmas trees made from egg cartons. She also enjoys ceramics and always seems to be working on various crafts.

Mrs. Jan Smith teaches Spanish and is adviser for the Spanish club and the Spanish National Honor Society. She does volunteer work as an area representative for the exchange program in Auglaize and Allen counties. She also speaks at many community club meetings.

Mrs. Smith attended an International Conference in Holland in February. With this conference she visited many Dutch schools and universities. Mrs. Smith also plans to travel to Mexico this summer with students and adults in the community.

On Hobby Day Mrs. Smith showed slides that dealt with the student exchange program.

Another new face at WHS is Mr. John Snyder, sophomore instructor for the O. W. A. program. Mr. Snyder has been an instructor at Blume Junior High for several years, and spends part of his day at the high school. He is currently doing graduate work through Bowling Green State University for his certification in OWA/work study programs. Mr. Snyder has attended many conferences and workshops for his new field of instruction. He is looking forward to next year when the O. W. A. program is to be expanded into two units, accommodating 40 or 50 students.

Mr. Snyder enjoys mechanics, carpentry, do-it-yourself projects, water sports, stamp collecting, and traveling. He also spends two weeks every school year on active duty with the U. S. Navy.

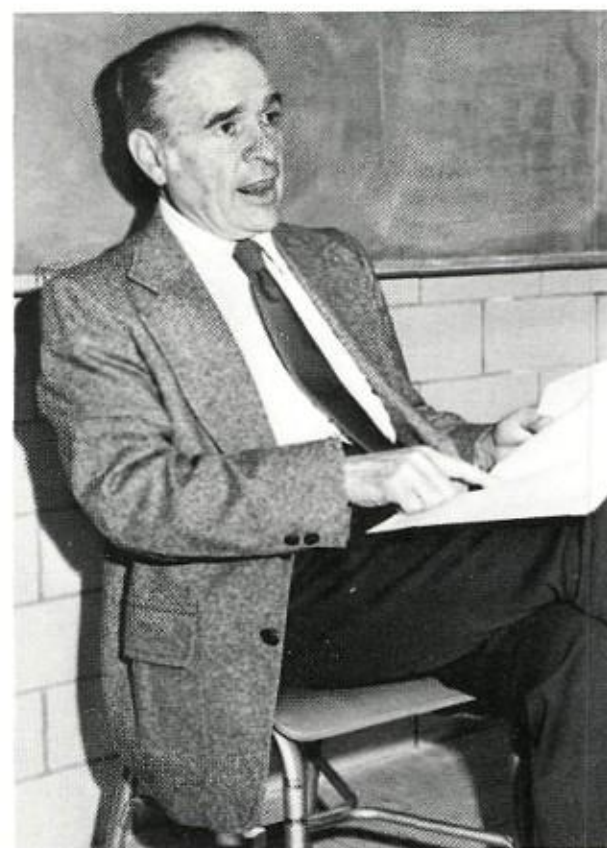

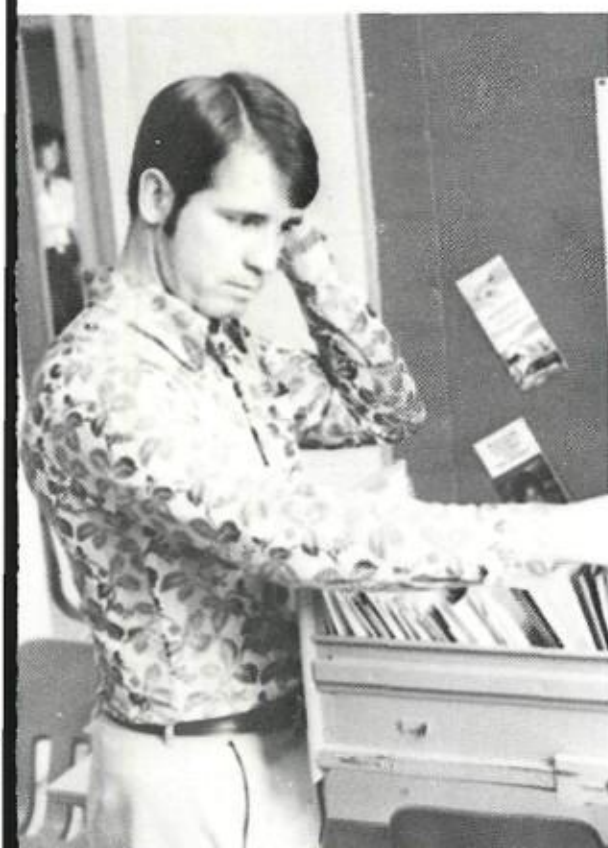

In the industrial shop, teaching printing and auto mechanics is Mr. Larry Springer. Mr. Springer's printing classes do many of the community programs and tickets that are used by all.

For Hobby Day, Mr. Springer instructed the art of refinishing antique furniture. He showed students how to change old, broken furniture into new beautiful furniture.

In his spare time Mr. Springer is the vice-president of the Travelin' Treasures, a local car club. Also, Mr. Springer likes music and camping.

William J. Steele has taught ten years at WHS. As an adviser of the junior class, he plays an active part in putting the junior-senior prom together.

Mr. Steele contributes to the community as a council member of the First English Lutheran Church. He enjoys the hobbies of physical culture, poetry, literature, and education. He is special education instructor.

Reading and sports are the hobbies of Mr. Bill Steiner. Mr. Steiner instructs classes in Accounting I and II and Typing I. He is also Retro business manager and serves as the clerk-custodian for the school. He attended the Ohio Business Teachers Association convention.

After 28 years of teaching, sixteen of them in the Wapakoneta system, Mr. Harold Taylor is retiring. Through these years he has developed his own style of teaching and can relate well with his students. He instructs modern and action chemistry.

Mr. Taylor had the honor of being chosen the 1978 Outstanding Science Teacher of the Year. He was one of thirteen in the state to receive this award.

Last August Mr. Taylor was the only Ohio science teacher to attend the launching of Voyager II at Cape Kennedy.

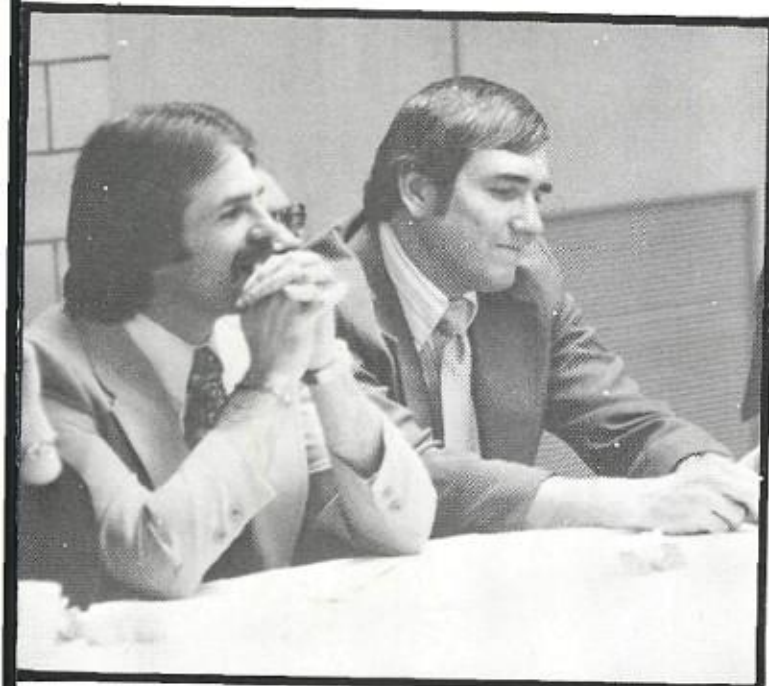

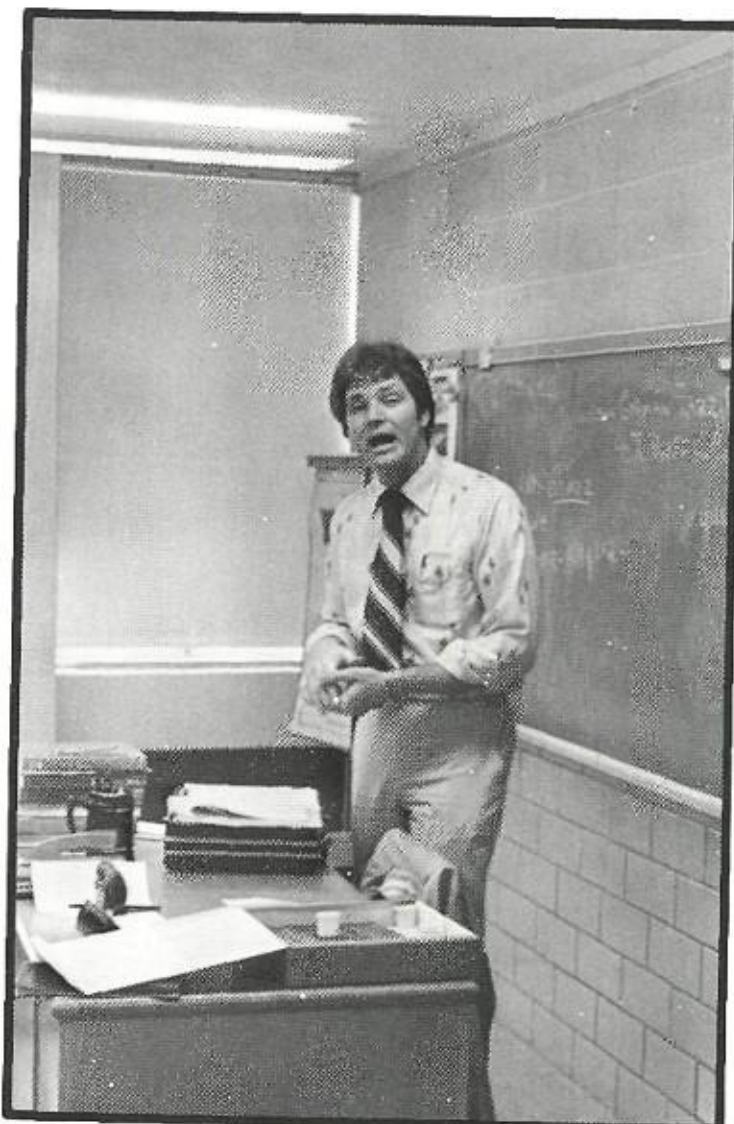

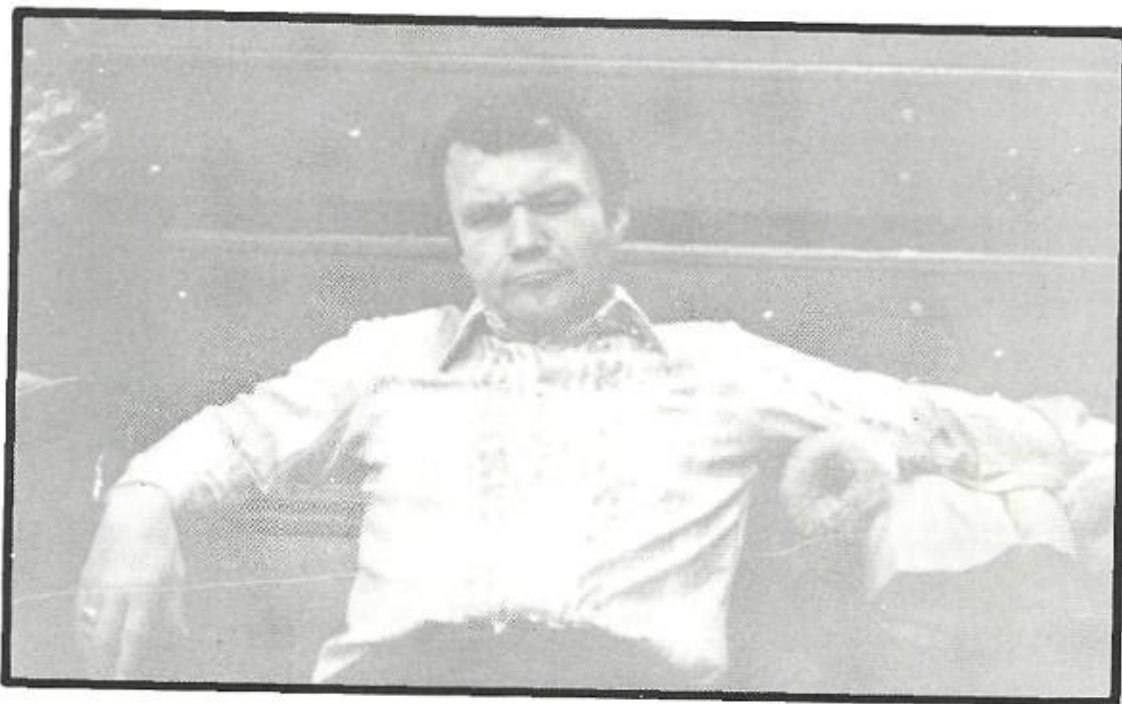

Mr. Taylor is the coach for the chemistry bowl team. He is a member of the Board of Directors for the Science Education Council of Ohio and has been for the past six years the high school adviser for the Ohio Academy of Science. He is president of the Western Ohio Science Teachers Association.

Now in his 32nd year of teaching and his 11th year as Wapakoneta instrumental instructor is Mr. William Trunk. Mr. Trunk graduated from Lima South High School in 1938 with a major in music. He is a graduate of Ohio Northern University, received his master's degree in music education from Vandercook College of Music, Chicago, Illinois, and attended Fresno State College, Fresno, California.

He plays clarinet, saxophone, and piano professionally. His hobbies consist of composing and arranging music, carpentry, cooking, and gardening. He has two children, a daughter and a son.

We Got a Little Help From Our Friends

As the year closes and summer approaches we sometimes see less of the people we went to school with. Seniors begin going their separate ways and lose touch with some of their friends, but no one will say "good bye" for good. There will be get-togethers, reunions and fate meetings on the street.

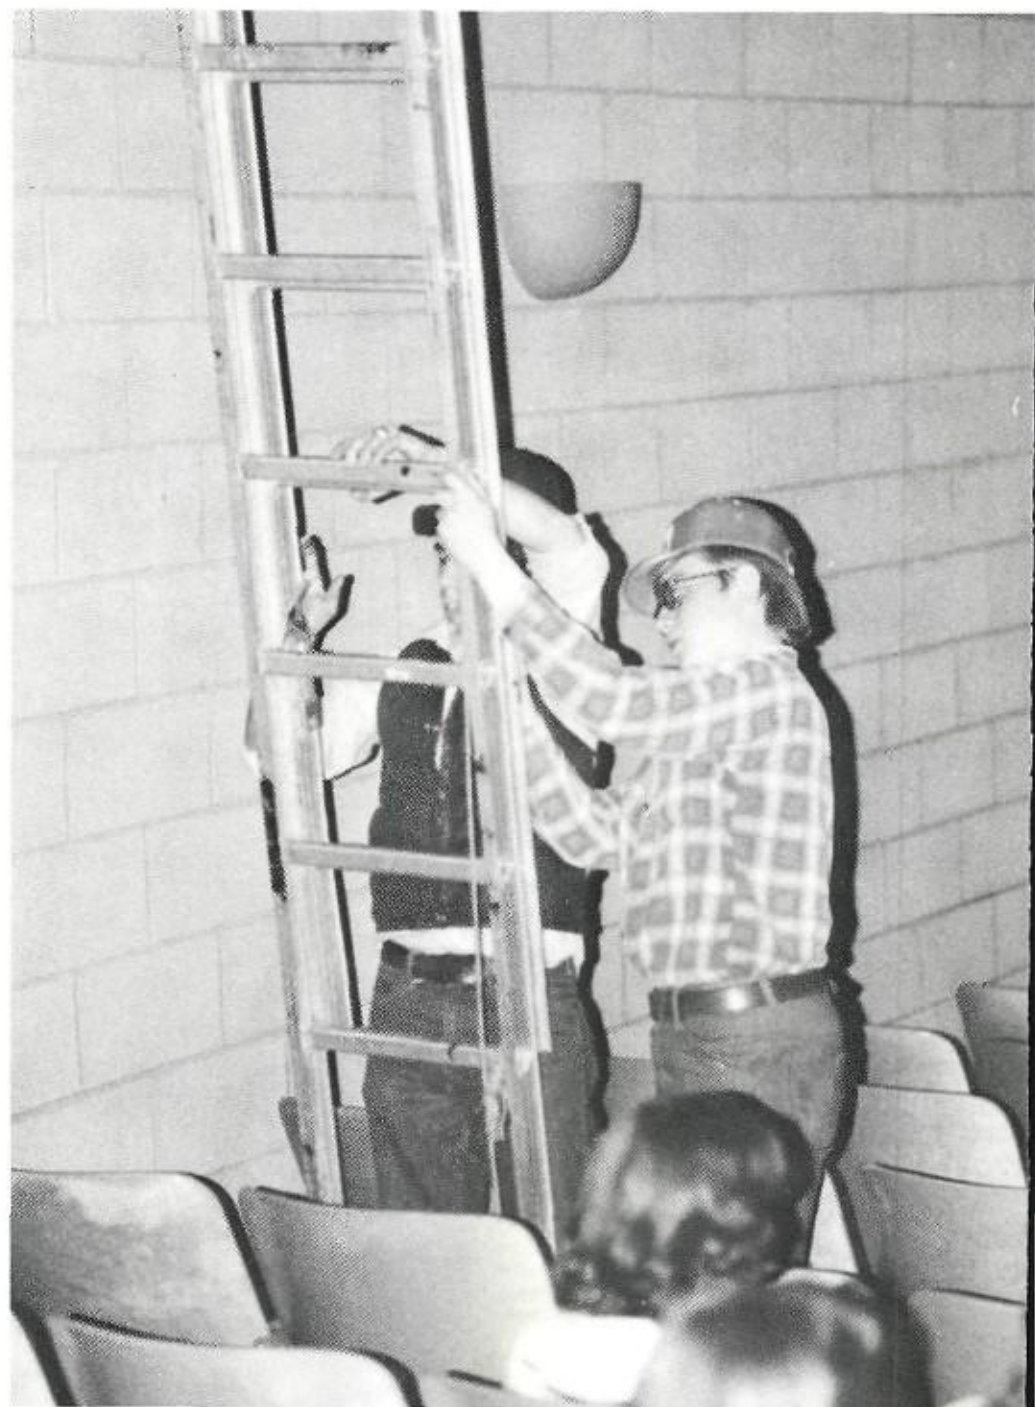

We can now look back on a whole year of good times and bad times (such as the blizzard). Sophomores have now completed their rookie year and look

forward to not being "low man." Juniors are beginning to make decisions to affect the rest of their lives as they enter their senior year. Seniors will find jobs, go to college, get married. Somehow, though, everyone stays together in one place through memories and through each person's heart.

We got the help from our friends and we say "see ya soon."

Acquaintances say "good bye"; friends say "see ya."

Below: Seniors cluster together to send their valentine message in February.

Above: Bob Lengerich, left, and Alan Davis work together as part of the important stage crew for all chorus productions.

Above: Mr. Jim Neumeier judges Steve Cummings during the science fair as Dave Dukro looks on.

Left: After completion of the first deadline, the Retro staff celebrates with a pizza party at the Pizza Chef.

Above: All that work for twelve years and Ross Kantner receives a blank diploma! Not really, with final exams after commencement exercises, the actual diplomas were given out with grade cards.
